Dyer; James Whitcomb Riley,2017-08-19 **The Photographic Times** ,1900 Photopoetry 1845-2015 Michael Nott,2018-05-31 From amateur experiments in scrapbooks and stereographs to contemporary photobook collaborations between leading practitioners poets and photographers have created an art form that continues to evolve and deserves critical exploration Photopoetry 1845 2015 a Critical History represents the first account of this challenging and diverse body of work Nott traces the development of photopoetic collaboration from its roots in 19th century illustrative practices to the present day Focusing on work from the UK and US he examines how and why poets and photographers collaborate and explores the currents of exchange and engagement between poems and photographs on the page The book not only considers canonical figures but brings to light forgotten practitioners whose work questioned and shaped the relationship between word and image Photopoetry 1845 2015 a Critical History provides a new lens through which to explore poetry photography and the spaces between them **Clarence H. White and His World** Anne McCauley,2017-01-01 Restoring a gifted art photographer to his place in the American canon and in the process reshaping and expanding our understanding of early 20th century American photography Clarence H White 1871 1925 was one of the most influential art photographers and teachers of the early 20th century and a founding member of the Photo Secession This beautiful publication offers a new appraisal of White s contributions including his groundbreaking aesthetic experiments his commitment to the ideals of American socialism and his embrace of the expanding fields of photographic book and fashion illustration celebrity portraiture and advertising Based on extensive archival research the book challenges the idea of an abrupt rupture between prewar soft focus idealizing photography and postwar modernism to paint a more nuanced picture of American culture in the

Progressive era Clarence H White and His World begins with the artist s early work in Ohio which shares with the nascent Arts and Crafts movement the advocacy of hand production closeness to nature and the simple life White s involvement with the Photo Secession and his move to New York in 1906 mark a shift in his production as it grew to encompass commercial portraiture and an increasing commitment to teaching which ultimately led him to establish the first institutions in America to combine instruction in both technical and aesthetic aspects of photography The book also incorporates new formal and scientific analysis of White s work and techniques a complete exhibition record and many unpublished illustrations of the moody outdoor scenes and quiet images of domestic life for which he was revered Botanical Gazette John Merle
