## **Seventh Hero Thomas Carlyle And The Theory Of Radical Activism:**

*The Seventh Hero* Philip Rosenberg, 1974      *Thomas Carlyle and the Idea of Influence* Megan Dent, Paul E. Kerry, Albert D. Pionke, 2018-06-20 That Thomas Carlyle was influential in his own lifetime and continues to be so over 130 years after his death is a proposition with which few will disagree His role as his generation's foremost interpreter of German thought his distinctive rhetorical style his approach to history via the innumerable biographies of great men and his almost unparalleled record of correspondence with contemporaries both great and small makes him a necessary figure of study in multiple fields *Thomas Carlyle and the Idea of Influence* positions Carlyle as an ideal representative figure through which to study that complex interplay between past and present most commonly referred to as influence Approached from a theoretically ecumenical perspective by the volume's introduction and eighteen essays influence is itself refigured through a number of complementary metaphorical frames influence as organic inheritance influence as aesthetic infection influence as palimpsest influence as mythology influence as network and more Individual essays connect Carlyle with the persons and publications of Mathilde Blind Orestes Brownson John Bunyan G K Chesterton Benjamin Disraeli George Eliot T S Eliot Ralph Waldo Emerson Johann Wolfgang von Goethe James Joyce William Keenan Windham Lewis Jules Michelet John Stuart Mill Robert Owen Spencer Stanhope John Sterling and others Considered as a whole *Thomas Carlyle and the Idea of Influence* assembles a web of conceptual and intertextual connections that both challenges received understandings of influence itself and establishes a standard by which to measure future assertions of Carlyle's enduring intellectual legacy in the twenty-first century and beyond      **The Carlyle Encyclopedia** Mark Cumming, 2004 The *Carlyle Encyclopedia* focuses primarily on Thomas Carlyle It reflects the range of his interests and resists stereotyped impression of who he was and what he believed It covers Carlyle's entire life without privileging any particular work or period and locates Carlyle in his time and place in the context of a rich and challenging age The *Carlyle Encyclopedia* also gives a balanced assessment of Jane Welsh Carlyle which avoids either belittling her or overestimating her achievement It avoids the reductive and contradictory stereotypes of her which were offered by early biographers of Thomas Carlyle and offers instead a study of her varied friendships and her trenchant observations on contemporary life The *Carlyle Encyclopedia* will interest a variety of readers who concern themselves with literature social history the history of ideas Victorian culture and Scottish studies **BOOK JACKET**

**Thomas Carlyle and the Political Universe** Brian Wolfel, 2024-04-30 *Thomas Carlyle and the Political Universe* From American Transcendentalism to an Elusive Post Liberalism recognizes and reckons with Thomas Carlyle's broad and deep influence on politics on a global scale Having influenced and inspired iconic and impactful political thinkers and actors such as Ralph Waldo Emerson Henry David Thoreau John Stuart Mill Charles Dickens Karl Marx and Martin Luther King Jr among so many others Carlyle is a captivating persona in modern political history In this way if there is one person who could be said to be the central figure of what may be called the political universe all that the term politics comprises Brian Wolfel

argues that it is Thomas Carlyle As the point of nexus of so many political figures embodying such a diversity of political persuasions Carlyle is also a significant philosopher in Plato's lineage whose ideas can be further constructed and developed in the context of the work of prominent 20th century political thinkers such as John Rawls Alasdair MacIntyre Jacques Ellul and Sayyid Qutb Carlyle's conceptualization of transcendentalism in Sartor Resartus was a foundation for Emerson Thoreau and American Transcendentalism In the midst of ideological battle in the 20th and 21st centuries among such ideologies as liberalism communism fascism and Islamism Carlyle's transcendentalism largely went unnoticed as a potential ideological competitor Carlyle's transcendentalism can be developed and constructed in the contexts of modern political theory and religion and can be defended and promoted as a potential post liberalism a refinement of and evolution from liberal democracy and capitalism

**Biography in Theory** Wilhelm Hemecker, Edward Saunders, 2017-08-07 This textbook is an anthology of significant theoretical discussions of biography as a genre and as a literary historical practice Covering the 18th to the 21st centuries the reader includes programmatic texts by authors such as Herder Carlyle Dilthey Proust Freud Kracauer Woolf and Bourdieu Each text is accompanied by a commentary placing its contribution in critical context Ideal for use in undergraduate seminars this reader may also be of interest for academic researchers in the areas of literary studies and history aiming to get an overview of historical questions in biographical theory This revised and updated English language edition also includes new translations of texts by J G Herder and Stefan Zweig as well as an introductory discussion on the possibility of a theory of biography Note Due to copyright reasons the chapter Sade Fourier Loyola Extract 1971 pp 175 177 by Roland Barthes could not be included in the ebook

**The Prophets of Doom** Neema Parvini, 2023-07-27 Linear and progressive views of history have dominated the popular imagination for the past seventy years in a worldview wedded to the inexorable rise of globalisation and GDP growth at any cost However the end of the Cold War failed to produce the end of history as hoped a fact brought home to many by Russia's invasion of Ukraine in 2022 Material wealth and Progress in the name of social justice have not made people happier or more united but quite the opposite Anxiety depression fearfulness sadness loneliness and anger have all massively increased since 1970 with the male suicide rate at an all time high Western society seems to be divided against itself across every line conceivable left versus right women versus men non whites versus whites globalists versus populists the elites versus the people people who think that men can be women and vice versa versus those who insist that they cannot and so on Seventy three percent of Americans believe their country is on the wrong track with similar views reflected in Britain and across Europe The Prophets of Doom explores eleven thinkers who not only dared to contradict the dominant linear and progressive view of history but also predicted many of the political and social maladies through which we are living

**Perspectives** Jalal Uddin Khan, 2015-02-05 Perspectives Romantic Victorian and Modern Literature is an up to date explication of various popular and classic subjects and authors arranged chronologically The book composed of thirteen essays examines Blake Coleridge Byron Shelley Keats Victorian medievalism the Victorian reaction to

British India Ben Jonsonian elements in Yeats Yeats and Maud Gonne the treatment of the Irish civil war and Irish nationalism in Yeats and the treatment of the Spanish civil war in the selected works of modern fiction and nonfiction Marked by an originality of approach and a freshness and simplicity the book takes note of contemporary theoretical interdisciplinary and cultural discourse drawn from literature history politics and religion as necessary However it is far from being unnecessarily outweighed by the loaded clichés oft repeated jargon and overused euphemisms of modern literary or critical theory The result is regardless of its specialized treatment of otherwise commonplace or well known texts or topics that the overall discussion is as lucid introductory and expository as it is deep and scholarly making the book easily accessible and understandable to non specialist readers in addition to specialist researchers and academics

**Biography: An Historiography** Melanie Nolan, 2023-04-03 Biography An Historiography examines how Western historians have used biography from the nineteenth century to the present considering the problems and challenges that historians have faced in their biographical practice systematically This volume analyses the strategies and methods that historians have used in response to seven major issues identified over time to do with evidence including but not limited to the problem of causation the problem of fact and fiction the problem of other minds the problem of significance or representativeness the problems of perspective both macro and micro and the problem of subjectivity and relative truth This volume will be essential for both postgraduates and historians studying biography

**Critics of Capitalism** Elisabeth Jay, Richard Jay, 1986-12-11 By the start of the Victorian period the school of British economists which followed Adam Smith was in its ascendancy and Political Economy became associated with moral and political forces leading to an increasingly industrial and political society This collection of readings from the critics of capitalism looks at the writings of Bray Carlyle Marx Engels Mill Arnold T H Green William Morris and G B Shaw

*The Renaissance of Impasse* Jean-François Leroux, 2004 In his 1963 debut essay for the militant Quebec journal Parti pris Andr Brochu invoked the figure of the sixteenth century skeptic Michel de Montaigne in the name of what Ralph Waldo Emerson responding to the same over a century earlier had called an original relation to the universe crire wrote Brochu c est red finir la relation originelle de l homme l univers c est comme crit magnifiquement Montaigne faire l homme By tracing the idealism of nineteenth century American and twentieth century Quebec writers back to Montaigne and his rejection of Aristotelian and Scholastic reason The Renaissance of Impasse offers an alternate history to that found in much post Romantic criticism wherein modern skepticism tends to be identified with and so in a sense confined to the project of Enlightenment reason Key works from Thomas Carlyle Emerson and Herman Melville to Hubert Aquin R Jean Ducharme and Victory L vy Beaulieu serve to define and to refine the sense of an impasse personal social spiritual historical and political that accompanies the modern drive to renaissance

**Largest Amount of Good** Helen E. Hatton, 1993-05-28 The Largest Amount of Good is the first full account of Quaker relief operations in Ireland and of the evolution of the Quakers thinking on the purposes and limitations of philanthropy and the responsibility of the state in

disaster Helen Hatton describes how the Quakers rejected orthodox economic and philanthropic theory and without seeking profit for themselves provided grants and unguaranteed loans to develop and revitalize Irish agriculture fisheries and industry They also used publicity and political pressure to push for reform of the land holding system Although the power of the landowners was too entrenched to be overcome entirely the Quakers contribution to Ireland Hatton demonstrates is unquestionable The growth of the Quaker relief service from mutual help in the seventeenth century to an institution of international standing has been accompanied by the gradual embodiment of their principles in the direction of the Society Their work in the Great Irish Famine marked a turning point at which the procedures they had evolved inchoately over two centuries were formulated into a methodology that is accepted today as the basis for relief and Third World development

Victorian Prose Rosemary J. Mundhenk, LuAnn McCracken Fletcher, 1999-08-27 This engaging informative collection of Victorian nonfiction prose juxtaposes classic texts and canonical writers with more obscure writings and authors in order to illuminate important debates in nineteenth century Britain inviting modern readers to see the age anew The collection represents the voices of a broad scope of women and men on a range of nineteenth century cultural issues and in various forms from periodical essays to travel accounts letters to lectures and autobiographies to social surveys With its fifty six substantial selections Victorian Prose reaches beyond the work of Carlyle Newman Mill Arnold and Ruskin to uncover an array of lesser known voices of the era Women writers are given full attention writings by Mary Prince Dinah M Craik Florence Nightingale Frances P Cobbe and Lucie Duff Gordon are among the entries Excerpts cover such topics of the age as British imperialism the crisis of religious faith and debates about gender On the issue of colonial expansion opinions range from Benjamin Disraeli's celebration of empire building as evidence of Britain's glory to David Livingstone's promotion of commerce with Africa as a way to retard the slave trade and make it unprofitable Views on the woman question extend from John Stuart Mill's defense of women's rights to Mrs Humphry Ward's opposition to women's franchise and Sarah Ellis's support for the domestic ideal This invaluable resource features attention to important noncanonical writers including a generous selection of women writers a wide range of written forms including periodical essays travel accounts letters lectures autobiographies and social surveys both chronological and thematic tables of contents the latter encompassing subject areas such as England at home and abroad the new sciences religion and the status of women selections drawn from the original nineteenth century editions and annotations to each text that aid nonspecialists in understanding unfamiliar names terms and cultural debates

**Nationalism and Irony** Yoon Sun Lee, 2004-08-26 Linking together two of the most significant developments of the Romantic period this study shows how Romantic nationalism in Britain developed irony's potential as a powerful source of civic cohesion Britain's politics of deference its traditionalism and its celebration of productivity all became occasions for the development of loyalist irony by non English conservatives 1974 Annual

Supplement Joan Schmitz Bergholt, 2013-12-21 Karl Marx's Theory of Revolution Vol IV Hal Draper, 1977 Much of Karl

Marx's most important work came out of his critique of other thinkers including many socialists who differed significantly in their conceptions of socialism. The fourth volume in Hal Draper's series looks at these critiques to illuminate what Marx's socialism was as well as what it was not. Some of these debates are well-known elements in Marx's work such as his writings on the anarchists Proudhon and Bakunin. Others are less familiar such as the writings on Bismarckian socialism and Boulangism but promise to become better known and understood with Draper's exposition. He also discusses the more general ideological tendencies of utopian and sentimental socialisms which took various forms and were ingredients in many different socialist movements.

*Scarcity and Modernity* Nicholas Xenos, 2017-10-19 Originally published in 1989. In this book Nicholas Xenos argues that the assumption that scarcity is a universal human condition is far from universal but rather a product of western influence. Informed by the work of Baudrillard, Bourdieu, Girard and Sahlins, this historical narrative of scarcity incorporates interpretations of texts and practices from eighteenth-century London to contemporary New York. Lucid and elegant in style, *Scarcity and Modernity* will appear to those with interests in social and political thought and cultural criticism.

**Epic** Herbert F. Tucker, 2012-11-29 Literary history has conventionally viewed Milton as the last real practitioner of the epic in English verse. Herbert Tucker's spirited book shows that the British tradition of epic poetry was unbroken from the French Revolution to World War I.

**Leo Strauss and His Legacy** John Albert Murley, 2005-01-01 With over 10,000 entries identifying work of hundreds of Strauss's students and their students, this bibliography is the most indeed the only comprehensive guide to published writing in the tradition of Leo Strauss. Murley includes Strauss's own complete bibliography and that of one of his most revered students, George Anastaplo.

**Routledge Revivals: Victorian Culture and the Idea of the Grotesque (1999)** Colin Trodd, Paul Barlow, David Amigoni, 2018-02-01 Originally published in 1999, *Victorian Culture and the Idea of the Grotesque* is the first fully interdisciplinary study of the subject and examines a wide range of sources and materials to provide new readings between style and concept. The book provides an original analysis of key articulations of the Grotesque in the literary culture of Ruskin, Browning and Dickens where it represents the eruptions, intensities, confusions and disturbed vitality of modern cultural experience such as the scientific revolution associated with Darwin and the nature of industrial society.

**A Half-century of Greatness** Frederic Ewen, 2007-09 *A Half-Century of Greatness* paints a vivid and dramatic picture of the creative thought of mid to late nineteenth-century Europe and the influence of the unsuccessful Revolutions of 1848. It reveals often unexpected links between novelists, poets and philosophers from England, Germany, Austria, Hungary, Russia and Ukraine, especially Dickens, Carlyle, Mill, the Brontës and George Eliot, Hegel, Strauss, Feuerbach, Marx, Engels, Wagner and several German poets, the Hungarian poet Sándor Petőfi, Gogol, Dostoevsky, Bakunin and Herzen in Russia and the great Ukrainian poet Shevchenko. The book was reconstructed and edited by Dr Jeffrey Wollock from Ewen's final manuscript. It includes the author's own reference citations throughout a reconstructed bibliography and an updated further reading list. This is Ewen's last work, the long lost companion to his *Heroic*

Imagination Together these books present a panorama of the social political and artistic aspects of European Romanticism especially foreshadowing and complementing recent work on the relation of Marxism to romanticism Anyone interested in what Lukacs called Romantic anticapitalism who appreciates such books as Marshall Berman s *Adventures in Marxism* 1999 Lwy Sayre s *Romanticism against the Tide of Modernity* 2001 or E P Thompson s *The Romantics* 1997 will find the Ewen volumes a welcome addition

## Reviewing **Seventh Hero Thomas Carlyle And The Theory Of Radical Activism**: Unlocking the Spellbinding Force of Linguistics
