

THE PASSING STRANGER

Seize A Passing Stranger

J. G. Frazer

Seize A Passing Stranger:

Seize a Passing Stranger Cyril Joyce,1978-01-01 **The Golden Bough** James George Frazer,Sir James George Frazer,1995-12 A world classic The Golden Bough describes our ancestors primitive methods of worship sex practices strange rituals and festivals Disproving the popular thought that primitive life was simple this monumental survey shows that savage man was enmeshed in a tangle of magic taboos and superstitions Revealed here is the evolution of man from savagery to civilization from the modification of his weird and often bloodthirsty customs to the entry of lasting moral ethical and spiritual values *Golden Bough* Sir James George Frazer,2019-12-18 This 1890 study offers a monumental exploration of the cults rites and myths of antiquity and their parallels with those of early Christianity Abridged by the author from his 12 volume work **The Golden Bough** James George Frazer,1922 **The Golden Bough** Ashira Goddard,2008-05-07 A book of antiquity for any studying magic and religion by Sir James George Frazer originally Editing and foreword by Ashira Goddard A Tapestry Antiquity Publishing Book **The Golden Bough** James Frazer,1996-08-29 Sir James George Frazer 1854 1941 caught the popular imagination with his vast and enterprising comparative study of the beliefs and institutions of mankind which in its third edition numbered 12 volumes Reissued here is Frazer s own single volume abridgement of 1922 **The Golden Bough** Sir James George Frazer,2012-04-26 Classic 1890 study of cults rites and myths of antiquity helped define terms of social anthropology influencing generations of thinkers Abridgment omits footnotes occasionally condenses text all main principles remain intact **The Golden Bough By Sir James George Frazer** Sir James George Frazer,2014-06-06 The primary aim of this book is to explain the remarkable rule which regulated the succession to the priesthood of Diana at Aricia When I first set myself to solve the problem more than thirty years ago I thought that the solution could be propounded very briefly but I soon found that to render it probable or even intelligible it was necessary to discuss certain more general questions some of which had hardly been broached before In successive editions the discussion of these and kindred topics has occupied more and more space the enquiry has branched out in more and more directions until the two volumes of the original work have expanded into twelve Meantime a wish has often been expressed that the book should be issued in a more compendious form This abridgment is an attempt to meet the wish and thereby to bring the work within the range of a wider circle of readers While the bulk of the book has been greatly reduced I have endeavoured to retain its leading principles together with an amount of evidence sufficient to illustrate them clearly The language of the original has also for the most part been preserved though here and there the exposition has been somewhat condensed In order to keep as much of the text as possible I have sacrificed all the notes and with them all exact references to my authorities Readers who desire to ascertain the source of any particular statement must therefore consult the larger work which is fully documented and provided with a complete bibliography **Gigantic Cinema: A Weather Anthology** Paul Keegan,Alice Oswald,2021-11-16 A luminous deliciously playful Rishi Dastidar Guardian anthology of poems and prose

inspired by the weather In three hundred varied entries Gigantic Cinema narrates the weather of a single capricious day from dawn through rain volcanic ash nuclear dust snow light fog noon eclipse hurricane flood dusk night and back to dawn again It includes reactions both formal and fleeting weather rhymes journals and jottings diaries and letters to the imaginary and actual drama unfolding above our heads Ranging from Homer s winds and Ovid s flood to Frank O Hara s sun Pliny s reportage on the eruption of Vesuvius to Elizabeth Bishop s Song for a Rainy Season Gigantic Cinema offers an expansive collection of writing inspired by the commotion of the elements Rather than drawing attention to authors and titles entries appear as a medley of voices as editors Alice Oswald and Paul Keegan write in their stunning introduction the excerpts ask to be read with no hat no coat no preconceptions encountering each voice abruptly as an exclamation brought on by the weather Assembling a chorus of responses ancient and modern East and West to air s manifold appearances Gigantic Cinema offers a new perspective on the oldest conversation of all

The golden bough; a study in comparative religion sir James George Frazer,1900 **The Golden Bough** J.G. Frazer,2009-05-01 Published originally in two volumes in 1890 this extraordinary study of primitive myth and magic led Scottish anthropologist J G Frazer to identify parallel patterns of ritual symbols and belief across many centuries and many different cultures His observations on the mysteries of fertility and death and the rites of the sacrificial king who must die to save his people overturned much of contemporary intellectual thinking not least because of the enlightening or heretical parallels it suggested with the Christian religion Frazer s elegant and authoritative style and the breadth of his learning inspired a whole generation of ethnographers and comparative anthropologists and had a particularly powerful effect on many other thinkers and writers such as Sigmund Freud D H Lawrence Joyce Yeats and T S Eliot This definitive volume includes the unabridged original 1890 edition as well as several essays and lectures by Frazer Portugal: a Book of Folk-ways Rodney Gallop,1936 **The Golden Bough A Study in Magic and Religion** James George Frazer,2018-10-17

James George Frazer attempted to define the shared elements of religious belief and scientific thought discussing fertility rites human sacrifice the dying god the scapegoat and many other symbols and practices whose influences had extended into 20th century culture His thesis is that old religions were fertility cults that revolved around the worship and periodic sacrifice of a sacred king Frazer proposed that mankind progresses from magic through religious belief to scientific thought Excerpt from Wikipedia **Golden bough** J. G. Frazer,2021-08-01 WHO does not know Turners picture of the Golden Bough The scene suffused with the golden glow of imagination in which the divine mind of Turner steeped and transfigured even the fairest natural landscape is a dream like vision of the little woodland lake of Nemi Dianas Mirror as it was called by the ancients No one who has seen that calm water lapped in a green hollow of the Alban hills can ever forget it The two characteristic Italian villages which slumber on its banks and the equally Italian palace whose terraced gardens descend steeply to the lake hardly break the stillness and even the solitariness of the scene Diana herself might still linger by this lonely shore still haunt these woodlands wild **The Golden Bough** Sir James

George Frazer,1911 **The king of the wood. The perils of the soul** James George Frazer,1900 **The Golden Bough: A Study of Magic & Religion** James George Frazer,2020-12-17 The Golden Bough is a wide ranging comparative study of mythology and religion written by the Scottish anthropologist Sir James George Frazer The book documents and details the similarities among magical and religious beliefs around the globe Frazer attempted to define the shared elements of religious belief and scientific thought discussing fertility rites human sacrifice the dying god the scapegoat and many other symbols and practices whose influences had extended into 20th century culture His thesis is that old religions were fertility cults that revolved around the worship and periodic sacrifice of a sacred king Frazer proposed that mankind progresses from magic through religious belief to scientific thought The influence of The Golden Bough on contemporary European literature and thought is substantial **The Smart Set** ,1909 **In the Light of Agape** William Greenway,2024-05-14 We see children squealing with delight in new fallen snow We see shocked survivors of the tsunami hugging broken bodies We are not first objective detached or neutral Instantly we are joyful or horrified A singular force fuels our joy and our horror agape Agape is as palpable as gravity As weight is to gravity so good is to agape or in violation so evil is to agape Predominant Western rationalities preclude theorizing of agape So secular intellectuals awakened to agape but conceptually hobbled lament a crisis of foundations in ethics and a legitimization crisis in political theory In the light of agape however there is no question about any sovereign s basic ethical responsibilities nor about myriad ethical issues the evils of pedophilia rape slavery racism exploiting illness for profit Thus agape can ground ethics globally Moreover insofar as faithful signifies not propositional assent but living fidelity to agape agape can ground interfaith spiritual consensus Engaging intellectuals from Augustine and Dostoevsky to Emmanuel Levinas and Peter Singer tackling issues from animal rights and the essence of spirituality to the passion of Torah and interfaith relations Greenway demonstrates the spiritual fecundity and real world ethical potentials that flow from philosophical exploration of agape **The Golden Bough: The Magic Art and the Evolution of Kings. The King of the Wood** James George Frazer,1911 Frazer s series which attempted to define the shared elements of religious belief and scientific thought discussing fertility rites human sacrifice the dying god the scapegoat and many other symbols and practices whose influences had extended into 20th century culture His thesis is that old religions were fertility cults that revolved around the worship and periodic sacrifice of a sacred king Frazer proposed that mankind progresses from magic through religious belief to scientific thought
