Theatre Smith-Gilmour Archives, Robin Patterson, Michele Smith, Dean Gilmour, Theatre Beyond Words, 1987 **Spring and Autumn Historiography** Newell Ann Van Auken, 2023-03-14 The Spring and Autumn is an annals text composed of brief records covering the period 722-479 BCE and written from the perspective of the ancient Chinese state of Lu A long neglected part of the Chinese canon it is traditionally ascribed to Confucius who is said to have embedded his evaluations of events within the text However the formulaic and impersonal records do not resemble the repository of moral judgments that they are alleged to be Driven by her discovery that the Spring and Autumn is governed by a system of rules Newell Ann Van Auken argues that Lu record keepers not a later editor produced the formally regular core of the text She demonstrates that the Spring and Autumn employs formulaic phrasing and selective omission to encode the priorities of Lu and to communicate the relative importance of individuals states and events and that many of its records are derived from diplomatic

announcements received in Lu from regional states and the Zhou court The Spring and Autumn is fundamentally a document designed to enhance the prestige of Lu and its records reveal a profound concern with relative rank displaying an idealized hierarchy that positions the state of Lu and its rulers at the apex By establishing the Spring and Autumn as a genuine Bronze Age record this book transforms our understanding of its significance and purpose and also offers new approaches to the study of ancient annals in early China and elsewhere **Rites of Spring** Bern Porter,1997 *The New Statesman* ,1927
