Mexico From Revolution To Evolution:

Mexico Revolution to Evolution 1940-1960 Howard F. Cline,1962 **Mexico, Revolution to Evolution, 1940-1960...**
Howard F.. Cline,1966 *Mexico* ,1964 *Fragments of a Golden Age* Gilbert M. Joseph,Anne Rubenstein,Eric
Zolov,2001-06-29 The first cultural history of post 1940s Mexico to relate issues of representation and meaning to questions
of power it includes essays on popular music unions TV tourism cinema wrestling and illustrated magazines **Mexico, the
End of the Revolution** Donald C. Hodges,Ross Gandy,2001-10-30 This study reveals how the social pact formalized during
the armed stage of the Mexican Revolution 1910 20 and implemented during the second stage 1920 40 was upset during the
third or arrested stage 1940 70 when the bureaucrat professionals at the helm opted for intensive economic development by
taking the capitalist road Although momentarily revived during yet a fourth stage of revolution 1970 82 this social pact was
subsequently betrayed from within by the official party of the Revolution and undermined from without by the operation of
economic forces behind the scenes In this first book on the complete history of the Mexican Revolution Hodges and Gandy
reveal that along with the end of its social pact Mexico passed out of its former nationalist and capitalist orbit to enter the
new professional societies and global order fathered by the transnationals From 1920 to 1970 Mexico s bureaucrat
professionals hung onto political power while native capitalists continued to flourish In response Mexico s workers and
peasants staged strikes against the nationalized sector and fomented guerrilla wars Concessions were then made to this
group until beginning in 1982 the social pact was again eroded at the expense not only of the popular sectors but also of the
capitalists The economic surplus was redistributed away from owners and into the pockets of professionals That was the
Revolution s last gasp before it was officially put to rest in 2000 with the official party s defeat at the polls Hodges and Gandy
challenge the current belief that Mexico s economic system is still capitalist by presenting statistical evidence that shows
how the chief beneficiaries of the economy are no longer the providers of capital but instead the providers of professional
services Mexico H. F. Cline,1962 *The Cartels* George W. Grayson Professor Emeritus,2013-11-26 An up to date
examination of Mexico s version of the War on Drugs that exposes the evolution of major cartels and their corruption of
politicians law enforcement agencies and the Army What can President Enrique Pe a Nieto do to curb the narcotics induced
mayhem in Mexico and what would be the consequences to the United States if he fails This book analyzes Mexico s
transition from a relatively peaceful kleptocracy controlled by the Tammany Hall style Institutional Revolutionary Party PRI
1929 2000 to a country plagued by rural and urban enclaves of grotesque violence The author examines the major drug
cartels and their success in infiltrating American and Mexican businesses details the response from the Obama
administration assesses the threat that the continuing bloodshed represents for the United States and emphasizes the
constraints on America s ability to solve Mexico s crisis despite U S contributions of intelligence military equipment training
