Umphlett,2004 This is a sociocultural history of the visually oriented mass media forms that beguiled American society from the 1890s to the end of World War II The purpose of the work is to show how revolutionary technological advances during these years were instrumental in helping create a unique culture of media made origins By focusing on the communal appeal of both traditional and new modes of visual expression as welcome diversions from the harsh realities of life this book also attends to the American people s affinity for those special individuals whose talent vision and lifestyle introduced daring new ways to avoid the ordinariness of life by fantasizing it Also examined is the sociocultural impact of an ongoing democratization process that through its nurturing of a responsive media culture gradually eroded the polar postures of the elite and mass cultures so that by the mid 1940s signs of a coming postmodern alliance were in the air Illustrated Before his retirement Wiley Lee Umphlett served as an administrator professor at the University of West Florida for more than twenty five years The New York Times Book Review ,1973 *Born in the U. S. A.* Timothy E. Scheurer,2014-05-27 This is the first study to explore fully the myth of America as reflected in the nation s popular music Beginning with the songs of the Pilgrims and continuing through more than two centuries of history and music Born in the U S A shows the emerging American myth and gives a close reading of the compositions of songwriters as diverse as William Billings Henry Clay Work Irving Berlin Woody Guthrie Bob Dylan and Bruce Springsteen So that the full and diverse narrative of this complex nation might be recorded this insightful study is focused both upon the national myth and upon the songwriters and performers representing subcultures and alternative viewpoints that are the text of America s story Through hymnlike paeans and through discordant lamentations protesting the realities of the contemporary workaday world popular music is an

astounding mirror of American history      *The Black Pacific Narrative* Etsuko Taketani, 2014-11-04 The Black Pacific Narrative Geographic Imaginings of Race and Empire between the World Wars chronicles the profound shift in geographic imaginings that occurred in African American culture as the United States evolved into a bioceanic global power The author examines the narrative of the black Pacific \_the literary and cultural production of African American narratives in the face of America s efforts to internationalize the Pacific and to institute a Pacific Community reflecting a vision of a hemispheric regional order initiated and led by the United States The black Pacific was imagined in counterpoint to this regional order in the making which would ultimately be challenged by the Pacific War The principal subjects of study include such literary and cultural figures as James Weldon Johnson George S Schuyler artists of the black Federal Theatre Project Langston Hughes W E B Du Bois and Walter White all of whom afford significant points of entry to a critical understanding of the stakes of the black Pacific narrative Adopting an approach that mixes the archival and the interpretive the author seeks to recover the black Pacific produced by African American narratives narratives that were significant enough in their time to warrant surveillance and suspicion and hence are significant enough in our time to warrant scholarly attention and reappraisal A compelling study that will appeal to a broad international audience of students and scholars of American studies African American studies American literature and imperialism and colonialism      **The 1930s** J.B. Bennington, Zenia Sacks DaSilva, 2016-04-26 In 2010 Hofstra University celebrated its 75th anniversary inviting scholars to the campus to discuss the world as it was in the year Hofstra was founded The conference 1935 The Reality and the Promise provided a wide ranging exploration of the 1930s with presentations discussions and events highlighting the arts entertainment society politics literature and science in that momentous decade This volume encompasses a selection of the most interesting and enlightening papers from this conference providing both depth and breadth of coverage By any measure the 1930s was a pivotal decade in modern history a time when the reality of current events and the foreshadowing of events to come tempered all promise The tension between reality and promise is a recurrent theme in the chapters brought together here as well as in the personalities and faces that came to define this decade      **Swing City** Barbara J. Kukla, 2002 New Jersey is one of the smallest and most densely populated states yet the remarkable diversity of its birdlife surpasses that of many larger states Well over 400 species of birds have been recorded in New Jersey and an active birder can hope to see more than 300 species in a year William J Boyle has updated his classic guide to birding in New Jersey featuring all new maps and ten new illustrations The book is an invaluable companion for every birder novice or experienced New Jerseyan or visitor A Guide to Bird Finding in New Jersey features More than 130 top birding spots described in detail Clear maps travel directions species lists and notes on birding An annotated list of the frequency and abundance of the state s birds including waterbirds pelagic birds raptors migrating birds and northern and southern birds at the edge of their usual ranges A comprehensive bibliography and index The guide also includes helpful information on Birding in New Jersey by season Telephone and internet
