Eucharistic Sacramentality in an Ecumenical Context David J. Kennedy, 2016-04-22 This book explores the epiclesis or invocation of the Holy Spirit in the Eucharistic Prayer using the Anglican tradition as an historical model of a communion of churches in conscious theological and liturgical dialogue with Christian antiquity Incorporating major studies of England North America and the Indian sub Continent the author includes an exposition of Inter Church ecumenical dialogue and the historic divisions between western and eastern Eucharistic traditions and twentieth century ecumenical endeavour This unique study of the relationship between theology and liturgical text commends a theology and spirituality which celebrates the presence of the Holy Spirit in the Eucharist as present and eschatological gift It thus sets historic contemporary and ecumenical divisions in a new theological context Peter Akinola: Who Blinks First? Gbenga Gbesan, 2020-03-30 To the astonishment and dismay of Anglican leadership in the Global North Nigeria's Archbishop Peter Akinola led the Global South's revolt against the campaign to normalize homosexuality within the global Anglican communion For this he was twice recognized by Time magazine as one of the 100 Most Influential People on earth As shepherd of an immense Nigerian flock he joined arms with like minded archbishops in Africa Asia and South America to insist that the church be guided by the Bible rather than culture Here is the remarkable story of this conflict from its social beginnings in nineteenth century Germany through the renegade behavior of national churches in Canada the United States and the United Kingdom on to gatherings addressing the issues from Dromantine Northern Ireland to Kuala Lumpur Malaysia At one point Archbishop of Canterbury Rowan Williams who had been enabling the progressives challenged Archbishop Akinola We shall see who blinks first Since that day it is clear that neither Akinola nor his colleagues have blinked Indeed through the formation of GAFCON Global Anglican Future Conference and union with biblically faithful Anglicans in the Global North they are pressing their cause with an eye toward the next decennial assembly of bishops at Lambeth **Sing a New Song** Julie H.

often less easily demonstrated and proven hence less easily prosecuted With a focus on minority religions the book offers a comparative overview of the concept of religious fraud by bringing together analyses of different types of fraud or deception financial bio medical emotional breach of trust and consent Contributors examine whether fraud is necessarily intentional or whether that is in the eye of the beholder certain structures may be more conducive to fraud followers willingly participate in it The volume includes some chapters focused on non Western beliefs Juju Occult Economies Dharma Lineage which have travelled to the West and can be found in North American and European metropolitan areas **Canadiana** ,1987
