Mexican Political Biographies 1935 1981:

Mexican Political Biographies Roderic Ai Camp, 1982 *Mexican Political Biographies, 1935-2009* Roderic Ai Camp, 2011-10-01 This fourth edition of Roderic Camp's highly respected Mexican Political Biographies is an updated comprehensive biographical directory of leading state and national politicians in Mexico covering the years 1935-2009. The original edition published in 1976 was the first and only comprehensive biographical work on contemporary political figures in any language and served as the prototype for the Mexican government's brief foray into its own official biographical directory. The Mexican Supreme Court has cited every biography of justices in the third edition as the basis of its biographies in the late 1980s. With updates of the existing biographies and appendices plus almost 1,000 additional biographies, this fourth edition now features close to 3,000 entries and serves as a unique resource list of the chronological occupants of all leading national political posts. The need for such information has become even more pronounced since Mexico's political transformation from a semi-authoritarian to a democratic model. This latest edition allows readers access to information about Mexican politicians into the new century and like its earlier versions will be a valuable tool for government officials, journalists, historians, social scientists, the business community, and students. Finally, it includes a detailed bibliographic essay that identifies and explains the significance of biographical sources and has been enhanced by numerous up-to-date Internet sources. An added convenience is an accompanying CD that allows readers to search the biographies and appendices, enhancing the longevity, usefulness, and uniqueness of this edition. *Mexican Political Biographies, 1935-1981* Roderic A. Camp, 1982 Sons of the Mexican Revolution Ryan M. Alexander, 2016-10 Using a wide array of new archival sources, Alexander demonstrates that the transformative political decisions made by civilian government officials after the 1946 election represented both their collective values as a generation and their effort to adapt those values to the realities of the Cold War. *Governing Mexico* John J. Bailey, 1988-06-18 Based on extensive fieldwork and a wide variety of US and Mexican academic, government, and journalistic sources, this book analyzes the critical institutions and policy issues that will determine whether and how the Mexican government can modernize the economy and retain political legitimacy.

Dictionary of Mexican Literature Eladio Cortés, 1992-11-24 This volume features approximately 600 entries that represent the major writers, literary schools, and cultural movements in the history of Mexican literature. A collaborative effort by American, Mexican, and Hispanic scholars, the text contains bibliographical, biographical, and critical material, placing each work cited within its cultural and historical framework. Intended to enrich the English-speaking public's appreciation of the rich diversity of Mexican literature, works are selected on the basis of their contribution toward an understanding of this unique artistry. The dictionary contains entries keyed by author, and the length of each entry is determined by the relative significance of the writer or movement being discussed. Each biographical entry identifies the author's literary contribution by including facts about his or her life and works, a chronological list of works, a supplementary bibliography, and when

appropriate critical notes Authors are listed alphabetically and cross referenced both within the text and the index to facilitate easy access to information Selected bibliographical entries are also listed alphabetically by author and include both the original title and English translation publisher date and place of publication and number of pages

Feeding Mexico Enrique C. Ochoa, 2001-09-01 Winner of the 1998 Michael C Meyer Manuscript Prize Feeding Mexico The Political Uses of Food since 1910 traces the Mexican government's intervention in the regulation production and distribution of food from the days of Cardenas to the recent privatization inspired by NAFTA Professor Ochoa argues that the real goals of the government's food subsidies were political driven by presidential desires to court urban labor Many of the agencies and policies were hastily set in place in response to short term political or economic crises Since the goals were not to alleviate poverty but to provide modest subsidies to urban consumers the policies did not eliminate destitution or malnutrition in the country Despite the minimal achievements of these interventionist policies the State Food Agency provided a symbol of the state's concern for the workers The elimination of the Agency in the 1990s prompted social protest and unrest Feeding Mexico is the first study to examine the creation of networks to deliver food products the relationship of these channels of distribution to the food crisis and the role of the state in trying to ameliorate the problem Based on exhaustive research of new archival material and richly documented with statistical tables this book exposes the dynamics and outcome of social policy in twentieth century Mexico

Generals in the Palacio Roderic A. Camp, 1992 While there is considerable literature on civilian military relations worldwide there is as yet no study of the Mexican military Despite their intense desire to remain unexamined Camp's portrait of the Mexican military from 1946 to 1990 takes us inside their world to examine their values relationships backgrounds education and promotion patterns and considers these findings in the context of Mexican society and politics Camp provides fresh empirical data for testing claims concerning civil military relations worldwide

A Selected Bibliography on the United States Army in Latin America US Army Military History Institute, Claude C. Sturgill, 1986

Miraculous Metamorphoses J. Demmers, A.E. Fernandez Jilberto, Barbara Hogenboom, 2001-03 This volume examines a central conundrum of Latin American politics How is that the triumph of neoliberal inspired economic restructuring in the 1980s and 90s did not cause the political demise of populist movements What is remarkable as these scholars show is that Latin American populist parties which had long been associated with statist quasi Keynesian even demagogic economic policies have survived the transition to the much harsher era of free markets privatisation unemployment and increasing inequality And without apparently losing their political popularity in contrast both to the far left and traditional oligarchic parties Indeed Latin American populist forces seem to have made neoliberalism their own The Editors have carefully chosen from South and Central America a representative set of countries through which to explore this phenomenon Argentina Chile Brazil Peru Ecuador Mexico El Salvador and Nicaragua What emerges is an up to date nuanced modern political history of Latin America which does full justice to the distinctive political paths of each country while at the same time making clear the

significant extent to which the region's populist tradition as a whole has adapted to the new economic realities. This is in marked contrast to the very different political trajectories of Africa and Asia in the past two decades. *Democracy Within Reason* Miguel Angel Centeno, 2010-11-01 **Mexico's Relations with Latin America During the Cárdenas Era** Amelia M. Kiddle, 2016-10-15 Appendix 1 Diplomatic Representation by Latin American Country 1934-1940 Appendix 2 Diplomats Posted to Latin America 1934-1940 Notes Bibliography Index Back Cover *The Politics of Water* Vivienne Bennett, 1995-11-15 Monterrey is Mexico's second most important industrial city emerging in this era of free trade as a cornerstone of Mexico's economic development. But development has been uneven and has taken a toll. As recently as the early 1980s nearly a quarter of the city's almost three million inhabitants did not have running water in their homes. At the same time heavy industry especially steel iron chemical and paper works were major users of water in their production processes. Extensive industrialization coupled with a lack of infrastructure development astonishing in a major industrial city raises serious questions about the process of planning urban services in Mexico. Bennett uses the water crisis of the 1980s as a lens through which to reveal this planning process and the provision of public services in Monterrey. She finds three groups who were central to the evolution of the city's water system: federal and state government leaders, the regional private sector elite, the Grupo Monterrey, and women living in the low income neighborhoods of the city. Bennett unravels the politics of water in Monterrey by following three threads of inquiry. First she examines the water services themselves: what was built, when, why, and who paid for them. She then reveals the response of poor women to the water crisis, analyzing who participated in protests, the strategies they used, and how the government responded. And finally she considers the dynamics of planning water services for the private sector and the government in investment and management. In the end Monterrey's water services improved because power relations shifted and because poor women in Monterrey used protests to make national news out of the city's water crisis. *The Politics of Water* makes a significant contribution to the emerging scholarship on regional politics in Mexico and to a deeper understanding of the Monterrey region in particular. Until recently most scholarly writing on Mexico spoke of the national political system as a monolithic whole. Scholars such as Vivienne Bennett are now recognizing the power of local citizens and the significant differences among regions when it comes to politics, policy making, and governmental investment decisions. **Latin American Research Review**, 1996 *The Contemporáneos Group* Salvador A. Oropesa, 2010-01-01 In the years following the Mexican Revolution a nationalist and masculinist image of Mexico emerged through the novels of the Revolution, the murals of Diego Rivera, and the movies of Golden Age cinema. Challenging this image were the Contemporáneos, a group of writers whose status as outsiders, sophisticated urbanites, gay men, women gave them not just a different perspective but a different gaze, a new way of viewing the diverse Mexicos that exist within Mexican society. In this book Salvador Oropesa offers original readings of the works of five Contemporáneos: Salvador Novo, Xavier Villaurrutia, Agustín Lazo, Guadalupe Marín, and Jorge Cuesta, and their efforts to create a Mexican literature that was

international attuned to the realities of modern Mexico and flexible enough to speak to the masses as well as the elites Oropesa discusses Novo and Villaurrutia in relation to neo baroque literature and satiric poetry showing how these inherently subversive genres provided the means of expressing difference and otherness that they needed as gay men He explores the theatrical works of Lazo Villaurrutia's partner who offered new representations of the closet and of Mexican history from an emerging middle class viewpoint Oropesa also looks at women's participation in the Contemporaneos through Guadalupe Marín the sometime wife of Diego Rivera and Jorge Cuesta whose novels present women's struggles to have a view and a voice of their own He concludes the book with Novo's self transformation from intellectual into celebrity which fulfilled the Contemporaneos desire to merge high and popular culture and create a space where those on the margins could move to the center

Democratic Accountability in Latin America Scott Mainwaring, Christopher Welna, 2003-07-31 This volume on democratic accountability addresses one of the burning issues on the agenda of policy makers and citizens in contemporary Latin America In much of Latin America disenchantment and cynicism have set in regarding the quality of elected governments raising the prospect of a new round of democratic erosion and breakdowns One of the important emerging challenges for improving the quality of democracy revolves around how to build more effective mechanisms of accountability A widespread perception prevails in much of the region that government officials are not sufficiently subject to routinized controls by oversight agencies Corruption lack of oversight impunity of state actors and improper use of public resources are major problems in most countries of the region Dealing with these issues is paramount to restoring and deepening democratic legitimacy The fundamental question in this volume is how democratic leaders in Latin America can improve accountability while simultaneously promoting governmental effectiveness These issues have acquired urgency in contemporary Latin America because of heightened public concern about corruption and improper governmental actions on the one hand yet on the other uncertainty about the potential tradeoff between tightened accountability of officials and effective policy results The volume enhances understanding of three key issues First it enriches understanding of the state of non electoral forms of democratic accountability in contemporary Latin America What are some of the major shortcomings in democratic accountability How can they be addressed What are some major innovations in the efforts to enhance democratic accountability A second contribution of the volume is conceptual Accountability is a key concept in the social sciences yet its meaning varies widely from one author to the next The authors in this volume especially in the first four chapters explicitly debate how best to define and delimit the concept Finally the volume also furthers understanding of the interactions between various mechanisms and institutions of accountability Many of the authors address how electoral accountability the accountability of elected officials to the voters interact with the forms of accountability in which state agencies oversee and sanction public officials The volume provides extensive treatment of this important but hitherto under explored interaction

Mexican Politics in Transition Judith Gentleman, 2019-03-13 Initiated in the mid 1970s Mexico's program of political

reform was designed to provide a new opportunity for political competition In this book contributors examine the significance political mobilization has had and the extent to which the reform has served as a vehicle for defusing discontent in the wake of Mexico's failed oil based development

El pulso de los sexenios Miguel Basáñez, 1990

Plutarco Elías Calles and the Mexican Revolution Jürgen Buchenau, 2006-12-13 The only substantive study of Plutarco Elías Calles and the Mexican Revolution this book traces the remarkable life story of a complex and little understood yet key figure in Mexico's history Jürgen Buchenau draws on a rich array of archival evidence from Mexico the United States and Europe to explore Calles's origins and political trajectory He hailed from Sonora a border state marked by fundamental social and economic change at the turn of the twentieth century After dabbling in various careers Calles found the early years of the revolution 1910-1920 afforded him the chance to rise to local and ultimately national prominence As president from 1924 to 1928 Calles embarked on an ambitious reform program modernized the financial system and defended national sovereignty against an interventionist U.S. government Yet these reforms failed to eradicate underdevelopment corruption and social injustice Moreover his unyielding campaigns against the Catholic Church and his political enemies earned him a reputation as a repressive strongman After his term as president Calles continued to exert broad influence as his country's foremost political figure while three weaker presidents succeeded each other in an atmosphere of constant political crisis He played a significant role in founding a ruling party that reined in the destructive ambitions of leading army officers and promised to help campesinos and workers attain better living conditions This dynastic party and its successors including the present day Partido Revolucionario Institucional PRI or Party of the Institutional Revolution remained in power until 2000 Many of the institutions and laws forged during the Calles era survived into the present Through this comprehensive assessment of a quintessential politician in an era dominated by generals entrepreneurs and educated professionals Buchenau opens an illuminating window into the Mexican Revolution and contemporary Mexico

Mexican Political Biographies 1935 1981 Introduction

In today's digital age, the availability of Mexican Political Biographies 1935 1981 books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Mexican Political Biographies 1935 1981 books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Mexican Political Biographies 1935 1981 books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Mexican Political Biographies 1935 1981 versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation.

Furthermore, Mexican Political Biographies 1935 1981 books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Mexican Political Biographies 1935 1981 books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Mexican Political Biographies 1935 1981 books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain

books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Mexican Political Biographies 1935 1981 books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Mexican Political Biographies 1935 1981 books and manuals for download and embark on your journey of knowledge?

FAQs About Mexican Political Biographies 1935 1981 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Mexican Political Biographies 1935 1981 is one of the best book in our library for free trial. We provide copy of Mexican Political Biographies 1935 1981 in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Mexican Political Biographies 1935 1981. Where to download Mexican Political Biographies 1935 1981 online for free? Are you looking for Mexican Political Biographies 1935 1981 PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is

always to check another Mexican Political Biographies 1935 1981. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Mexican Political Biographies 1935 1981 are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Mexican Political Biographies 1935 1981. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Mexican Political Biographies 1935 1981 To get started finding Mexican Political Biographies 1935 1981, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Mexican Political Biographies 1935 1981 So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Mexican Political Biographies 1935 1981. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Mexican Political Biographies 1935 1981, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Mexican Political Biographies 1935 1981 is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Mexican Political Biographies 1935 1981 is universally compatible with any devices to read.
