**The African Charter of Human and People's Rights** Fatsah Ouguergouz, 2003-01-01 PART ONE *The Rights of Peoples* James Crawford, 1988 Harmony by Gillian Triggs Challenges to the Human Rights of People with Intellectual Disabilities Frances Owen, Dorothy Griffiths, 2008-12-15 This book provides a multidisciplinary examination of human rights and the lives of people with intellectual disabilities It combines historical psychological philosophical social educational medical and legal perspectives to form a unique and insightful account of the subject Selected State and Federal Laws Affecting Employment and Certain Rights of People with Disabilities United States. President's Committee on Employment of the Handicapped, 1980 *Nations, Identities, Cultures* V. Y. Mudimbe, 1997 This volume investigates the concepts of nation identity and culture as they have evolved within the context of exile Contributors explore various theoretical issues involved in reconfiguring these concepts since the 19th century as well as the manifestations of these issues in specific regions of the world *Bulletin*, 1917 International Human Rights Philip Alston, Ryan Goodman, 2013 The successor to International human rights in context law politics and morals **Global Intersectionality and Contemporary Human Rights** Johanna Bond, 2021-07-22 Global Intersectionality and Contemporary Human Rights argues for an expansive definition of human rights one that encompasses the harm caused by multiple intersecting forms of subordination Intersectionality theory posits that aspects of identity such as race and gender are mutually constitutive and intersect to create unique experiences of discrimination and subordination Perpetrators of sexual violence in armed conflict of example often target women based on both gender and ethnicity Human rights remedies that fail to capture the intersectional nature of human rights violations do not offer comprehensive redress to victims This title explores the influence of intersectionality theory on human rights in the modern era and traces the evolution of intersectionality as a theoretical framework in the United States and around the world It draws upon feminist theory and human rights jurisprudence to argue that scholars and activists have under utilized intersectionality theory in the global discourse of human rights As the central intergovernmental organization charged with the protection of human rights the United Nations has been slow to embrace the insights gained from intersectionality theory This work argues that the United Nations and other human rights organizations must more actively embrace intersectionality as an analytical framework in order to fully address the complexity of human rights violations around the world *Arctic Wars, Animal Rights, Endangered Peoples* Finn Lynge, 2002-06 This analysis of animal rights movements from a native and northern viewpoint focusses on Inuit groups and discusses cultural imperialism endangered species and a philosophy of wise use rather than no use of natural resources **Health, Rights and Globalisation** Belinda Bennett, 2017-03-02 This volume draws together essays from leading scholars on the challenges that arise for health law policy and ethics at the intersections of health rights and globalization The papers in this volume address global issues in public health globalization and bioethics and globalization and biotechnology This volume will be invaluable to all those interested in global issues in health *The*
