Marxist Theory And Democratic Politics:

Marxist Theory and Democratic Politics Christopher Pierson, 1986-01-01 Political Philosophy and Political Action Adam Burgos, 2016-12-12 Political philosophers have long taken inspiration from political movements when crafting their theories which they hoped would address the universal problems of democracy Political Philosophy and Political Action investigates the relationship between political practices of popular resistance and political theory The text demonstrates how the lived experience on political resistance can help us to analyse and interpret theory and also reveals how concrete resistance movements can challenge the ideals of political theory generally It begins by examining the universal aspirations present within the contextual particularities of Black Lives Matter Occupy Wall Street and the Arab Spring Political Philosophy and Political Action then turns to critical examination of Jean Jacques Rousseau Karl Marx John Dewey and Jacques Rancière using novel interpretations of their philosophies of equality and democracy to construct a conceptual framework More specifically the chapters show how we can analyze resistance movements that incorporate the imperative to resist inequality in the name of democracy The result is a novel means of thinking about important issues in contemporary political philosophy including pluralism oppression and domination and the purposes and meaning of politics

Marxist Ethics within Western Political Theory N. Fischer, Asher Z Milbauer, 2015-04-09 As widely applied as Marxist theory is today there remain a host of key western thinkers whose texts are rarely scrutinized through a Marxist lens In this philosophical analysis of Marx's never before translated German notes on Machiavelli Montesquieu Rousseau and Lewis Henry Morgan Norman Fischer points to a strain of Marxist ethics that may only be understood in the context of the great works of Western political theory and philosophy particularly those that emphasize the republican value of public spiritedness the communitarian value of solidarity and the liberal values of liberty and equality **Revolutionary**

Democracy Soma Marik, 2018-03-09 In this wide ranging and insightful work Soma Marik defends the legacy of the Bolshevik Revolution arguing against many of its detractors that the early communist regime was centrally concerned with both the liberation of women and the expansion of democracy Soma Marik teaches Women's Studies and History at Jadavpur University **Understanding Democratic Politics** Roland Axtmann, 2003-03-06 This textbook is designed for first time students of politics It provides an ideal introduction and survey to the key themes and issues central to the study of democratic politics today The text is structured around three major parts concepts institutions and political behaviour and ideologies and movements Within each section a series of short and accessible chapters serve to both introduce the key ideas institutional forms and ideological conflicts central to the study of democratic politics and provide a platform for further in depth studies Each chapter contains a bullet point summary a guide to further reading and a set of questions for tutorial discussion Designed and written for an undergraduate readership Understanding Democratic Politics An Introduction will become an essential guide and companion to all students of politics throughout their university degree *Political*

Leadership in Liberal and Democratic Theory Joseph Femia, András Körösenyi, Gabriella Slomp, 2016-08-22 The working hypothesis of this book is that the issue of leadership is neglected by mainstream democratic and liberal theories This deficiency has especially become evident in the last three or four decades which have witnessed a revival of deontological liberalism and radical theories of participatory and deliberative democracy The contributors examine discuss and evaluate descriptive analytical and normative arguments regarding the role of leadership in liberal and democratic theory The volume seeks to provoke debate and to foster new research on the significance and function of leaders in liberal democracies The book as a whole and in its constitutive chapters works on two levels First it aims to expose the lack of systematic treatment of leadership in mainstream liberal and democratic theory Second it explores the reasons for this neglect Overall the book tries to convince the reader that liberal and democratic theories should revive the issue of leadership **Marxist Politics** Md. Ayub Mallick, 2022-12-15 This book deals with the main doctrines of Marxist politics Clearly and simply written the book explores the views of classical Marxists along with the findings of Western and Analytical Marxists It also shows a distinction between Marxist and non Marxist views on politics Their points of difference as well as their common roots are thus clearly accounted for Marxist politics is a coherent system of ideas and theories of class class struggle party revolution and the state developed in response to a series of major and interrelated changes the emergence of a capitalist economy the rise of the modern nation state and the development of modern science which transformed both the society and politics This book is intended to explore these ideas and theories Particular emphasis has been put on the ideas and views of critical Marxists in a separate chapter The book includes brief bibliographical details of major individual thinkers as well as an annotated bibliography for further reading Print edition not for sale in South Asia India Sri Lanka Nepal Bangladesh Pakistan and Bhutan **Deleuze, Marx and Politics** Nicholas Thoburn, 2003-09-02 A critical and provocative exploration of the political conceptual and cultural points of resonance between Deleuze s minor politics and Marx s critique of capitalist dynamics engaging with Deleuze s missing work *The Grandeur of Marx* This book explores the core categories of communism and capital in conjunction with a wealth of contemporary and historical political concepts and movements from the lumpenproletariat and anarchism to Italian autonomia and Antonio Negri immaterial labour and the refusal of work This book will serve as an introduction to Deleuze s politics and the contemporary vitality of Marx for students and will challenge scholars in the fields of social and political theory sociology and cultural studies **Marx and the Political Economy of the Media**, 2015-09-29 More than 130 years after Karl Marx s death and 150 years after the publication of his opus magnum *Capital Critique of Political Economy* capitalism keeps being haunted by period crises The most recent capitalist crisis has brought back attention to Marx s works This volume presents 18 contributions that show how Marx s analyses of capitalism the commodity class labour work exploitation surplus value dialectics crises ideology class struggles and communism help us to understand media cultural and communications in 21st century informational capitalism Marx is back This book is a key

resource on the foundations of Marxist Media Cultural and Communication Studies **Party Politics and Democratic Governance in India** Alaknanda Shringare,2009 Marx: Early Political Writings Karl Marx,1994-06-24 A newly translated selection of Marx's early political writings **The Specter of Democracy** Dick Howard,2002 In this rethinking of Marxism and its blind spots Howard uses a critical rereading of Marx as a theorist of democracy to offer a new way to think about this political ideal He argues that it is democracy rather than Marxism that is radical and revolutionary and that Marx could have seen this but did not **Negativity and Democracy** Vasilis Grollios,2017-01-12 The current political climate of uncompromising neoliberalism means that the need to study the logic of our culture that is the logic of the capitalist system is compelling Providing a rich philosophical analysis of democracy from a negative non identity dialectical perspective Vasilis Grollios encourages the reader not to think of democracy as a call for a more effective domination of the people or as a demand for the replacement of the elite that currently holds power In doing so he aspires to fill in a gap in the literature by offering an out of the mainstream overview of the key concepts of totality negativity fetishization contradiction identity thinking dialectics and corporeal materialism as they have been employed by the major thinkers of the critical theory tradition Marx Engels Horkheimer Lukacs Adorno Marcuse Bloch and Holloway Their thinking had the following common keywords contradiction fetishism as a process and the notion of spell and all its implications The author makes an innovative attempt to bring these concepts to light in terms of their practical relevance for contemporary democratic theory Marcel Gauchet and the Crisis of Democratic Politics Natalie J. Doyle,Sean McMorro,2022-02-25 This book presents for the first time in the English language Marcel Gauchet's interpretation of the challenges faced by contemporary Western societies as a result of the crisis of liberal democratic politics and the growing influence of populism Responding to Gauchet's analysis international experts explore the depoliticising aspects of contemporary democratic culture that explain the appeal of populism neo liberal individualism the cult of the individual and its related human rights and the juridification of all human relationships The book also provides the intellectual context within which Gauchet's understanding of modern society has developed in particular his critical engagement with Marxism and the profound influence of Cornelius Castoriadis and Claude Lefort on his work It highlights the way Gauchet's work remains faithful to an understanding of history that stresses the role of humanity as a collective subject while also seeking to account for both the historical novelty of contemporary individualism and the new form of alienation that radical modernity engenders In doing so the book also opens up new avenues for reflection on the political significance of the contemporary health crisis Marcel Gauchet and the Crisis of Democratic Politics will be of great interest to scholars and postgraduate students of social and political thought political anthropology and sociology political philosophy and political theory *Karl Marx's Social and Political Thought* Bob Jessop,Charlie Malcolm-Brown,1999 *Political Theory in Modern Germany* Chris Thornhill,2013-06-10 This book provides an accessible and comprehensive introduction to the major political thinkers of modern Germany It includes chapters on the works of Max

Weber Carl Schmitt Franz Neumann Otto Kirchheimer Jürgen Habermas and Niklas Luhmann These works are examined in their social and historical contexts ranging from the period of Bismarck to the present day A clear picture is presented of the connections between individual theoretical positions and the general political conditions of modern Germany Areas of political history covered in particular depth include nineteenth century legal and parliamentary history aspects of German liberalism Weimar social democracy political Catholicism Adenauer and Erhard Brandt's reforms and the Tendenzwende of the late 1970s By closely linking intellectual and political history this work examines how recent German political theory has developed as a set of varying responses to recurring aspects and problems of political life in modern Germany At the same time it addresses the philosophical and political implications of the works which it treats and it critically examines how modern German political theory has contributed to broader attempts to theorize political legitimacy and politics itself This book will be of interest to students of political theory German studies and European political history

Philosophy after Marx Christoph Henning, 2014-04-17 Christoph Henning writes a concise history of misreadings of Marx in the 20th century Focussing on German philosophy from Heidegger to Habermas he also addresses the influence of Rawls and Neopragmatism subsequently scrutinizing a previous history of Marx interpretations that had served as the premises upon which these later works were based Henning sketches a historical trajectory in which a theory of socialist politics enters the fields of economics sociology critical theory and theology before finally overloaded with intellectually dead freight entering into philosophy In so doing he takes a hermeneutic approach to how misreadings in a specific field proliferate into further misreadings across a variety of fields leading to an accumulation of questionable preconceptions With the recent resurgence of interest in Marx Henning's historical recursions make evident where and how academic Anti Marxism had previously got it wrong English translation of Philosophie nach Marx 100 Jahre Marxrezeption und die normative Sozialphilosophie der Gegenwart in der Kritik Transcript Verlag Bielefeld 2005

Democracy Ricardo Blaug, John J. Schwarzmantel, 2000 At a time when democracy appears to be universally acclaimed as the only acceptable form of government it is all the more necessary to be clear about what democracy means Democracy A Reader provides a range of pivotal statements on this important topic from supporters and defenders as well as critics and skeptics

Marx on Emancipation and Socialist Goals Robert X. Ware, 2018-10-14 This book responds to the need for a retrieval and renewal of the work of Karl Marx through close philosophical analysis of his publications manuscripts and letters especially those relevant to politics morality and the future This philosophical study stands out because of its two principal features First it reviews and develops ideas about the future though often only briefly discussed by Marx and his commentators drawn from Marx's work Second it focuses on collective matters that are critical for Marx's ideas but rarely investigated and still problematic Part One introduces Marx with a discussion of emancipation and freedom in community It then discusses the importance of retrieval and the methodology for promoting it Part Two is about misunderstandings of Marx's ideas about productive development

division of labour and organisations Part Three discusses nations morality and democracy all of which Marx supported Part Four takes up Marx s significant but misunderstood ideas about the future and his relation to the anarchists *Hegemony and Socialist Strategy* Ernesto Laclau, Chantal Mouffe, 2001-05-17 How is the present crisis of left wing thought to be understood

Marxist Theory And Democratic Politics Introduction

In today's digital age, the availability of Marxist Theory And Democratic Politics books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Marxist Theory And Democratic Politics books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Marxist Theory And Democratic Politics books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Marxist Theory And Democratic Politics versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Marxist Theory And Democratic Politics books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Marxist Theory And Democratic Politics books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Marxist Theory And Democratic Politics books and manuals

is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Marxist Theory And Democratic Politics books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Marxist Theory And Democratic Politics books and manuals for download and embark on your journey of knowledge?
