

H I S T O R Y
OF THE
RISE, PROGRESS AND TERMINATION
OF THE
AMERICAN REVOLUTION.

INTERPERSED WITH
Biographical, Political and Moral Observations.

IN THREE VOLUMES.

BY MRS. MERCY WARREN,
OF PLIMOUTH, (MASS.)

Trusted no more, I
perished, but not in despair; I perished, but not forgotten;
and I live, but not forgotten.

O God, I the poor was born,
And not to die, but to live with thee,
Waiting for thee.

W. L. G. F. R. A. S.

Rise And Progress Of The Ameri:

History of the Rise, Progress and Termination of the American Revolution Mercy Otis Warren, 1805 **History of the Rise, Progress, and Termination of the American Revolution** Mercy Otis Warren, 2021-04-11 In *History of the Rise Progress and Termination of the American Revolution* Mercy Otis Warren delivers a meticulous account of America's journey to independence employing a narrative style that is both analytical and evocative. This work is distinguished by its firsthand perspective and critical examination of political events drawing from her connections with prominent revolutionary figures. Warren's historical context is enriched by the societal upheavals of the late 18th century as she documents not just the military conflicts but also the ideological battles that shaped the nation thereby intertwining personal anecdotes with broad political analysis. Mercy Otis Warren a pioneering woman in the realm of political literature was deeply influenced by her correspondence with key Revolutionary leaders including George Washington and John Adams. A staunch advocate for freedom and women's education her scholarly pursuits stemmed from a desire to contribute to the nation's historical narrative offering insights that were often overlooked by her male counterparts. Her position as a playwright and historian allowed her to creatively engage with the ideas of liberty governance and civic responsibility. I highly recommend this book to those interested in an authoritative account of the American Revolution from a woman's perspective. Warren's nuanced insights illuminate the complexities of the era making it a vital read for anyone seeking to understand the multifaceted nature of American history and the contributions of women in shaping it.
