Sexualities: Making a sociology of sexualities Kenneth Plummer, 2002 Volume 3 Difference and Diversity of Sexualities This section examines the politics power and critique of sexual categories including bisexuality sex addiction prostitution and sadomasochism

Chaucer's Sexual Poetics Carolyn Dinshaw, 1989 Through an analysis of the poems Chaucer's words Unto Adam His Owne Sciveyn Troilus and Criseyde the Legend of Good Women the Man of Law's Tale the Wife of Bath's Tale and its Prologue the Clerk's Tale and the Pardoner's Tale Carolyn Dinshaw offers a provocative argument on medieval sexual constructs and Chaucer's role in shaping them Operating under the assumption that people read and write certain ways based upon society's demands Dinshaw examines gender identity and the effects of a patriarchal society The focal point of Dinshaw's argument is the idea that the literary text can be seen as the female body while any literary activities upon the text are decidedly male Through a series of six provocative essays Dinshaw argues that Chaucer was not only aware that gender is a social construction but that he self consciously worked to oppose the dominance of masculinity that a patriarchal society places on texts by creating works in which gender identity and hierarchy were more fluid

A Women's Guide to Sacred Activism: Marilyn Chambliss, Sushila Mertens, Marilyn Rosenbrock Nyborg, 2017-11-16 In an era in which we are all called to take responsibility for the planet the restructuring of failing systems and the levels of racism and sexism many are feeling helpless This wee guide is easy to read and even easier to follow It is intended to first support you to do their personal work Deal with their anger frustration and hate before entering the equally angry frustrating and hate filled world of politics and activism You are encouraged to come into a new level of activism where your motivation for a positive future does not bring with it the antithesis of our current one The second part of the material is meant to inspire you to join with or create the necessary action to bring about that positive change with resources you can join ideas of how to create action and willingness to speak up and speak out in loving ways We must stop matching the war like energy to the causes and issues we are concerned about Bring your love and your vision to those you hold as opposition and enemies Let us inform inspire and activate women to bring our wisdom perspectives and ideas to the table of global consequences

Gendering Global Transformations Chima J. Korieh, Philomina E Okeke-Ihejirika, 2008-11-19 This book employs gender as a category of analysis to capture the various ways men and women relate in society and the structures that define these relationships and place boundaries on them It presents alternative conceptual and theoretical approaches that tease out the nuances of gender as mediated by culture race and identity in a globalizing world

Organizational Behaviour and Gender Fiona M. Wilson, 2017-05-15 *Organizational Behaviour and Gender* provides an alternative to the gender silence of the standard OB textbooks. This Second Edition updates and expands the text's coverage and employs the most recent research findings to portray the world of work in a realistic manner. *Organizational Behaviour and Gender* is a comprehensive text. The text examines some of the assumptions that have been made about women at work, for example that women's difference is rooted in biology and that women and men have contrasting and even polar opposite skills and attitudes. The text considers the key topics in OB such as selection, assessment, leadership and motivation to test such assumptions. The book describes the reality of working life for women. It examines issues of low pay, part-time working, family responsibilities, home working and horizontal and vertical job segregation. It asks whether inequality of opportunity comes about because of actual gender differences or from prejudicial expectations and thinking. The last

chapter is about sex and sexuality in organizations Sexual behaviour in organizations is pervasive but is rarely discussed in OB textbooks This chapter describes the masculine and heterosexual business environment and examines the issues of work romances and sexual harassment The text provides numerous learning aids including discussion topics and chapter questions to assist both the lecturer and the student
