Emotions Russell J. Snyder, 2008-12
Emotions are the controlling factor in our society today. Have you ever wondered where your emotions come from? Are you able to recognize when your emotions are controlling you? Do you wonder why they have such a great impact on your daily decision-making? So many of the influences affecting us have targeted our emotions. If you want to be like Jesus, this practical

encouraging and challenging biblical insight will help you to use your emotions the way Jesus Christ used His. Whether it is a poor self image medicating one's pain, fighting for your rights or dealing with people who justify their actions and manipulate others, God can help you discern how to live your life in control of your emotions. Either you control your emotions or your emotions will control you. RUSSELL SNYDER and his wife Bonnie founded Wholehearted Devotion to see people's lives changed by knowing, loving and experiencing God. For years Russell has been asking God for an intimate relationship with Him in order to be like Jesus, calling people to surrender their life wholeheartedly to God, not just a portion of their daily living.

Assetization Kean Birch, Fabian Muniesa, 2020-07-14 How the asset anything that can be controlled traded and capitalized as a revenue stream has become the primary basis of technoscientific capitalism In this book scholars from a range of disciplines argue that the asset meaning anything that can be controlled traded and capitalized as a revenue stream has become the primary basis of technoscientific capitalism An asset can be an object or an experience a sum of money or a life form a patent or a bodily function A process of assetization prevails imposing investment and return as the key rationale and overtaking commodification and its speculative logic Although assets can be bought and sold the point is to get a durable economic rent from them rather than make a killing on the market **Get Rich**
