Rise And Fall Of Victorian Servant:

The Rise and Fall of the Victorian Servant Pamela Horn, 1975 Servants formed the largest occupational group in the country at the end of the nineteenth century Pamela Horn draws upon a wealth of contemporary sources and servant books as well as personal reminiscences by servants and employers Domestic Servants and Households in Rochdale Edward Higgs, 2016-07-01 First published in 1986 At any one time in late nineteenth century England and Wales over one million men and women were described as domestic servants in the occupational category after agricultural work This title explores several aspects of domestic service in the area of Rochdale and the servant population is examined to discover who entered the service at what age and from what background they came This title will be of interest to students of history **Life Below Stairs: The Real Lives of Servants, the Edwardian Era to 1939** Pamela Horn, 2012-09-15 A fascinating glimpse of life below stairs This book tells the stories of the lives the people who lived and worked there Feminism and the Servant Problem Laura Schwartz, 2019-07-18 Reveals a hidden history of women s suffrage from the perspectives of working class women employed as domestic servants **The Servants' Story** Pamela Sambrook, 2016-11-15 A look at the personal lives of the people who served one of the richest families in Britain *Poisoned Lives* Katherine D. Watson, 2006-08-23 Here is a valuable and fascinating piece of social history Watson sheds new light on a macabre yet frequently misunderstood subject

Life Below Stairs: The Real Lives of Servants, 1939 to the Present Pamela Horn, 2014-03-15 The real lives of servants in the second half of the twentieth century **In the Service of Empire** Fae Dussart, 2022-01-27 Despite recent research the 19th century history of domestic service in empire and its wider implications is underexplored This book sheds new light on servants and their masters in the British Empire and in doing so offers new discourses on the colonial home imperial society identities and colonial culture Using a wide range of source material from private papers to newspaper articles official papers and court records Dussart explores the strategic nature of the relationship the connection between imperialism domesticity and a master servant paradigm that was deployed in different ways by varied actors often neglected in the historical record Positioned outside the family but inside the private place of the home the domestic servant was often the foil against which 19th century contemporaries worked out class race and gender identities across metropole and colony creating those places in the process The role of domestic servants in empire thus lay not only in the labour they undertook but also in the way the servant master relationship constituted ground that helped other power relations to be imagined and contested Dussart explores the domestic service relationship in 19th century Britain and India considering how ideas about servants and their masters and or mistresses spanned imperial space and shaped peoples and places within it *Labour united and divided from the 1830s to the present* Emmanuelle Avril, Yann Béliard, 2018-08-31 This book seeks to renew and expand the field of British labour studies setting out new avenues for research so as to widen the audience and academic interest in the field in a context which makes the revisiting of past struggles and dilemmas more pressing than ever

Women, Social Leadership, and the Second World War James Hinton, 2002-11-21 The associational life of middle class women in twentieth century England has been largely ignored by historians During the Second World War women s clubs guilds and institutes provided a basis for the mobilization of up to a million women mainly housewives into unpaid part time work Women s Voluntary Service which was set up by the Government in 1938 to organize this work generated a rich archive of reports and correspondence which provide the social historian with a unique window into the female public sphere Questioning the view that the Second World War served to democratize English society James Hinton shows how the war enabled middle class social leaders to reinforce their claims to authority Displaying character through their voluntary work the leisured women at the centre of this study made themselves indispensable to the war effort James Hinton delineates these continuities of class reconstructing intimate portraits of local female social leadership in contrasting settings across provincial England towns large and small shire counties the Durham coalfield tracing complex and often acerbic rivalries within the voluntary sector and uncovering gulfs of mutual distrust and incomprehension dividing publicly active women along gendered frontiers of class and party This study reminds us how much Britain s wartime mobilization relied on a Victorian ethos of public service to cope with the profoundly un Victorian problems of total war The women s associations so evocatively explored here reached the apex of their effectiveness during the Second World War sustaining an uneasy balance between voluntarism and the expanding power of the state In the longer term female social leaders found themselves marginalized by bureaucracy and professionalization The stories told here demonstrate that the Second World War changed English society far less than is often assumed It was not until the 1950s and 1960s that practices and attitudes laid down in the nineteenth century finally lost their purchase

Masters and servants Claire Lowrie, 2016-05-01 Illustrates the centrality of domestic politics to colonial rule and the ways in which mastery over servants was a key expression of colonial power

Menials Kristina Booker, 2017-11-20 *Menials* argues that British writers of the long eighteenth century projected their era s economic and social anxieties onto domestic servants Confronting the emergence of controversial principles like self interest emulation and luxury writers from Eliza Haywood Daniel Defoe and Samuel Richardson to Mary Shelley Charles Dickens and William Thackeray used literary servants to critique what they saw as problematic economic and social practices A cultural history of economic ideology as well as a literary history of domestic service *Menials* traces the role of the domestic servant as a representation of the relationship between the master s ideal self and the cultural forces that threaten it

Servants and Masters in 18th-Century France Sarah C. Maza, 2014-07-14 Here is the first major study of domestic service in France from the late seventeenth century to the early nineteenth century describing its transformation from a male oriented occupation aristocratic in style and often geared to public display to one that was female middle class and centered on the household Originally published in 1984 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These

editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 *Sex and Class in Women's History* Judith L. Newton, Mary P. Ryan, Judith R. Walkowitz, 2013-01-03 The essays collected in this volume reflect the upsurge of interest in the research and writing of feminist history in the 1970s 80s and illustrate the developments which have taken place in the types of questions asked the methodologies employed and the scope and sophistication of the analytical approaches which have been adopted Focusing on women in nineteenth century Britain and America this book includes work by scholars in both countries and takes its place in a long history of Anglo American debate The collection adopts the doubled vision of feminist theory the view that it is the simultaneous operation of relations of class and of sex gender that perpetuate both patriarchy and capitalism This view informs a wide variety of contributions from *Class and Gender in Victorian England* to *Servants Sexual Relations and the Risks of Illegitimacy* *Free Black Women The Power of Women s Networks and Socialism* *Feminism and Sexual Antagonism in the London Tailoring Trade* Both the vigour and the urgency of scholarship infused with social aims can be clearly felt in the essays collected here *The Politics of Domestic Authority in Britain since 1800* L. Delap, B. Griffin, A. Wills, 2009-08-13 This collection of essays explores the broad range of influences which have shaped the distribution of authority within British homes and families religion commercial advertising governments welfare professionals medical experts psychologists and the law *Cruelty and Companionship* A. James Hammerton, 2002-09-11 *Cruelty and Companionship* is an account of the intimate but darker sides of marriage in Victorian and Edwardian England Hammerton draws upon previously unpublished material from the records of the divorce court and magistrates courts to challenge many popular views about changing family patterns His findings open a rare window onto the sexual politics of everyday life and the routine tensions which conditioned marriage in middle and working class families Using contemporary evidence ranging from prescriptive texts and public debate to autobiography and fiction Hammerton examines the intense public scrutiny which accompanied the routine exposure of marital breakdown and charts a growing critique of men s behaviour in marriage which increasingly demanded regulation and reform The critical discourse which resulted ranging from paternalist to feminist casts new light on the origins and trajectory of nineteenth century feminism legal change and our understanding of the changing expression of masculinity **Murder at No. 4 Euston Square** Sinclair McKay, 2018-09-04 A chilling true crime story of a baffling boarding house murder in Victorian London and the stunning secrets revealed by the investigation Someone must have known what happened to Matilda Hacker For someone in that house had killed her So how could the murderer prove so elusive Standing four storeys tall in an elegant Bloomsbury terrace No 4 Euston Square was a well kept respectable boarding house But beneath this genteel Victorian London veneer lay murderous intrigue On 9 May 1879 the body of a former resident Matilda Hacker was discovered by chance in the coal cellar The ensuing investigation led by

Inspector Charles Hagen rising star of the recently formed CID stripped bare the dark side of Victorian domesticity In this true crime story Sinclair McKay meticulously evaluates the evidence in first hand sources His gripping account sheds new light on a mystery that eluded Scotland Yard Praise for Murder at No 4 Euston Square With the gusto of a penny dreadful Murder at No 4 Euston Road dodges any stodgy courtroom testimony that can weigh down true crime stories and sticks to the juicy details It is hard to avoid the comparison with Kate Summerscale's *The Suspicions of Mr Whicher* and it has similar historical richness and plot twisting *The Spectator* UK Sinclair McKay is an accomplished and talented author with a rare skill True crime fans and history buffs will enjoy this book coming away with an enthralling true crime story and a new knowledge and understanding of Victorian London *Crime Traveller* UK Gripping gothic and deeply poignant *The Mail on Sunday* UK A meticulously researched book *Brian Viner Daily Mail* UK
