Mexican Night Travel Journal:

The Mexican Night. Travel Journal. (Second Printing.). Lawrence Ferlinghetti, 1970 **The Mexican Night** Lawrence Ferlinghetti, 1970 *The Mexican Night* Lawrence Ferlinghetti, 1998 **The Beats in Mexico** David Stephen Calonne, 2022-04-15 Mexico features prominently in the literature and personal legends of the Beat writers from its depiction as an extension of the American frontier in Jack Kerouac's *On the Road* to its role as a refuge for writers with criminal pasts like William S. Burroughs. Yet the story of Beat literature and Mexico takes us beyond the movement's superstars to consider the important roles played by lesser-known female Beat writers. The first book-length study of why the Beats were so fascinated by Mexico and how they represented its culture in their work, this volume examines such canonical figures as Kerouac, Burroughs, Ginsberg, Lamantia, McClure, and Ferlinghetti. It also devotes individual chapters to women such as Margaret Randall, Bonnie Bremser, and Joanne Kyger, who each made Mexico a central setting of their work and interrogated the misogyny they encountered in both American and Mexican culture. *The Beats in Mexico* not only considers individual Beat writers but also places them within a larger history of countercultural figures from D. H. Lawrence to Antonin Artaud to Jim Morrison, who mythologized Mexico as the land of the Aztecs and Maya, where shamanism and psychotropic drugs could take you on a trip far beyond the limits of the American imagination. *The Diary* Batsheva Ben-Amos, Dan Ben-Amos, 2020-03-10 The diary as a genre is found in all literate societies and these autobiographical accounts are written by persons of all ranks and positions. *The Diary* offers an exploration of the form in its social, historical, and cultural literary contexts with its own distinctive features, poetics, and rhetoric. The contributors to this volume examine theories and interpretations relating to writing and studying diaries, the formation of diary canons in the United Kingdom, France, United States, and Brazil, and the ways in which handwritten diaries are transformed through processes of publication and digitization. The authors also explore different diary formats, including the travel diary, the private diary, conflict diaries written during periods of crisis, and the diaries of the digital era such as blogs. *The Diary* offers a comprehensive overview of the genre, synthesizing decades of interdisciplinary study to enrich our understanding of research about and engagement with the diary as literary form and historical documentation. **Autobiographical Writings on Mexico** Richard D. Woods, 2024-10-14 This is the definitive bibliography of autobiographical writings on Mexico. The book incorporates works by Mexicans and foreigners with authors ranging from disinherited peasants, women, servants, and revolutionaries to more famous painters, writers, singers, journalists, and politicians. Primary sources of historic and artistic value, the writings listed provide multiple perspectives on Mexico's past and give clues to a national Mexican identity. This work presents 1,850 entries, including autobiographies, memoirs, collections of letters, diaries, oral autobiographies, interviews, and autobiographical novels and essays. Over 1,500 entries list works from native-born Mexicans written between 1691 and 2003. Entries include basic bibliographical data: genre, author's life dates, narrative dates, available translations into English, and annotation. The bibliography is indexed by author, title, and

subject and appendices provide a chronological listing of works and a list of selected outstanding autobiographies

Love in the Days of Rage Lawrence Ferlinghetti, 2001-10-02 The more I make love the more I want revolution the more I make revolution the more I want to make love In Paris in May of 1968 revolution and love are very much in the air The barricades are going up the students of the Sorbonne are taking to streets alive with the graffiti of revolt and the Odeon is ablaze with speechmaking For Annie a young American painter and Julian her Portuguese lover a banker and anarchist the events of that Paris spring form the backdrop against which their love affair is played Annie sees the world through an artist's eyes she is reckless in her passions wanting and needing love with other people There is none of this fanciful nonsense for Julian an anarchist disdainful of the entire human race who thinks even the enraged students storming the streets of Paris with their posters proclaiming open the windows of your heart and revolution is the ecstasy of history to be hopelessly naïve and sheeplike Ferlinghetti charts the progress of love unfolding against those heady and momentous days when the pampered children of the bourgeoisie tried to find common cause with workers who despised them when Julian and Annie were in the heat of their love and reason
