## Select Tales Of Tchekhov Vol1:

**A Study of Bolshevism** Nathan Leites, 2021-05-03 A massive effort to determine the objectives and techniques of Soviet communism by intensive examination of all the works of Lenin and Stalin In this book I shall attempt to portray the spirit of the Bolshevik elite the elite which in 1903 had a dominant influence on a few hundred members of the Russian Social Democratic Workers Party and today influences several hundred million people in Europe Asia and elsewhere In doing so I have a two fold objective to contribute to our knowledge of the varieties of man and to enhance the skill of Western policy makers in dealing with the Politburos of the Soviet and other Communist parties There are various ways to study the spirit of a ruling group Here I have chosen just one the analysis of its doctrine It is conceivable that future researches will show other procedures to be equally or more productive I do not propose to analyze Bolshevik doctrine as fully as possible but rather to take one aspect of it what I call the operational code that is the conceptions of political strategy Future research may deal in a comparable manner with other aspects of Bolshevik ideology We cannot now prejudge the relation and relevance of the results to be obtained by such different foci of study Author's introduction Selected Plays of Stan Lai Stan Lai, 2022-02-24 Bringing the iconic plays of Stan Lai to an English language readership **Comedies, Volume 1** William Shakespeare, 1995-07-10 Shakespeare forged his tremendous art in the crucible of his comic imagination which throughout his life enveloped and contained his tragic one His early comedies with their baroque poetic exuberance intense theatricality explosive bursts of humor and superbly concrete realizations of the dialects of love capture as in a chrysalis all that he was to become They provide a complete inventory of the mind of our greatest writer in the middle of his golden youth This volume contains *The Comedy of Errors* *The Taming of the Shrew* *The Two Gentlemen of Verona* *Love's Labor's Lost* *A Midsummer Night's Dream* and its companion piece *Romeo and Juliet* which Tony Tanner describes in his introduction as a tragedy by less than one minute The texts authoritatively edited by Sylvan Barnet are supplemented with textual notes bibliographies a detailed chronology of Shakespeare's life and times and a substantial introduction in which Tanner discusses each play individually and in the context of Shakespeare's oeuvre *Selected Stories* Anton Pavlovich Chekhov, Anton Chekhov, 1996 A collection of twenty four short stories and comic sketches by Anton Chekhov *Early Stories* Anton Chekhov, 1999 Even if he had written nothing else Ivan Bunin wrote of Chekhov's early stories we would still have said that an amazing mind had flashed through Russian literature His youthful work immediately established Chekhov as a leading writer of both comic and serious fiction The humorous tales have delighted Russians since the 1880s while the many admirers of the more serious stories include James Joyce and Katherine Mansfield In this selection stories with punchy endings jostle with outrageous parodies farcical situations the pastoral comedy of *Romance with Double Bass* and the absurdist humour of classics such as *The Death of a Civil Servant* But the volume also contains some of Chekhov's finest stories about children non love stories like *The Little Joke* and *The Kiss* the hauntingly lyrical *Easter Night* and the chilling *Let Me Sleep* This translation does full

justice to the masterful range of the young Chekhov for those unfamiliar with his early work this edition will be a revelation
