Artificial Sweethearts Julie Hammerle, 2017-07-10 It's not chemistry between Tinka Foster and Sam Anderson that made them agree to fake date. With her parents trying to set her up with an annoying pro track golf student and intentionally single Sam's family pressuring him to bring a date to his brother's wedding they could both use a drama free summer. So it's not his muscular arms and quick wit that makes Tinka suggest they tell everyone they're both taken. Definitely not. And it's not butterflies that makes a kiss for appearances during the lake party go on way too long so long that Sam wishes it were real. But Tinka keeps people at arm's length she's always been second best even to her parents. And her relationship for show could crush everything when she realizes she's done with fake pretend and second best.
