Hanscom,Dennis Washburn,2016-05-31 The Affect of Difference is a collection of essays offering a new perspective on the history of race and racial ideologies in modern East Asia Contributors approach this subject through the exploration of everyday culture from a range of academic disciplines each working to show how race was made visible and present as a potential means of identification By analyzing artifacts from diverse media including travelogues records of speech photographs radio broadcasts surgical techniques tattoos anthropometric postcards fiction the popular press film and soundtracks an archive

that chronicles the quotidian experiences of the colonized their essays shed light on the politics of inclusion and exclusion that underpinned Japanese empire One way this volume sets itself apart is in its use of affect as a key analytical category Colonial politics depended heavily on the sentiments and moods aroused by media representations of race and authorities promoted strategies that included the colonized as imperial subjects while simultaneously excluding them on the basis of natural differences Chapters demonstrate how this dynamic operated by showing the close attention of empire to intimate matters including language dress sexuality family and hygiene The focus on affect elucidates the representational logic of both imperialist and racist discourses by providing a way to talk about inequalities that are not clear cut to show gradations of power or shifts in definitions of normality that are otherwise difficult to discern and to present a finely grained perspective on everyday life under racist empire It also alerts us to the subtle often unseen ways in which imperial or racist affects may operate beyond the reach of our methodologies Taken together the essays in this volume bring the case of Japanese empire into comparative proximity with other imperial situations and contribute to a deeper more sophisticated understanding of the role that race has played in East Asian empire The Unique Legacy of Weird Tales Justin Everett, Jeffrey H.
