The Seeker's Guide to Faith J. Peter Baumgarten, 2020-11-23 The Seeker's Guide to Faith confronts and answers the thirteen principal arguments against God that are now advanced by modern secularist movement sometimes called New Atheism using the powerful insights and teachings of The Church of Jesus Christ of Latter day Saints There are many books written to encourage faith for people who are experiencing doubts about God generally However this book is the only one of its kind by a Latter day Saint author that directly and specifically challenges all the main arguments against faith in God that are now aggressively asserted by the belligerent modern secular movement Its uniqueness is enhanced by the fact that the doctrines and teachings of The Church of Jesus Christ of Latter day Saints are used whenever applicable to effectively answer the challenges raised by this movement This author believes that the unique teachings and insights of the Church are better suited than those of any other faith for answering those challenges Furthermore the author's professional and volunteer activities have afforded him the opportunity to know and work with people of nearly all religious backgrounds in nearly all walks of life Recent experiences have led him to examine the reasons many apparently intelligent people reject faith His legal background and training have aided him in spotting and understanding the weaknesses and flaws of the logical underpinnings of atheism His Gospel upbringing as a member of The Church of Jesus Christ of Latter day Saints has helped him see through the fog of the dogma and arguments of atheism to the More Excellent Way afforded by the Gospel's plan of happiness He hopes *The Seeker's Guide to Faith* will help others who stand at the crossroads of their doubts to find their faith in Heavenly Father and His Son Jesus Christ **The Seeker's Guide** Elizabeth Lesser, 2008-11-18 In 1977 Elizabeth Lesser cofounded the Omega Institute now America's largest adult education center focusing on wellness and spirituality Working with many of the eminent thinkers of our times including Zen masters rabbis Christian monks

Muhammad, 2022-12-18 Abstract We in our current era observe the movement of masses in three dimensions be it through a section of road through airways or under a layer of water Time a fourth dimension provides a conclusive evidence of traveling along three dimensions and this fourth dimension always co exists with any of the three dimensions either traveling

from the last moment past to the current moment present or from the current moment to the next coming moment future Our brain is a tool which helps us to comprehend the discoveries of science in these four dimensions but a signal of error propagates in our body when we hear of a concept which does not exist in all these four dimensions In our first response we try to jump into a state of denial or refusal of such concepts and realities for some This rhetoric gives birth to the exigency of exploring the unexplored dimensions of this universe IRFAN inner knowledge of self and GOD in accordance with Islamic Sufism a beneficial compilation for its readers outlines the theoretical concepts and personal experiences of Faqeer Noor Muhammad Sawari Qadri R A that uncover the ways for the reader to introspect search for the inner light of the soul build connectivity with GOD and practice renunciation towards materialism to walk on the un travelled dimensions of this physical world The author highlights the ways to identify the inner divine spark by focusing on the personal name of GOD An example of spiritual failure or failure in a dimension which does not exist in the basic four dimensions is the wreckage of Titanic a British liner which to many is the failure of its massive frame However understanding of the parallel existence of physical and spiritual worlds for one could be developed and self examined by reaching the photons in one s soul *Aqal-e-Baydar (The Enlightenment of Wisdom)* Sultan-ul-Arifeen Sultan Bahoo,2023-08-19 Embark on a journey of heart awakening with Aqal e Baydar English by Hazrat Sultan Bahoo This spiritual masterpiece transcends religious boundaries promising a transformative experience Discover the path to intuition breaking free from disbelief and embracing the essence of existence Explore the book Aqal e Baydar HeartAwakening IntuitivePath SultanBahooWisdom sultanulfaqrpublications sultanbahooobooks booksofsultanbahoo haqbahusultan haqbahubooks bahusultanbooks aqaleybaydar aqalebaydar aqalebaidar
