The Complete I Ching — 10th Anniversary Edition Taoist Master Alfred Huang, 2010-11-17 A revised edition of the definitive translation of the world's most important book of divination. More than 64,000 copies sold of the first edition. The first English translation from within the tradition by a Chinese Taoist Master. Includes translations of the Ten Wings, the commentaries by Confucius essential to the I Ching's insights. Translated by the eminent Taoist Master Alfred Huang. The Complete I Ching has been praised by scholars and new students of the I Ching since its first edition. A native Chinese speaker, Master Huang first translated the original ideograms of the I Ching into contemporary Chinese and then into English, bringing forth the intuitive meanings embodied in the images of the I Ching and imbuing his translation with an accuracy and authenticity not possible in other English translations. However, what makes his translation truly definitive is his return to prominence of the Ten Wings, the commentaries by Confucius that are essential to the I Ching's insights. This 10th anniversary edition offers a thorough introduction to the history of the I Ching, how to use it, and several new divination methods in depth and easy-to-reference translations of each hexagram name, description, and pictogram, and discussions of the interrelations between the hexagrams and the spiritual meaning of their sequence. *Seeking the Soul's Essence* Pasquale De Marco, 2025-04-25 Embark on a transformative journey of self-discovery and spiritual awakening with *Seeking the Soul's Essence*.
