Sacred Passions Carol A. Hess, 2005 This biography offers a fresh understanding of the life and work of Spanish composer Manuel de Falla 1876 1946 recognized as the greatest composer in the Spanish cultural renaissance that extended from the latter part of the 19th century until the outbreak of the Spanish Civil War in 1936 The biography incorporates recent research on Falla draws on untapped sources in the Falla archives reevaluates Falla's work in terms of current issues in musicology and considers Falla's accomplishments in their historical and cultural contexts *Music for Piano* F. E. Kirby, 2023-09-21 This historical survey focuses on music for piano solo but also includes important compositions for piano duet and two pianos Scholarly yet readable it covers the entire repertoire from the Renaissance to the late 20th century and incorporates a bibliography of 1 100 sources for further study

El amor brujo Manuel de Falla, 2005-01-01 Although influenced by the impressionism of Debussy Dukas and Ravel Manuel de Falla 1876 1946 remained distinctively Spanish with roots that drew upon both Andalusian folk music and his

country's classical traditions. With these two popular ballets *El Amor Brujo* (Love the Magician) and *El Sombrero de Tres Picos* (The Three Cornered Hat) he brought the world's attention to the music of Spain. In *El Amor Brujo* a gypsy lass is haunted by the ghost of a former swain until her new lover devises a plan to entice the spirit away. Each of the ballet's scenes evokes a different mood that is seamlessly woven into a brilliant musical tapestry. *El Sombrero de Tres Picos* recounts an elderly man's comic and frustrating attempts to seduce a miller's wife. Its premiere produced by Diaghilev for the Ballets Russe with choreography by Massine and designs by Picasso met with an instant and lasting success. Falla himself made these arrangements of the complete ballets for piano solo. Several of the individual pieces have become standards in the solo piano repertoire including *The Neighbour's Dance* and the great favorite *Ritual Fire Dance*.

The International Cyclopedia of Music and Musicians Oscar Thompson, 1975 Notes Music Library Association, 2004 Lorca in Tune with Falla Nelson R. Orringer, 2014-02-05

Federico Garc a Lorca 1889-1936 is widely regarded as the greatest Spanish poet of the twentieth century. Manuel de Falla 1876-1946 is Spain's most performed composer of the same period. The two were very different. Lorca was gay, liberal and a member of the avant-garde while Falla was a devout Catholic yet they had a profound mutual influence. The two developed an intimate friendship which ended when Lorca was shot by Nationalist forces at the beginning of the Spanish Civil War. *Lorca in Tune with Falla* is the first book to trace Lorca's impact on Falla's music and Falla's influence on Lorca's writings. Nelson R. Orringer explores the music underlying *Poem of Deep Song*, *Gypsy Ballads* and *Lament for Ignacio S nchez Mej a* as bringing out the analogous sounds and ideas that emerge in the active ongoing connection between the artworks of both creators. The book emphasizes how this harmony increases knowledge and appreciation of both artists.

The Musical Times, 1927 Orchestral Pops Music Lucy Manning, 2008-12-23

This is a new reference handbook for conductors and orchestral librarians searching for available repertoire for orchestral pops concerts. Various appendixes allow for easy cross-referencing for efficient searches.

State, 1993 *French Music Since Berlioz* Caroline Potter, 2017-07-05

French Music Since Berlioz explores key developments in French classical music during the nineteenth and twentieth centuries. This volume draws on the expertise of a range of French music scholars who provide their own perspectives on particular aspects of the subject. D re Donnellon's introduction discusses important issues and debates in French classical music of the period, highlights key figures and institutions and provides a context for the chapters that follow. The first two of these are concerned with opera in the nineteenth and twentieth centuries respectively, addressed by Thomas Cooper for the nineteenth century and Richard Langham Smith for the twentieth. Timothy Jones's chapter follows which assesses the French contribution to those most Germanic of genres: nineteenth-century chamber music and symphonies. The quintessentially French tradition of the nineteenth-century salon is the subject of James Ross's chapter while the more sacred setting of Paris's most musically significant churches and the contribution of their organists is the focus of Nigel Simeone's essay. The transition from the nineteenth to the twentieth century is explored by Roy Howat through a detailed look at four

leading figures of this time Faur Chabrier Debussy and Ravel Robert Orledge follows with a later group of composers Satie Les Six and examines the role of the media in promoting French music The 1930s and in particular the composers associated with Jeune France are discussed by Deborah Mawer while Caroline Potter investigates Parisian musical life during the Second World War The book closes with two chapters that bring us to the present day Peter O Hagan surveys the enormous contribution to French music of Pierre Boulez and Caroline Potter examines trends since 1945 Aimed at teachers and students of French music history as well as performers and the inquisitive concert and opera goer French Music Since Berlioz is an essential companion for an Catalog of Copyright Entries Library of Congress.
