Seduced In Seattle:

SEDUCED IN SEATTLE Kristin Gabriel,2014-02-15 Can a skirt really act as a man magnet Kate Talavera is a true believer After all the skirt has already snared husbands for her two best friends So when seriously sexy Brock Gannon storms back into her life after twelve years and makes it plain that he has seduction on his mind she thinks he s the one Only little does Kate guess that Brock s only after the skirt *Grounds for Seduction* Shelli Stevens,2017-03-27 Madison Phillips is focused on making her new coffee shop a success She also wouldn t mind if the sexiest cop in Seattle Gabriel Martinez would start seeing her as more than just his best friend s little sister When her shop gets robbed and she s the only one who can identify the increasingly violent Espresso Bandit Gabe s there to keep her safe Having Gabe act as her personal bodyguard is certainly no hardship and Maddy s ready to try anything to tempt him into providing some hands on protection This title was previously published It s been significantly revised with new scenes added Each book in the Seattle Steam series is STANDALONE *Grounds for Seduction* Tempting Adam *Seducing Allie* **THE SEDUCTION OF SYDNEY** Jamie Denton,2011-07-15 **BLAZE** Red hot reads from Temptation **THE SEDUCTION** For weeks Derek Buchanan has been trying to tell gorgeous leggy pal Sydney Travers that he loves her And he s planning on seducing her But even Derek s surprised when one night the softhearted veterinarian turns to him for comfort and they have the most incredible sex Three times **THE SECRET** Sydney is shocked Derek is her best friend the buddy who s held her hand through a string of disastrous blind dates Making love was a huge mistake Now Derek knows all her fantasies and secrets except the one about wanting a baby on her own No strings no commitment And Sydney has a feeling Derek s going to have a lot more than seduction on his mind when he discovers she s expecting **Seducing Allie** Shelli Stevens,2017-06-05 Allison Siegel is out to stop a wedding or at least stage an intervention to convince one of her best childhood friends not to marry the woman she s sure is all wrong for him The only problem is they have a mutual friend who doesn t want her to butt in Clint s loved Allie since she grew out of pigtails but she never saw him as more than a friend Even though she doesn t know it yet he s being a really good friend by stopping her from getting all My Best Friend s Wedding And he s ready and able to convince her to let the sparks now between them build into a fire Allie can t believe how good Clint looks all grown up and she certainly can t believe he s holding her captive in the backwoods of Montana until he thinks she s come to her senses or their friend s wedding goes off without a hitch But Allie isn t going to let a little thing like a six foot something sexy forest ranger stand in her way Each book in the Seattle Steam series is STANDALONE *Grounds for Seduction* Tempting Adam *Seducing Allie* *Seducing Seven* MK Meredith,2015-10-12 He bet on logic She bet on love Romance author Seven Michaels believes in love to her very core her readers count on it So when an arrogant and annoyingly sexy luxury salesman Blake Turner laughs at her books and the people who read them Seven s ready to smash his face in a box of chocolates How dare a playboy like Blake insinuate romance is for suckers He literally pays for his life off the reality of dreams coming true But there s more to Seven and her

romance than empty promises and overblown expectations she'll prove it's real. She bets Blake she'll make him fall for her by using the rules in her latest novel before the end of the convention or she'll give up on love in front of her fellow authors and fans at the Romance Lovers Convention ball. She's all in and humiliating Blake is worth the risk. But when Seven's the one being seduced, her rules no longer make sense and realizes she's a fool for ever betting on love. **Gay Seattle** Gary L. Atkins, 2011-10-17 Winner of a 2004 Washington State Book Award Winner of a 2004 Alpha Sigma Nu ASN Jesuit Book Award In 1893 the Washington State legislature quietly began passing a set of laws that essentially made homosexuality and eventually even the discussion of homosexuality a crime. A century later Mike Lowry became the first governor of the state to address the annual lesbian and gay pride rally in Seattle. **Gay Seattle** traces the evolution of Seattle's gay community in those 100 turbulent years telling through a century of stories how gays and lesbians have sought to achieve a sense of belonging in Seattle. Gary Atkins recounts the demonization of gays by social crusaders around the turn of the century, the earliest prosecutions for sodomy, the official harassment and discrimination through most of the twentieth century and the medical discrimination and commitment to mental hospitals that continued into the 1970s as homosexuality was diagnosed as a disease that could be cured. Places of refuge from this imposed social exile were created in underground theater and dance clubs, the Gold Rush era burlesque shows, modern drag theater and in mid-century the emergence of openly gay bars from the Casino to Shelley's Leg. Many of these were subjected to steady exploitation by corrupt police until bar owner MacIver Wells and two Seattle Times reporters exposed the racket. The increasingly public presence of gays in Seattle was accompanied by the gradual coalescence of social services and self-help organizations such as the Dorian Society, gay businesses and advocacy groups including the Greater Seattle Business Association and the stormy relationship between the Vatican, Seattle's Catholic hierarchy and gay worshippers. Atkins' narrative reveals the complex and often frustrating process of claiming a civic life, showing how gays and lesbians have engaged in a multilayered struggle for social acceptance against the forces of state and city politics, the police, the media and public opinion. The emergence of mainstream political activism in the 1970s and ultimately the election of Cal Anderson and other openly gay officials to the state legislature and city council were momentous events yet shadowed by the devastating rise of AIDS and its effect on the homosexual community as a whole. These stories of exile and belonging draw on numerous original interviews as well as case studies of individuals and organizations that played important roles in the history of Seattle's gay and lesbian community. Collectively they are a powerful testament to the endurance and fortitude of this minority community, revealing the ways a previously hidden sexual minority comes out as a people and establishes a public presence in the face of challenges from within and without.

Dept. of Licensing,1922 **Washington Public Documents** Washington (State),1923 *Why Cities Look the Way They Do* Richard J. Williams,2019-08-08 We tend to think cities look the way they do because of the conscious work of architects planners and builders But what if the look of cities had less to do with design and more to do with social cultural financial and political processes and the way ordinary citizens interact with them What if the city is a process as much as a design Richard J Williams takes the moment construction is finished as a beginning tracing the myriad processes that produce the look of the contemporary global city This book is the story of dramatic but unforeseen urban sights how financial capital spawns empty towering skyscrapers and hollowed out ghettos how the zoning of once illicit sexual practices in marginal areas of the city results in the reinvention of culturally vibrant gay villages how abandoned factories have been repurposed as creative hubs in a precarious postindustrial economy It is also the story of how popular urban clichés and the fictional portrayal of cities powerfully shape the way we read and see the bricks concrete and glass that surround us Thought provoking and original *Why Cities Look the Way They Do* will appeal to anyone who wants to understand the contemporary city shedding new light on humanity's greatest collective invention
