Chasity is the oldest daughter and side baby of multi millionaire Chaz Arrington She lives a much more lavish life than your average teenager staying laced in the latest designer clothes and flashiest jewelry She has everything she needs but she's still missing the one thing every girl longs for real love Even being raised in a million dollar mansion can't fill the void that comes with never knowing her mother Growing up in a house with her evil stepmother only makes her feel like an outcast even though she's the apple of her dad's eye Even so with her dad's frequent trips to see his long time mistress and her aunt living over 2 000 miles away Chasity often feels neglected

King Anderson is the definition of a young self made boss At only the age of 16 the death of his father forced him to take over the family advertising agency At the time the business was taking a spiral downhill and going broke King turned to the streets determined to make quick cash and launder it to look like the company was progressing and before he knew it business was booming Now at the age of 21 King is the owner of a million dollar legit business and a multi million dollar street business He's able to spoil his mother and younger siblings with anything they want and need so for him

everything is perfect Everything besides the constant nagging from his mom telling him to find someone to make him happy Everyone in Pennsylvania knows of King so women flocked to him The problem is King knows they re all the same looking to build a name and make a quick come up He refuses to be anybody s bank ride and honestly he s happy making his family happy At least that s what he thinks until he meets Chasity Chasity and King cross paths by accident and are instantly drawn to each other As if they were created for one another the chemistry between them is undeniable Even when chaos breaks out in their individual worlds they re still able to find peace together But when Chaz gets caught up on the street side of King s business he threatens to take the whole empire down leaving Chasity to pick a side Will Chasity help the two men in her life finally see eye to eye or will she risk it all for the love of a king *Risking It All For The Love Of A Boss 2* Naya

Morgan,2019-02-06 In the finale of *Risking it All for the Love of a Boss* limits will be tested and lines will be crossed Chasity s older brother returns with questions about his mother s death and he won t stop until he gets them She feels genuinely bad for her brother but refuses to admit her sins Chaz feels torn between his children Yet when he feels forced to pick a side he does without a second thought shocking everyone including himself by what comes out of his mouth King goes to get his baby sister and is devastated to find out she s going through a withdrawal from coke To make matters worse his little brother is still dedicated to being in the streets While King is busy trying to steer him the other way there s a lot of slick stuff going on behind his back With his name floating around the police station the stress level is high and the pressure is on Chasity and King vow to love each other for as long as they live That is until King finds out that Chasity has been hiding a huge secret from him and is ready to do something unforgivable He walks out on her and doesn t look back Will he be able to love her through the hurt and give her a second chance or will she be forced to let go of the boss she risked it all for *Risking It All* Heather E.
