**Seeing the Text** Mary H. Schertz, Perry B. Yoder, 2001 Seeing the Text integrates language study with theories and methods of interpretation The purpose of the book is to help students increase their facility with the biblical languages while at the same time incorporating exegetical and literary skills and methods The book thus not only provides a wider theoretical and methodological horizon for language study but also builds a solid text based foundation for further biblical studies Because it is increasingly the case that seminarians do not have the opportunity to study both Greek and Hebrew examples in both languages are included whenever possible to create a metalinguistic theoretical understanding The book is therefore designed and suitable for both intermediate Hebrew students and intermediate Greek students Finally the book includes suggestions for using the computer to facilitate language learning and exegetical work in order to help students develop the skills necessary to sustain their language skills with the aid of computer software when they are no longer engaged in formal study For further information about author Mary Schertz click here

*Elenchus of Biblica* Maria J. Schoenmaeckers, Robert Althann, 2004-12-20 Le 23 novembre 1964 jour de la promulgation de Lumen Gentium la constitution dogmatique sur l'Eglise marque un evenement c'est la premiere fois dans l'histoire de l'Eglise qu'une assemblée de la Sainte Eglise s'exprime solennellement sur la vie consacree Le sixieme chapitre de la constitution traite de la signification et de l'essence de la vie religieuse la reliant au mystere de l'Eglise peuple de Dieu Ce texte conciliaire presente

la vie religieuse comme un état canonique celui du chrétien qui tend dans un institut de perfection à la charité parfaite et consacre sa vie à Dieu et aux hommes par la profession des conseils évangéliques de chasteté pauvreté et obéissance De toute évidence cette déclaration doctrinale est importante pour l'Eglise et pour le développement de la vie consacrée dans l'Eglise En lisant *Lumen Gentium* on est assez vite frappé par le début abrupt du sixième chapitre sur les religieux car tous les autres chapitres s'ouvrent par une brève introduction Cependant on ne peut détacher ce chapitre de ce qui a été dit précédemment sur la vocation universelle à la sainteté En fait l'histoire du texte fait clairement ressortir le lien qui unit ces chapitres

**Annual Register** University of Chicago, 1896 **One or Two Translators?** Bryan Beeckman, 2023-12-31 In 1946 Gillis Gerleman proposed a single translator for LXX Proverbs and LXX Job After he launched this hypothesis scholars have either confirmed or debunked this hypothesis Although attempts have been made to come up with an adequate answer to the question of a single translator for both Proverbs and Job scholars have thus far not reached consensus Moreover the attempts that have been made are not at all elaborate Thus the question remains unsolved This book tries to formulate an answer to the question of a single translator for both Proverbs and Job by examining the translation technique and theology of both books The translation technique of both books is analysed by examining the Greek rendering of Hebrew hapax legomena animal floral plant and herb names The theology is examined by looking at the pluses in the LXX version which contain and The results of these studies are compared with one another in order to formulate an answer to a single translator By doing so this book not only formulates an answer to a single translator for both LXX Proverbs and Job but also characterises their translation technique and theology in greater detail *The Divinity School* University of Chicago.
