**The New Chosen People, Revised and Expanded Edition** William W. Klein, 2015-11-25 Controversy rages on about God's choosing people for salvation Are only the few elect Rather than typically beginning with the preconceptions of systematic theologies Dr William Klein takes up this question by searching for a biblical theology of election He surveys the OT contexts of God's choosing individuals prophets priests kings to serve divine purposes and considers God's election of the nation of Israel as his special people This OT study proposes that God's election is both individual and corporate but not always determinative Individuals entered the people of God by birth but not all the people found salvation Faith in Yahweh was required This book traces these elective understandings through the intertestamental literature identifying continuities and shifts The bulk of the study and the heart of the argument focus on the New Testament Klein identifies concepts of election and relationships between writers in the gospels the Lucan material Paul's writings and the rest The new covenant God choosing the church in Christ emphasizes election as corporate while the individual election of Jesus disciples and of Paul raises the question whether such chosenness is necessarily salvific In closing Klein discusses the most engaging and divisive questions around God's election and offers a real challenge to today's church A Legend in Me Paul M

Mahlobogwane, 2016-08-09 This book is written as a reminder to us that even if we go through predicaments of life but we should not forfeit our God-given dreams for anything It reminds us of the fact that even if you lose everything in life but you are still something created for something divine in life therefore don't forfeit your life or your God-given dream When God first laid this dream in you he knew beforehand that when you discovered it circumstances will not be relevant for you This book tries to highlight the value of raising our hand high to Christ in praise and not in protest for there's power in raising your hands in praise even in the midst of challenges It also explains who Christ in our life it answers the question asked by Jesus to his disciples but who do people say that I am and who do you say that I am When God gave Joseph a dream he knew beforehand that circumstances will not be relevant for him also And from the pit to prison but God made him a Prime Minister The book explains the value of life and the value of your God-given dream and why we should always remain true to our conviction *Spurgeon's Sermons Volume 15: 1869* Charles Haddon Spurgeon, 2017-10-07 Charles Spurgeon was one of the most evangelical and puritan of protestant ministers in the 19th century In the fifteenth volume of these series of sermons these charismatic and inspiring sermons are enough to encourage convict and inspire anyone who seeks a closer

**Revive! the Oracles of God** Ozakieoniso Charlie,2013-05-08 I believe that the next revival will come on a personal level for everyone who will pick up his or her bible daily to read study and meditate Engage in personal times of prayer day and night move from selfish Christianity to the place of personal service of others and the will and purpose of the Lord Throughout the Bible we see the Lord moved in the situation of his people when they return to the ordinances of His word for guidance in correction of their ways or even for a new beginning when they have engaged God in prayer and when they have stepped out to do his will I believe that these three constants of our Christian faith also double as oracles of God because in them the power of God is made alive divine answers messages and burdens are granted to those who will diligently ask seek and knock I believe that these three are oracles in their individual standings but never to be practiced individually Rather when all three are embraced as a lifestyle there will be a threefold release of the power of God Revival will break forth within individuals and hence the entire body of Christ This book is a holy cry for the people of God to avail themselves of these one on one connections with the almighty Through his oracles      **Glimpses of the truth as it is in Jesus** Octavius Winslow,1847      *A Christian Student's Survival Guide* Ph D Dr Robert a Morey,2010-07      Peoples and Places Matthew Hirt,2022-05-27 Jesus s final command to his disciples was to make disciples of all nations But who are the nations How do we know we are being obedient to the task Do our current lists of ethnolinguistic people groups sufficiently answer the question For the last fifty years missiologists and missionaries have discussed this topic but much of the conversation has been focused on definitions that give little attention to biblical theology When we explore how the Bible describes the nations we find some other categories that have been overlooked forgotten or set aside in the development of missions strategy Geography is one of these categories However this is not simply bringing current geo political entities back into our missions strategy Instead Matthew Hirt is calling on missiologists missions researchers and missionaries on the field to discover how people groups identify their own geographies and in turn how that geography contributes to a people group s identity

Hearing the Gospel through Charles Dickens's "A Christmas Carol" Reverend Cheryl Anne Kincaid,2009-12-14 Most people don t realize Charles Dickens has a biblical foundation Each of the spirits that appear in A Christmas Carol directly correlates with an Advent lesson that is found in the Church of England s Book of Common Prayer Perhaps that is what attracts Christians to the story of A Christmas Carol Every Advent Christians revisit this old Victorian moral story with its images of snow covered English cobblestone streets the sentimentally portrayed ragged poor and its familiar story line doesn t seem to grow tiresome through the years We revisit this story because it echoes with the ancient lessons of Advent Hearing the Gospel Through Charles Dickens s A Christmas Carol is a Christian devotional that uses A Christmas Carol as a tool to teach the ancient Advent lessons of Hope Faith Peace Love and Joy Each week s devotion begins with a section from A Christmas Carol which dramatizes the Advent Lesson and is followed with a scriptural Advent lesson from the Church of

England's Book of Prayer The word Ebenezer is defined in scripture as The Lord is my help 1 Samuel 7:1-2 As we travel through Ebenezer's redemptive healing journey the devotional invites the participants to examine how Christ is born in their past present and future As a Christian pastor I am grieved that the modern evangelical church has diminished the Advent season to a single Christmas Eve service or Christmas Sunday service As a community we no longer spend time preparing our hearts for the season of Christ coming This devotional is for Christians to use as private and family devotions to prepare themselves for the Advent season

**Shiggaion** Michael O. Edwards, Prayer is not preparation for the battle it is the battle This is why the enemy will first take away the prayer life of any Christian he wants to finish up Once that prayer life is finished all other things are easy If you notice that your prayer life is going down know that the Holy Spirit is blowing an alarm indicating that there is a renewed battle against you You must stand up and start fighting Let it be clear to you that the flesh does not want to pray It is not interested in it so you have to force it The Imprecatory Psalms upon which this prayer book focuses can be confusing with their cries for vengeance upon Israel's or the psalmist's enemies Basically we need to realize that calls for justice are absolutely right and remind us how important God's holiness and justice are But secondly we need to recognize that even though we as Christians need to pray these Psalms as longings for judgment social justice and hatred against the powers and principalities and we must not pray them directly against

human beings or those who have committed social ills against us but direct them against evil powers and spiritual enemies Our prayer and fasting manual and theme this year is called Shiggaion This is because it focuses a lot on the prayers from the psalms and the aggressive prayers of the psalmist Feasting on the Gospels--Luke, Volume 1 Cynthia A. Jarvis,E. Elizabeth Johnson,2014-10-06 Feasting on the Gospels is a new seven volume series that follows up on the success of the Feasting on the Word series to provide another trusted preaching resource this time on the most prominent and preached upon most preached upon books in the Bible the four Gospels With contributions from a diverse and respected group of scholars and pastors Feasting on the Gospels includes completely new material that covers every single passage in the Gospels making it suitable for both pastors who preach from the lectionary and pastors who do not Moreover these volumes incorporate the unique format of Feasting on the Word giving preachers four perspectives to choose from for each Gospel passage theological pastoral exegetical and homiletical Feasting on the Gospels offers a unique resource for all who preach either continuously or occasionally on the Gospels **The Encyclopedia of Practical Christianity** Robert A. Morey,2003-11 What does God want you to know be and do as an individual family church and nation This question occupies the Bible from Genesis to Revelation Indeed you could divide all the verses in the Bible into four groups These are verses that address Individual Families Churches Nations *The Rise and Fall of Jesus* Steuart Campbell,2009 *The Western Christian Advocate* ,1909 Christian Solar Symbolism and Jesus the Sun of Justice Kevin Duffy,2022-02-24 This pioneering study of Christian sun symbolism describes how biblical light motifs were taken up with energy in the early Church Kevin Duffy argues that living in a world of 24 7 illumination we need to reconnect with the sun and its light to appreciate the meaning of light in the Bible and Christian tradition With such a retrieval we can appreciate Pope Francis s insistence that like the moon the Church does not shine with its own light and assess the claim that the Eucharist is to be celebrated Ad Orientem that is towards the rising sun in the East Liturgy architecture poetry and the writings of saints and theologians such as Augustine Hildegard of Bingen Francis of Assisi and Thomas Traherne offer abundant resources for a much needed ressourcement While Christ was preached as the True Sun among sun worshipping Aztecs and the consecrated host was placed in a solar monstrance on Baroque altars in the modern era solar themes have been neglected In this accessible work the author suggests that we rebalance a spiritual symbolism that has over emphasised darkness and cloud at the expense of light and sun He proposes a creative retrieval of the traditional title of Christ as the Sun of Justice This title blends the personal the social and the cosmic ecological and speaks powerfully to a secularising era that contemporaries Friedrich Nietzsche and Th r se of Lisieux both described as one where the sun does not shine
