Alcohol and Pleasure Stanton Peele, Marcus Grant, 2013-05-13 There is no simple threshold between the experience of drinking and the pleasure it can bring on the one hand and the pain and suffering caused by alcohol abuse on the other But if we are to understand the role of alcohol in society then at the very least we need to acknowledge the pleasure as well as the pain Alcohol and Pleasure aims to bring together existing knowledge on the role of pleasure in drinking and determine whether the concept is useful for scientific understanding and policy consideration *The Rotarian*, 1967-12 Established in 1911 The Rotarian is the official magazine of Rotary International and is circulated worldwide Each issue contains feature articles columns and departments about or of interest to Rotarians Seventeen Nobel Prize winners and 19 Pulitzer Prize winners from Mahatma Ghandi to Kurt Vonnegut Jr have written for the magazine LIFE, 1963-06-07 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today's people and events They have free access to share print and post images for personal use

The Architecture of Luxury Annette Condello, 2016-03-16 Over the past century luxury has been increasingly celebrated in the sense that it is no longer a privilege or attitude of the European elite or America's leisure class It has become more ubiquitous and now practically everyone can experience luxury even luxury in architecture Focusing on various contexts within Western Europe Latin America and the United States this book traces the myths and application of luxury within architecture interiors and designed landscapes Spanning from antiquity to the modern era it sets out six historical categories of luxury Sybaritic Lucullan architectural excess rustic neoEuropean and modern and relates these to the built and unbuilt environment taking different cultural contexts and historical periods into consideration It studies some of the ethical questions raised by the nature of luxury in architecture and discusses whether architectural luxury is an unqualified benefit or something which should only be present within strict limits The author argues how the ideas of permissible and impermissible luxury have informed architecture and how these notions of ethical approval have changed from one context to another Providing voluptuous settings for the nobles and the leisure class luxury took the form of not only grand palaces but also follies country and suburban houses private or public entertainment venues and ornate skyscrapers with fast lifts The Architecture of Luxury proposes that in Western societies the growth of the leisure classes and their desire for various settings for pleasure resulted in a constantly increasing level of luxury sought within everyday architecture
