At the End of Time Robin Robertson, 2011-05-01 Many cycles predicting the end of times fill our modern dialog from the coming of the Millennium to 2012 Robin Robertson helps to clarify these prophecies and offers insight into the central issues of our challenges and the experience and their life changing implications For eighteen hundred years the prophecies in the Book of Revelation have captured the collective Western imagination Saint John s rich imagery and the dramatic urgency of the looming disasters he predicts have both fascinated and frightened us with its apparent message that the end of time is near Robin Robertson Ph D deciphers the mystical theology and visions of the prophets seers and shamans His analysis incorporates the insights of modern mathematics and Chaos Theory as well as his personal insights gained through his work as a Jungian therapist and teacher Robertson holds a mirror to humanity s need to know Self and God He explains that Saint John s vision foretells the massive change in consciousness that is happening in our time

Mediacology Antonio Lopez, 2008 Traditional media literacy models are mostly left brained inherited from the legacy of alphabetic literacy the Gutenberg press revolution and industrial mass media production New digital media radically alter the environment their nonlinear multisensory field like properties are more right brain oriented Consequently rather than focus exclusively on deconstructing the products of design objects such as an advertisement text digital learning should respond to the design of the system itself including cultural and cognitive bias Mediacology proposes a design for pattern approach called media permaculture which restructures media literacy to be in

sync with new media practices connected with sustainability and the perceptual functions of the right brain hemisphere In the same way that permaculture approaches gardening by establishing the natural parameters of its ecological niche media permaculture explores the individual s mediacological niche in the context of knowledge communities By applying bioregional thinking to the symbolic order media permaculture redresses the standard one size fits all literacy model by taking into account diverse cognitive strategies and emerging convergence media practices Antonio L pez applies a practical knowledge of alternative media cross cultural communication and ecology to build a meaningful theory of media education

Pseudoscience Lydia Kang,Nate Pedersen,2025-02-18 From the authors of Quackery a visual and narrative history of popular ideas phenomena and widely held beliefs disproven by science From the easily disproved to the wildly speculative to straight up hucksterism Pseudoscience is a romp through much more than bad science it s a light hearted look into why we insist on believing in things such as Big Foot astrology and the existence of aliens Did you know for example that you can tell a person s future by touching their butt Rumpology It s a thing but not really Or that Stanley Kubrick made a fake moon landing film for the US government Except he didn t Or that spontaneous human combustion is real It ain t but it can be explained scientifically Pseudoscience is a wild mix of history pop culture and good old fashioned science that not just entertains but sheds a little light on why we all love to believe in things we know aren t true **UNLOCKING THE DREAM**

VISION R.J. von-Bruening,2018-10-31 Unlocking the Dream Vision The secret history of creation will take you on a profound journey into the mysterious mystical esoteric symbolism of the largely forgotten Dream Vision that is buried deep within the ancient Book of Enoch It is a unique and captivating journey that reveals one of the most heretical blasphemous and controversial accounts of creation ever told for both believer and skeptic Within its pages you will learn of the ancient system of mystical symbolism and initiation that was born in the religious temples that ruled the city states of the first civilizations You will also be introduced to the radical 2 000 year old theory from the legendary Library of Alexandria that the true story of our own mysterious origins lays within the system of allegories and mystical symbolism of the mythologies and sacred writings of the ancient world A system that was first created by the professional class of writers known as the scribes in order to conceal and protect the forbidden knowledge of the gods and the secret history of creation itself By using this non traditional approach you will discover how the highly symbolic Dream Vision written by the righteous scribe and mysterious lost prophet of the Bible Enoch is the key to unlocking this ancient system of mystical symbolism and the secret history of humanity It is the same secret that is still hidden within the symbolism of the mysterious esoteric brotherhoods secret societies and hidden orders of the world It is through this exceptional system of mystical symbolism created by the ancient scribes that the origin and true meaning to all the mystical symbols like the pentagram the all seeing eye and the unfinished pyramid are revealed You will also learn the answers to some of the greatest mysteries concerning the biblical story For you will find that the mystical symbolism of the Dream Vision contains the secrets of the Watchers the Giants the great Flood of

Noah and so many more mysteries which are uncovered for the first time Not only are the hidden secrets of the Bible uncovered through the mystical symbolism but it will also reveal the greatest secrets of mythology and the ancient world You will understand the secret meaning to the ever famous symbol of the Bull the Twin Brothers of legend and even the monsters of myth like the terrible Hydra You will even learn the real reason why the Great Pyramid was built the real secret of the Pleiades cluster the lost city of Atlantis and the other mysterious lost civilizations of the Ice Age moreover with the conclusive evidence of the terrible cataclysm that befell them all You will also be presented with an entirely new theory on the identity and true origins of the mysterious figures our ancient ancestors worshiped as the gods without invoking ancient aliens or endless religious speculation

Where the Tall Grass Grows Bobby Bridger,2016-07-20 In this entertaining and thought provoking book noted historian and musician Bobby Bridger explores the impact of Native American culture on the American psyche The book also examines the impact of indigenous American mythology on contemporary identity and the development of modern popular entertainment particularly the Hollywood film industry

A History of the Apocalypse Catalin Negru,2023-01-20 Religion For thousands of years this thing has dictated which people should live and which people should die what shape our buildings should have or what colors our garments should contain what food people should eat or what words people should speak If religion is the opium of the masses then beliefs about the end of the world are like overdoses People touched by such beliefs no longer rely on a hidden personal and intimate god contemplated upon from the safe distance of the beating human heart They live with the promise of divine intervention at a grand scale on the current coordinates of space and time This can be an exceptional motivator and a game changer in terms of civil obedience both at an individual and collective level In the name of an immediate and palpable deity people can commit shocking cruelties However such belief can also account for some of the most exceptional social developments in human history

Gospel of the Open Road Robert C. Gordon, PhD,2001-01-28 Gospel of the Open Road reclaims Ralph Waldo Emerson Walt Whitman and Henry David Thoreau as Americas spiritual birthright It rescues them from literary history and reveals them in their true light as democracys prophets of the soul Emerson Whitman and Thoreau were religious seers who developed a new form of spirituality and Gospel of the Open Road explains in scholarly yet passionate fashion the deep wisdom that is their enduring legacy It presents them as a viable spiritual path for those who do not belong and do not want to belong to any organized religion But this book does more It draws fascinating parallels between the new spirituality taught by Emerson Whitman Thoreau and ancient spiritual wisdom as found in shamanism Goddess worship Tantra Taoism Confucianism Vajrayana and Zen Buddhism and Hinduism This book is an evocative synthesis of humanitys most venerable spiritual wisdom and the most modern of philosophical social psychological political scientific and Humanistic concepts It traces the New Age spiritual revolution to its source in Emerson Whitman and Thoreau and explains how to apply their spiritual teachings to our everyday life here on Earth

The Global Mind and the Rise of Civilization Carl Johan Calleman, 2016-05-17 How the global mind drives the evolution of both consciousness and civilization Explains how our brains receive consciousness from the global mind which upgrades human consciousness according to a pre set divine time frame Reveals how the Mayan Calendar provides a blueprint for these consciousness downloads throughout history Examines the mind shift in humans and the development of pyramids and civilization in ancient Egypt Sumer South America and Asia beginning in 3115 BCE In each culture the origins of civilization can be tied to the arising of one concept in the human mind straight lines Straight and perpendicular lines are not found in nature so where did they come from What shift in consciousness occurred around the globe that triggered the start of rectangular building methods and linear organization as well as written language pyramid construction mathematics and art Offering a detailed answer to this question Carl Calleman explores the quantum evolution of the global mind and its holographic resonance with the human mind He examines how our brains are not thinking machines but individual receivers of consciousness from the global mind which creates holographic downloads to adjust human consciousness to new cosmological circumstances He explains how the Mayan Calendar provides a blueprint for these downloads throughout history and how the global mind rather than the individual has the power to make civilizations rise and fall He shows how at the beginning of the Mayan 6th Wave Long Count in 3115 BCE the global mind gave human beings the capacity to conceptualize spatial relations in terms of straight and perpendicular lines initiating the building of pyramids and megaliths around the world and leading to the rise of modern civilization He examines the symbolism within the Great Pyramid of Giza and the pyramid at Chich n Itz and looks at the differences between humans of the 6th Wave in ancient Egypt Sumer South America and Asia and the cave painters of the 5th Wave He reveals how the global mind is always connected to the inner core of the Earth and discusses how the two halves of the brain parallel the civilizations of the East and West Outlining the historical psychological geophysical and neurological roots of the modern human mind Calleman shows how studying early civilizations offers a means of understanding the evolution of consciousness

Astrology and the Rising of Kundalini Barbara Hand Clow, 2013-09-02 Revised and updated edition of the classic astrology text on predicting and navigating life crises Provides charts for the transits of Saturn Uranus and Chiron now updated through 2050 to predict your personal growth cycles and timing of kundalini rising Shares tools to cope with the intensity of spiritual emergency and direct the kundalini energy released during planetary passages Includes a new preface by the author

reflecting on 20 years of success stories since the book's initial publication. No astrological chart needed to use this book. In this updated edition of *Liquid Light of Sex*, renowned astrologer and spiritual teacher Barbara Hand Clow explores the connection between life crises in your 30s, 40s, and 50s and the key astrological passages of Saturn, Uranus, and Chiron in your birth chart. She explains how kundalini energy, the liquid light of sex that lies at the base of the spine, is activated during these planetary transits, rising through the chakras and triggering the process of spiritual emergency, and in many cases, a cascade of health, emotional, and relationship problems, as well as extreme anxiety. She shows that by understanding these astrological transits, you can be prepared for turbulent periods and successfully navigate them by creatively channeling the spiritual fire of kundalini. Clow provides astrological charts, now updated through 2050, for those born between 1930 and 2000, detailing the cycles of Saturn, Uranus, and Chiron so you do not need your birth chart to use this book. She explains how to use the charts to predict the onset and completion of each kundalini activation and corresponding crisis. She shares tools for individuals and therapists to cope with the intensity of spiritual emergency and too much fire energy, unblock the chakras, and integrate the power of kundalini for physical, emotional, and spiritual growth. Reflecting on 20 years of success stories since the book's initial publication, Clow presents a road map for using celestial cycles to navigate positively and productively in times of great life change.

Luciferic Verses Eric Cunningham, 2023-02-07 It is a significant, momentous fact that in the third millennium before Christ, an incarnation of Lucifer in the flesh actually took place in the east of Asia. And from this incarnation of Lucifer in the flesh, for this being became a teacher, there went forth what is described as the pre-Christian pagan culture that still survived in the gnosis of the earliest Christian centuries. Rudolf Steiner, *The Influences of Lucifer and Ahriman*. In the West today, Laozi, who lived sometime between the 6th and 4th centuries BC, is perhaps the best known, along with Confucius, ancient Chinese philosopher, owing to numerous modern renderings of his *Daodejing* or *Tao Te Ching*. Eric Cunningham relates the substance of Laozi's classic work to modern philosophers and thinkers, especially Rudolf Steiner and his esoteric cosmology and philosophy, drawing significant and surprising parallels and contrasts with regard to Steiner's modern path of inner development and to aspects of popular culture. In doing so, he also sheds light on the evolution of consciousness and the universality of Laozi's wisdom of more than two millennia ago. Cunningham combines a new translation of the Chinese classic *Daodejing* with a unique interpretation of the Dao for today, innovatively employing perspectives of Rudolf Steiner's Anthroposophy interwoven with esoteric world history. Inspirations for this singular reading of the *Daodejing* include the suggestion by contemporary esoteric scholars that the mythical Yellow Emperor of Chinese history was a human incarnation of the spirit called Lucifer in the West. This argument has been used to explain the ways in which demigods have inserted themselves into the earthly sphere to affect human evolution and history. This theory resonates with certain readings of Genesis 6 and the idea that fallen angels have penetrated the human world and promoted the establishment of ruling classes and elite bloodlines throughout history. *The Luciferic Verses* considers such claims from the

perspective of esoteric history The author evaluates them on the basis of their convergence with kindred concepts including Zen enlightenment mysticism and the simulation hypothesis depicted in the Matrix films revealing the activities and historical implications of Gnosticism He makes a bold case for this common thread in various consciousness only concepts of mind from Plato and the ancient Skeptics to Daoism Zen and even the idealism of the 1960s leading directly to postmodern hypotheses of digital consciousness Today philosophers are exploring such topics as virtual reality and digital simulation as new ways of discussing the contours of reality suggested in the Daodejing Rather than leading us to a more humanistic vision of reality as the Daoist scholars traditionally maintain this theory of mind might be the root of a systematic anti humanist impulse that has operated throughout world history The Luciferic Verses offers fresh perspectives on Laoze s classic guide to life and inner development describing its relevance and meaning for today s cultural milieu and modern esoteric thought

The Order of Days David Stuart, 2011-05-17 The world s foremost expert on Maya culture looks at 2012 hysteria and explains the truth about what the Maya meant and what we want to believe Apocalypse 2012 An Investigation into Civilizations End The World Cataclysm in 2012 2012 The return of Quetzalcoatl According to many of these alarmingly titled books the ancient Maya not only had a keen insight into the mystical workings of our planet and the cosmos but they were also able to predict that the world will end in the year 2012 David Stuart the foremost scholar of the Maya and recipient of numerous awards for his work takes a hard look at the frenzy over 2012 and offers a fascination and accurate trip through Mayan culture and belief Stuart shows how the idea that the end of the Mayan calendar which supposedly heralds the end of our own existence says far more about our culture than about the ancient Maya The Order of Days explores how the real intellectual achievement of ancient Maya timekeeping and worldview is far more impressive and remarkable than any of the popular and often outrageous claims about this advanced civilization As someone who has studied the Maya for nearly all of his life and who specializes in reading their ancient texts Stuart sees the 2012 hubbub as the most recent in a long chain of related ideas about Mesoamericans the Maya in particular that depicts them as somehow oddball not of this world or as having some strong mystical link to other realms Because the year 2012 has no prominent role in anything the ancient Maya ever actually wrote Stuart takes a wider look at the Maya concepts of time and their underlying philosophy as we can best understand them The ancient Maya Stuart contends were worthy of study and admiration not because they were strange but because they were altogether human and they developed a compelling vision of time unlike any other civilization before or since

Missionary Practices and Spanish Steel Andrew L. Toth, 2012-10 The work and ministries of the Roman Catholic friars who gave their lives both as martyrs for the cause of their church and in years of hard and often thankless labor are the inspiration and basis for Missionary Practices and Spanish Steel a theological and practical narrative that seeks to remember and understand their accomplishments in Christian mission Missionary and theologian Andrew L Toth investigates the roots of Christian mission as it developed into the field of Christian missiology in the chaotic terrible and incredibly diverse three

hundred year Spanish conquest of North America indigenous nations Through his research Toth shows that in the great majority of the cases studied the friars accomplished their goals to transform these native cultures into their own Spanish culture to account them as Roman Catholic Christians This study us more than just a history of the friars missionary movement Toth not only explores how Spanish Catholic missionaries approached their work but also asks to what extent their approach conformed to a particular theological perspective Toth rounds out his argument by speculating on what the friars can teach us about the role of missionaries today Comprehensive and thought provoking Missionary Practices and Spanish Steel offers a new perspective on the current missionary movement by looking through the lens of the past

Transhumanism David Livingstone,2015-09-02 Transhumanism is a recent movement that extols man s right to shape his own evolution by maximizing the use of scientific technologies to enhance human physical and intellectual potential While the name is new the idea has long been a popular theme of science fiction featured in such films as 2001 A Space Odyssey Blade Runner the Terminator series and more recently The Matrix Limitless Her and Transcendence However as its adherents hint at in their own publications transhumanism is an occult project rooted in Rosicrucianism and Freemasonry and derived from the Kabbalah which asserts that humanity is evolving intellectually towards a point in time when man will become God Modeled on the medieval legend of the Golem and Frankenstein they believe man will be able to create life itself in the form of living machines or artificial intelligence Spearheaded by the Cybernetics Group the project resulted in both the development of the modern computer and MK Ultra the CIA s mind control program MK Ultra promoted the mind expanding potential of psychedelic drugs to shape the counterculture of the 1960s based on the notion that the shamans of ancient times used psychoactive substances equated with the apple of the Tree of Knowledge And as revealed in the movie Lucy through the use of smart drugs and what transhumanists call mind uploading man will be able to merge with the Internet which is envisioned as the end point of

Kabbalistic evolution the formation of a collective consciousness or Global Brain That awaited moment is what Ray Kurzweil a director of engineering at Google refers to as The Singularity By accumulating the total of human knowledge and providing access to every aspect of human activity the Internet will supposedly achieve omniscience becoming the God of occultism or the Masonic All Seeing Eye of the reverse side of the American dollar bill
