**Karen Ahlquist**

## **Rigoletto In Full Score:**

Rigoletto in Full Score ,2010-12-01      **La Sonnambula in Full Score** Vincenzo Bellini,2014-01-15 A favorite with audiences and musicians since its first performance in 1831 this tale of two lovers unfolds in an idyllic village setting Bellini was one of the most popular composers of his era and this opera is particularly admired for the simplicity and economy of its orchestration and its inspired lyricism      *Rigoletto* Giuseppe Verdi,2000-02 Opera Ricordi is proud to present the first titles in their new series of orchestral scores featuring engaging images from Casa Ricordi's historical archives and synopses in Italian English French and German In addition these scores feature heavier cover and paper stock plus stronger binding

**Rigoletto** Giuseppe Verdi,1992      **Four Coronation Anthems** George Frideric Handel,1999-01-01 Written in 1727 to accompany the ceremony during which George II ascended the English throne these anthems represent a true expression of Handel's genius This four part collection painstakingly reproduced from the authoritative Breitkopf The King shall rejoice My heart is inditing and the magnificent conclusion Let Thy hand be strengthened      **Arias, Ensembles, & Choruses** John Yaffé,David Daniels,2011-11-17 Conductors John Yaff and David Daniels have created a one stop sourcebook for orchestras opera companies conductors and librarians who research and or prepare programs of vocal excerpts such as solos ensembles and choruses for concert performance In this book readers will find detailed information on a vast repertoire of vocal pieces commonly extracted from operas operettas musicals and oratorios more than 1 750 excerpts from 450 parent works Modeled on Daniels Orchestral Music Arias Ensembles Choruses includes basic historical details about each parent work as well as extract titles subtitles voice types keys durations locations in the original work with page numbers in both full scores and piano vocal scores and exact instrumentation It also lists the publishers that make available the orchestral materials for just the excerpt being programmed independent of the full parent work Until now conductors and orchestra librarians commonly had to first leaf through full scores searching for one elusive three minute aria after another only to then consult multiple publishers catalogues to compile crucial information on all the excerpts proposed for a concert or recording This book constitutes a single source for finding that information In many cases the individual entries include valuable insider information on common performance practice including start and stop points transpositions and conventional cuts Searching for repertoire is made easy with the detailed title index and appendixes devoted to ensemble excerpts all categorized by personnel e g duets trios quartets quintets sextets choruses and language Czech English French German Italian Latin Russian This book is the ideal tool for the working conductor and orchestral librarian as well as music program directors at colleges and conservatories opera companies and symphony orchestras As of October 2015 a new printing of this book has occurred to correct errors in the index A PDF version of the new index is available to previous purchasers of the volume Please contact Rowman Littlefield's music editor for assistance      Brahms John Bell Young,2017-01-18 Engaging survey covers Brahms major orchestral choral and piano music culminating in a discussion of the German Requiem Commentary

places the composer's compelling music within the context of his era and environment      **Democracy at the Opera** Karen Ahlquist, 1997 Was there opera and just what was it like in New York City before the advent of the Metropolitan Opera Company In exploring these questions Karen Ahlquist describes the social cultural economic and esthetic factors that led to the assimilation of Italian opera a complex expensive genre of elitist reputation into New York's business oriented community with its English cultural heritage and sacred republican traditions In her lively description of opera as few today can imagine it Ahlquist considers Jacksonian era efforts to create a polite social setting the influence of a socially based clash between respectability and broad public access and the role of music in shaping not just reflecting social and cultural life      **Printed Opera Scores in American Libraries**, 1998      **Verdi** Victor Lederer, 2014-08-01 Unlocking the Masters Giuseppe Verdi's career forms one of the loveliest arcs in musical history The passion of his works resonates universally while the sophistication of his middle and late operas satisfies demanding ears and tastes In *Verdi The Operas and Choral Works* Victor Lederer surveys every one of the master's 28 operas and his greatest choral pieces showing Verdi's growth as a musical dramatist he would revolutionize the hidebound conventions of 19th century Italian opera and his single minded pursuit of dramatic truth After describing the chaotic milieu in which Verdi learned his craft the book provides act by act analyses of the early masterpieces *Nabucco* *Ernani* and *Macbeth* The neglected operas from the composer's self described years in the galleys are covered together Lederer then takes readers through the magnificent sequence of Verdi operas from *Luisa Miller* onward including the fine but underrated *Stiffelio* Each of the late operas *Don Carlo* *Aida* and *Otello* and *Falstaff* the twin Shakespearean masterworks that crown Verdi's oeuvre is discussed at length in its own chapter Lederer also examines Verdi's monumental *Requiem* along with the choral *Quattro pezzi sacri* Verdi's sublime final achievement The book comes with audio of musical selections representing highlights from throughout Verdi's long remarkable career      **Verdi's Middle Period** Martin Chusid, 1997 During the middle phase of his career 1849-1859 Verdi created some of his best loved and most frequently performed operas including *Luisa Miller* *Rigoletto* *Il trovatore* *La traviata* and *Un ballo in maschera* This was also the period in which he wrote his first completely original French grand opera *Les Vepres siciliennes* the first version of *Simon Boccanegra* and the intensely dramatic *Stiffelio* until recent years the most neglected of all Verdi's mature works for the operatic stage Featuring contributions from many of the most active Verdi scholars in the United States and Europe *Verdi's Middle Period* explores the operas composed during this period from three interlinked perspectives studies of the original source material cross disciplinary analyses of musical and textual issues and the relationship of performance practice to Verdi's musical and dramatic conception Both musicologists and serious opera buffs will enjoy this distinguished collection      **Musical Anthologies for Analytical Study** James E. Perone, 1995-09-30 Presenting detailed information about 14 standard anthologies this useful music reference tool lists all excerpts and complete compositions provides information concerning the type of score presented and includes an index of composers and sources as well as an index of complete

compositions and movements The book is designed primarily for researchers and teachers of music theory to make the search for analytical source material easier and faster than previously possible The anthologies cited are all currently in print or are generally available in music libraries The book lists all excerpts complete compositions and movements contained in the anthologies providing information concerning the type of score full piano reduction etc employed source of the excerpt and specific theoretical topics This is the only book that details anthologies in a manner that makes a search quick and easy

Dictionary Catalog of the Music Collection New York Public Library. Reference Department, 1964      The New Grove Masters of Italian Opera Philip Gossett, Friedrich Lippmann, Andrew Porter, 1983 These five biographies provide the first complete survey of Italian opera from the early buffo operas of Rossini to Verdi's great masterpieces Otello and Falstaff and the verismo operas of Puccini Andrew Porter has been highly praised for his original and enlightening account of Verdi and Philip Gossett has received similar acclaim for his treatment of Rossini Porter Gossett William Ashbrooke Julian Budden Mosco Carner and Friedrich Lippmann all acknowledged experts in the field of Italian opera combine to offer insight into the traditions and workings of one of the most fascinating periods in the history of opera Book jacket      Divas and Scholars Philip Gossett, 2024-05-31 Winner of the 2007 Otto Kinkeldey Award from the American Musicological Society and the 2007 Deems Taylor Award from the American Society of Composers Authors and Publishers Divas and Scholars is a dazzling and beguiling account of how opera comes to the stage filled with Philip Gossett's personal experiences of triumphant and even failed performances and suffused with his towering and tonic passion for music Writing as a fan a musician and a scholar Gossett the world's leading authority on the performance of Italian opera brings colorfully to life the problems and occasionally the scandals that attend the production of some of our most favorite operas Gossett begins by tracing the social history of nineteenth century Italian theaters in order to explain the nature of the musical scores from which performers have long worked He then illuminates the often hidden but crucial negotiations opera scholars and opera conductors and performers What does it mean to talk about performing from a critical edition How does one determine what music to perform when multiple versions of an opera exist What are the implications of omitting passages from an opera in a performance In addition to vexing questions such as these Gossett also tackles issues of ornamentation and transposition in vocal style the matters of translation and adaptation and even aspects of stage direction and set design Throughout this extensive and passionate work Gossett enlivens his history with reports from his own experiences with major opera companies at venues ranging from the Metropolitan and Santa Fe operas to the Rossini Opera Festival at Pesaro The result is a book that will enthrall both aficionados of Italian opera and newcomers seeking a reliable introduction to it in all its incomparable grandeur and timeless allure      **Multi-Voice Songs: A Selection** Johannes Brahms, 2017-05-17 Unaccompanied choral works composed or otherwise arranged by Brahms for mixed choruses as well as individual men's and women's choruses include songs love songs romances quartets and duets      **The National Union Catalog, Pre-1956**

**Imprints** Library of Congress, American Library Association. Committee on Resources of American Libraries. National Union Catalog Subcommittee, 1979

Performing Opera Michael Ewans, 2016-02-25 In *Performing Opera A Practical Guide for Singers and Directors* Michael Ewans provides a detailed and practical workbook to performing many of the most commonly produced operas Drawing on examples from twenty four operas ranging in period from Gluck and Mozart to Britten and Tippett it illustrates exactly how opera functions as dramatic form Grounded in close analyses of performances of thirty scenes and five whole operas by first rate singers and celebrated directors *Performing Opera* provides readers with an appreciation of the unique challenges and skills required by performers and directors It will assist them in their own performance and equip them with detailed knowledge of works most commonly featured in the repertoire In the first part of the book the analysis progresses from scenes in which the singers are silent via arias and monologues duets and confrontations up to ensembles Wider issues are subsequently addressed encounters with offstage events encounters with the numinous characterization and the sense of inevitability in tragic opera

An Index to Music in Selected Historical Anthologies of Western Art Music, Part 2 Mara Parker, 2019-01-01 An Index to Music in Selected Historical Anthologies of Western Art Music is the essential reference for music history and music theory instructors for finding specific listings and details for all the pieces included in more than 140 anthologies published between 1931 and 2016 Containing over 5 000 individual listings this concise book is an indispensable tool for teaching music history and theory Since many anthologies exist in multiple editions this Index provides instructors students and researchers with the means to locate specific compositions in both print and online anthologies This book includes listings by composer and title as well as indexes of authors titles and first lines of text for music from antiquity through the early twenty first century

**Rigoletto** Giuseppe Verdi, 2018-01-01 *Rigoletto* was first produced at the Teatro La Fenice Venice in 1851 and is generally seen as marking the beginning of Giuseppe Verdi's extraordinary middle period It was followed in quick succession by *Il trovatore* and *La traviata* and even after the great success of these two works Verdi regarded it as his best opera up to that time Based on Victor Hugo's play *Le Roi s'amuse* which was banned after its premiere in Paris in 1832 the opera faced considerable difficulties with local censors before performance was permitted In the story of the hunchbacked court jester and his beloved daughter Verdi believed he had found the greatest subject and perhaps the greatest drama of modern times The guide contains articles on the place of *Rigoletto* in Verdi's oeuvre and the background to its composition a detailed examination of its musical structure and a survey of its performance history including discussions of some of its most distinguished interpreters A further article highlights aspects of the opera's particularly Italian character The guide also includes the full Italian libretto with English translation sixteen pages of illustrations a musical thematic guide a bibliography and discography and DVD and website guides
