See With New Eyes The True Beauty Of Gods Character:

See With New Eyes Ty Gibson,2000-01-01 To see most things one s eyes need to be open But not so with God If you open your eyes too wide or look too closely you re likely to miss Him while thinking you have seen Him Most of us make this very mistake We look at people expecting to see God We look at religions We even look in the mirror Inevitably we are disappointed because we had hoped for a nicer picture of the Divine One Countless people have turned away from God because they thought they saw Him in a person or in a church and quite frankly they didn t like what they saw

Revelation's Great Love Story Larry L. Lichtenwalter,2008 The Book of Revelation The Apocalypse Words that often call to mind bizarre creatures strange seals dreadful plagues and a slew of other mystifying symbols Most of us approach this last book of the Bible with forebodings rather than hope To us John s vision seems more like a nightmare But the elderly apostle begins with a statement that doesn t seem to fit the rest of the book The revelation of Jesus Christ Apparently he intends to unveil something tremendously important about Jesus Something life changing Something we can t afford to miss Larry Lichtenwalter explores a side of Revelation seldom portrayed Christ s passionate love for humanity This recurring theme subtly appears in the imagery and symbolism throughout John s vision The slain Lamb The divine protective sealing The blood bleached white robes The heart wrenching prayer of the saints Without Christ s love these scenes and symbols would mean nothing Ultimately John s vision reveals the extraordinary love of our Savior for His rebellious undeserving children and the incredible reasons we can love Him in return

What Wondrous Love David H. Thiele,2014 What Wondrous Love delves into the controversial topic of unconditional love examining the history of the concept its infiltration into the theology of the church and its dangerous effects Although some may feel that author David Thiele downplays God s love in reality he points readers to a truer understanding of God s love and His nature as revealed in Scripture and expounded upon in the Spirit of Prophecy reminding all that Jesus came to this world to fulfill every condition of the righteous law of love In so doing we are granted the opportunity to overcome sin as Christ did and be reunited with our heavenly Father when Christ returns What Wondrous Love indeed Page 4 of cover
