## **Rise And Be Healed:**

Rise and Be Healed Chad MacDonald, 2017-03-09 In this book Chad MacDonald details how the miracle working power of God is available to every believer In a world racked with disease pain and suffering this timeless truth and message of divine healing and deliverance has never been more relevant As you read through the pages of Rise and Be Healed let faith arise and get ready to receive your miracle      **Rise and Be Healed** Peter McCall, Maryanne Lacy, 1992      Rise and Be Healed Mike Burnette, 2005-02 A powerful and impactful work calling the Church back to the ministry of healing Does God still heal Does God want to heal everyone Is healing for everyone Why are some healed and some not healed What is the source of sickness Can I receive healing      **Rise & be Healed!** Benny Hinn, 1991      **The Recording Locator**, 1986      *Rise and Be Healed* Barbara Caldwell Adkins, 2006-11      **Rise and Be Healed!** Chris Segun Onayinka, 2025-04-28 Healing is the Dinner Bell a famous quote by the 20th century healing evangelist Reverend Raymond T Richey who famously made that very important comment about the ministry of divine healing Divine healing remains a core part of God's purpose and plan even in the work of redemption Hence over the years we've endeavored to write along these lanes to speak along these lines and to regularly give information for believers to receive healing by faith Much of Jesus' ministry was characterized with a healing ministry In Acts 10:38 Peter in the house of Cornelius retorted how God anointed Jesus Nazareth with the Holy Ghost and with power who went about doing good and healing all that were oppressed of the devil for God was with him Remarkably too the Book of Acts was evidenced with such healings even up to the 28th chapter We are convinced that just like Brother Hagin Kenneth E Hagin the famous Word of Faith teacher did say that believers regularly should feed their faith along the lines of healing We believe that the information about healing cannot be enough it cannot be sufficient The Word of God should be taught regularly on this particular subject In this book we expand the subject of healing to see how believers can by faith receive God's healing power into their bodies and act upon it and see the results in their everyday life It won't just help the sick to be healed It will also aid the minister the one who by the grace of God seeks to help others to receive healing to also minister the same We trust that faith will be stirred in our hearts in this and healing will be received and the sick will rise and be healed in Jesus' name So take your study materials as we study the Word of God along these lanes At the same time release your faith and be healed I remain Multidimensionally Yours Chris Segun Onayinka      Rise Up Brenda Epperson-Moore, 2021-03-25 Rise Up is a book about joy a deep inner joy one can never achieve without God's grace and mercy By the time you've reached the end of this book you will be able to identify what's holding you back and move forward to reach solutions in your life You will build your faith breaking chains and the negative ideas you have about yourself will no longer have a stronghold over your life Those thoughts and lies will be replaced with the powerful truth of who you are and joy will begin to rise up inside of you You will receive practical tools and biblical principles that will ignite a new flame of hope in your life      **The Rise of the Antichrist** Lowell B. Hudson, 2018-11-13 Does the idea of Biblical Prophecy seem well

laughingly absurd galactically improbable Good It s supposed to seem that way In fact for Biblical prophecy to work properly its readers have to be highly skeptical Biblical prophecy requires even promotes uber skepticism at times to evoke the intended response in its readers The credibility of its message that its words were authored by God gains increased potency as the highly improbable happens again and again When the absurdly improbable actually occurs over and over in documented historically verifiable situations our fundamental assumptions are challenged We are confronted with the possibility that on a truly foundational level everything we thought we knew may really be wrong or radically incomplete That s what Biblical prophecy is about on a macro level That s its big idea Biblical prophecies also seek to warn about particularly important slices of future history Not because that future can be changed but so it can be met with integrity and intact faith This book is obviously focused on those Biblical prophecies involving the Antichrist s rise to power By using careful time honored traditional methods of Biblical investigation we ll have a serious and sober look at what the Scriptures really say about this future world ruler There are also some new discoveries that many would find surprising even shocking Now that s a lot to swallow all at once That the future is knowable on some level and that it s going to be so horrible Why would anyone want to believe this could happen Deep down I don t want to believe it It s so much easier to reject it than to allow it to threaten your whole frame of reference That tug of war that vague unease that s supposed to happen too It s Biblical prophecy doing its thing It takes a lot of guts to consider ideas that have the power to explode your comfortable world view If you decide to read this book remember it s ok to be skeptical It s absolutely required for a healthy mind But resist the awful temptation to reject out of hand Aside from being an addictive and lazy habit it just may deprive you someday of knowing that wonderful excruciating panic of having your mind blown open

The Rise of the Nebú Janis Frazier, 2021-11-27 In the late sixteenth century during the height of the African slave trade two young boys Ahoto and Chicha Kojo of the Nebu tribe were abducted and taken to America To prevent future abductions and to protect his village from invasions King Rami summoned the Spirit Gods who moved the village under the ground and hid them deep within the earth An unknown illness caused by toxic waste contaminates which had soaked into the ground from landfills on earth overtakes one of the children the grandson of the king and threatens to take his life The only thing that can save him is blood that contains the natural immunities found in people who live on the earth The main criteria however is that the donor must be a descendant of the Nebu tribe Thus begins the journey of two distant cousins Kim and Quinton as they are led by the Spirit Gods to the long hidden village of the Nebu to provide healing blood to the young relative The Rise of the Nebu takes its readers on a journey of danger faith and courage and most of all love of family It is through this union of the ancient and the new the recognition of future harm from the modern world and the desire to avoid extinction that the Nebu with the help of the Spirit Gods must decide to rise to the surface of the earth It is a journey that in the end will unite family from both within and on the surface of the earth a mystical family reunion

The Rise Of Divine Feminine Dr. Pretty Thakur, 2018-02-12 The Rise Of Divine Feminine is a dedication to all warriors of the light who sacrificed their lives for bringing forward the truth about what is so wrong in the world today The problems we face today collectively in the world are not the big things they are very small issues buried deep in the psyche of the human mind Our failure to understand this has led to the root of all our problems in the outer world This book attempts to bring to light these small issues of our mind and help us understand how the mind can be either our most
