Seeing Things Hidden

William Walker Atkinson

Seeing Things Hidden:

Seeing Things Hidden Malcolm Bull, 1999 The multiplicity of the self and the inaccessibility of truth are commonplaces of contemporary thought But in *Seeing Things Hidden* they become key features of a philosophy of history that reunites emancipatory political theory with the apocalyptic tradition Apocalyptic is the revelation of things hidden But what does it mean to be hidden And why are things hidden in the first place By gently teasing out the meanings of hiddenness this book develops a new theory of apocalyptic and explores its relation to the writings of Kant Hegel Benjamin and Derrida Exploiting affinities between the work of Lukács and recent American philosophers like Rorty and Cavell Bull argues that the central dynamic of late modernity is the coming into hiding of the contradictory identities generated through political and social emancipation Drawing on analytic and Continental philosophy he articulates the most ambitious philosophy of history since Francis Fukuyama's *The End of History* presenting fresh interpretations of such icons of modernity as Hegel's master-slave dialectic Benjamin's angel of history Du Bois's concept of double consciousness and Rawls's veil of ignorance

Wittgenstein Michael Luntley, 2008-04-15 In this important study Michael Luntley offers a compelling reading of Wittgenstein's account of meaning and intentionality based upon a unifying theme in the early and later philosophies A compelling reading of Wittgenstein's account of meaning and intentionality Offers an important and original reading of Wittgenstein's key texts Based upon a unifying theme in Wittgenstein's early and later philosophies [The Secret Country](#) Sarah Robertson, 2007 *The Secret Country* is the first monograph on the work of the contemporary American novelist Jayne Anne Phillips Through detailed and innovative textual analysis this study considers the southern aspects of Phillips' writing Robertson demonstrates the importance of Phillips' place within the southern literary canon by identifying the echoes of William Faulkner Katherine Anne Porter and Edgar Allan Poe that permeate her work Phillips' complex attachments to a regional past are explored through both psychoanalytical and historical materialist approaches revealing not only the writer's distinctly southern preoccupations but also her reflections on contemporary American society Tracing the family dynamics in Phillips' work from the turn of the twentieth century to the present this book examines the effects of increased modernization and capitalization on everyday interactions and questions the nature of the author's backward glance to the past This volume is of interest for a wide audience particularly students and scholars of contemporary southern and American literature

[René Girard's Mimetic Theory](#) Wolfgang Palaver, 2013-01-01 A systematic introduction into the mimetic theory of the French American literary theorist and philosophical anthropologist René Girard this essential text explains its three main pillars: mimetic desire, the scapegoat mechanism, and the Biblical difference with the help of examples from literature and philosophy This book also offers an overview of René Girard's life and work showing how much mimetic theory results from existential and spiritual insights into one's own mimetic entanglements Furthermore it examines the broader implications of Girard's theories from the mimetic aspect of sovereignty and wars to the relationship between the scapegoat mechanism and

the question of capital punishment Mimetic theory is placed within the context of current cultural and political debates like the relationship between religion and modernity terrorism the death penalty and gender issues Drawing textual examples from European literature Cervantes Shakespeare Goethe Kleist Stendhal Storm Flaubert Dostoevsky Proust and philosophy Plato Camus Sartre L vi Strauss Derrida Vattimo Palaver uses mimetic theory to explore the themes they present A highly accessible book this text is complemented by bibliographical references to Girard s widespread work and secondary literature on mimetic theory and its applications comprising a valuable bibliographical archive that provides the reader with an overview of the development and discussion of mimetic theory until the present day

Resisting Violence and Victimisation Joel Hodge,2016-03-23 The reality and nature of religious faith raises difficult questions for the modern world questions that re present themselves when faith has grown under the most challenging circumstances In East Timor widespread Christian faith emerged when suffering and violence were inflicted on the people by the state This book seeks a deeper understanding of faith and violence exploring how Christian faith and solidarity affected the hope and resistance of the East Timorese under Indonesian occupation in their response to state sanctioned violence Joel Hodge argues for an understanding of Christian faith as a relational phenomenon that provides personal and collective tools to resist violence Grounded in the work of mimetic theorist Ren Girard Hodge contends that the experience of victimisation in East Timor led to an important identification with Jesus Christ as self giving victim and formed a distinctive communal and ecclesial solidarity The Catholic Church opened spaces of resistance and communion that allowed the Timorese to imagine and live beyond the violence and death perpetrated by the Indonesian regime Presenting the East Timorese stories under occupation and Girard s insights in dialogue this book offers fresh perspectives on the Christian Church s ecclesiology and mission
