Rim of christendom Herbert Eugene Bolton, 1960 *The Unconverted Self* Jonathan Boyarin, 2011-05-14 The *Unconverted Self* proposes that questions of difference inside Christian Europe not only are inseparable from the painful legacy of colonialism but also reveal Christian domination to be a fragile construct. Boyarin compares the Christian efforts aimed toward European Jews and toward indigenous peoples of the New World, bringing into focus the intersection of colonial expansion with the Inquisition and adding significant nuance to the entire question of the colonial encounter. Publisher description.

Peter Masten Dunne , Black Robes in Lower California Peter Masten Dunne, 2023-04-28 The Jesuit missions of Lower California 1697-1768 represent a pivotal chapter in the cultural and spiritual history of the Americas. *Black Robes in Lower California* brings together a detailed scholarly exploration of this seventy-year mission period, addressing both its successes and controversies. Drawing from an extensive array of primary documents, many newly available from archives in Spain, Mexico, and the United States, the book provides a comprehensive view of the Jesuits' efforts to establish Christian communities among the indigenous populations of Baja California. This study delves into the complex interplay of missionary fervor, cultural exchange, and the unintended consequences of European colonization, such as the decimation of indigenous populations due to disease and cultural disruption. With insights from modern historians and critics, the book reframes interpretations of Jesuit activities, offering a balanced perspective on their spiritual goals and the historical context in which they operated. Authoritative and meticulously researched, the volume acknowledges the diverse perspectives brought to bear on missionary history, from anthropological and biological critiques of cultural disruption to the theological convictions that shaped missionary endeavors. The narrative highlights the Jesuits' commitment to spiritual salvation and social advancement, detailing how they raised living standards, introduced agricultural techniques, and sought to alleviate suffering through education and Christian faith. At the same time, it confronts the broader implications of European influence on indigenous societies, recognizing the debates that persist among historians, scientists, and theologians. Enhanced by a wealth of archival material and the guidance of eminent scholars, *Black Robes in Lower California* stands as a vital resource for understanding the Jesuit legacy and its lasting impact on the history of the Americas. This title is part of UC Press's *Voices Revived* program, which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice, reach, and impact. Drawing on a backlist dating to 1893, *Voices Revived* makes high-quality, peer-reviewed scholarship accessible once again using print-on-demand technology. This title was originally published

Kessell, 1970 The Mission of Guevavi on the Santa Cruz River in what is now southern Arizona served as a focal point of Jesuit missionary endeavor among the Pima Indians on New Spain s far northwestern frontier For three quarters of a century from the first visit by the renowned Eusebio Francisco Kino in 1691 until the Jesuit Expulsion in 1767 the difficult process of replacing one culture with another the heart of the Spanish mission system went on at Guevavi Yet all but the initial years presided over by Father Kino have been forgotten Drawing upon archival materials in Mexico Spain and the United States including accounts by the missionaries themselves and the surviving pages of the Guevavi record books Kessell brings to life those forgotten years and forgotten men who struggled to transform a native rancher into an ordered mission community Of the eleven Black Robes who resided at Guevavi between 1701 and 1767 only a few are well known to history Others such as Joseph Garrucho who presided more years at Guevavi than any other Padre Alexandro Rapicani son of a favorite of Sweden s Queen Christina Custodio Zimeno Guevavi s last Jesuit have the details of their roles filled in here for the first time In this in depth study of a single missionary center Kessell describes in detail the daily round of the Padres in their activities as missionaries educators governors and intercessors among the often indifferent and occasionally hostile Pimas He discusses the Pima uprising of 1751 and the events that led up to it concluding that it actually continued sporadically for some ten years The growing ferocity of the Apache the disastrous results of certain government policies especially the removal of the Soba puri Indians from the San Pedro Valley and the declining native population due to a combination of enforced culture change and epidemics of European diseases are also carefully explored The story of Guevavi is one of continuing adversity and triumph It is the story finally of expulsion for the Jesuits and a few short years later the end of Mission Guevavi at the hands of the Apaches In Mission of Sorrows Kessell has projected meticulous research into a highly readable narrative to produce an
