## **Mexico Is Missing And Other Stories:**

**Mexico is Missing and Other Stories** J. David Stevens, 2006 What s America to do when one day Mexico suddenly disappears That question asked by the title story in Mexico Is Missing sets the tone for a collection whose individual stories have been described as provocative intensely relevant and wickedly macabre Thematically and formally diverse these pieces are unified by their devotion to the offbeat even insane moments of contemporary life A widow hears a voice from her computer that claims to be God An unnamed narrator develops an unhealthy fascination with his mailman Several characters from a joke come to life and wonder what to do with themselves A poet married to a porn star considers the real meaning of love The subjects of this volume range widely From Snoopy to Southern Baptists from witch trials to infomercials from the President s golf game to well the President s penis anything is fair game in a collection that blends satire with a sincere desire to find meaning in the jumbled world that we daily inhabit A literary critic and author Stevens also demonstrates his formal range by juxtaposing traditional linear stories against micro fictions and longer fractured narratives The result is a book that traverses the literary map with impressive dexterity Individually the stories in Mexico Is Missing will provide various pleasures for every reader But taken together they represent a more profound effort to blend those diametric impulses formal cultural and sociopolitical which so often define contemporary experience This collection of 23 short stories by J David Stevens is clever sardonic and humorous While you re laughing Stevens also gives you plenty of things to think about spirituality the negligence of the mass media American politics and relationships Book jacket *Missing Notes, Hidden Talents, and Other Stories* Donald F. Averill, 2013-03-26 Love and mystery have a way of intertwining in unexpected ways in life In Donald Averills short story collection he traces a journey through the lives of vibrant characters driven by love who suddenly find themselves in the midst of intriguing situations In Missing Notes a music department graduate student finds an intriguing composition in an old notebook and begins a search for the author When she and another student look for a missing notebook they find themselves implicated in a murder investigation The Canoe sees retired mathematician and widower Samuel Kelly recalling past experiences involving his family canoe after seeing a canoe for sale Following the sale of the canoe Sam and a former girlfriend rekindle an old relationship and get involved in a holdup In Hidden Talents Clay Coleman a young physician misses a turn and arrives at a secluded farm house where he is attacked Suffering from amnesia he works his way along Interstate 84 helping people with medical problems while his wife searches desperately for him A seven year old boy who thinks he is just living a normal life in 1949 soon realizes that the only way to find out any answers about his grandpas past is to ask good questions in The Pumpkin Tree Missing Notes Hidden Talents and Other Stories shares four charming stories with important messages about perseverance courage and most importantly love **Where's My F\*cking Latte (and Other Stories About Being an Assistant in Hollywood)** Mark Yoshimoto Nemcoff, The Kindle Bestselling book featured on TV s ACCESS HOLLYWOOD DIRTY LITTLE SECRETS Every movie and TV star has one So does

an end     **The War of the Fatties and Other Stories from Aztec History** Salvador Novo, 2014-12-15 In *The War of the Fatties* a campy tongue in cheek retelling of an episode from the Mexican Trojan War naked fat women from Tlatelolco discombobulate Tenochtitlan's invading army by squirting them with breast milk Told with satiric allusions to the policies and tactics used by Mexico's current ruling party PRI to consolidate its power the play unfolds a history of vain rivalry and decadence intricate political maneuvers corruption and unchecked ambition that determined the course of Mexican history for two centuries before the Spanish conquest Novo's other works in this collection *A Few Aspects of Sex among the Nahuas* *Ahu tzotl* and the Magic Water *Cuauht moc* Play in One Act *Cuauht moc* and *Eulalia* A Dialogue *Malinche* and *Carlota* A Dialogue and *In Ticitl zcatl* or *The Enchanted Mirror* Opera in Two Acts represent nearly all of his Aztec related writings Taken together they provide a delightful introduction to Novo's later works and a light hearted historically accurate introduction to Aztec culture The text is supplemented by a glossary of Nahuatl terms notes on the historical characters and an introduction that provides historical background and places Novo's works within their cultural context     *Incarcerated Stories* Shannon Speed, 2019-08-27 Indigenous women migrants from Central America and Mexico face harrowing experiences of violence before during and after their migration to the United States like all asylum seekers But as Shannon Speed argues the circumstances for Indigenous women are especially devastating given their disproportionate vulnerability to neoliberal economic and political policies and practices in Latin America and the United States including policing detention and human trafficking Speed dubs this vulnerability neoliberal multicriminalism and identifies its relation to settler structures of Indigenous dispossession and elimination Using innovative ethnographic practices to record and recount stories from Indigenous women in U S detention Speed demonstrates that these women's vulnerability to individual and state violence is not rooted in a failure to exercise agency Rather it is a structural condition created and reinforced by settler colonialism which consistently deploys racial and gender ideologies to manage the ongoing business of occupation and capitalist exploitation With sensitive narration and sophisticated analysis this book reveals the human consequences of state policy and practices throughout the Americas and adds vital new context for understanding the circumstances of migrants seeking asylum in the United States     *A Massacre in Mexico* Anabel Hernández, 2020-07-14 The definitive account of the disappearance of forty three Mexican students On September 26 2014 a party of students from the Ayotzinapa Rural Teachers College were en route to a protest when intercepted by local police A confrontation ensued Come the morning the students were nowhere to be found The crime that had transpired and the resultant cover up brought the profound depths of corruption in the Mexican government and police force as well as the vulnerability of ordinary Mexicans into stark relief Investigative reporter Anabel Hernández reconstructs the terrible events of that night and its aftermath giving us the most complete picture available Her sources are unparalleled In researching this book she secured access to internal government documents that have not been made public and to surveillance footage the government has tried to hide and destroy Hernández

ndez demolishes the Mexican state's official version of events which the Peña Nieto government cynically dubbed the historic truth. As her research shows, state officials at all levels from police and prosecutors to the upper echelons of government conspired to put together a fake case concealing and manipulating evidence and arresting and torturing dozens of suspects, procuring forced confessions to back up the official lie. By following the role of the various Mexican state agencies through the events in such remarkable detail, *A Massacre in Mexico* shows with exacting precision precisely who is responsible for this monumental crime and who needs to be held accountable.

**The Missing News** Robert A. Hackett, Richard S. Gruneau, Donald Gutstein, Canadian Centre for Policy Alternatives, Timothy A. Gibson, 2000-01-01. *The Missing News* explores the role of newspapers in North America's complex media environment as vehicles for democratic communication.

Mexico Jo Tuckman, 2012-07-03. In 2000, Mexico's long invincible Institutional Revolutionary Party (PRI) lost the presidential election to Vicente Fox of the National Action Party (PAN). The ensuing changeover after 71 years of PRI dominance was hailed as the beginning of a new era of hope for Mexico. Yet the promises of the PAN victory were not consolidated. In this vivid account of Mexico's recent history, a journalist with extensive reporting experience investigates the nation's young democracy, its shortcomings and achievements, and why the PRI is favored to retake the presidency in 2012. Jo Tuckman reports on the murky, terrifying world of Mexico's drug wars, the counterproductive government strategy, and the impact of U.S. policies. She describes the reluctance and inability of politicians to seriously tackle rampant corruption, environmental degradation, pervasive poverty, and acute inequality. To make matters worse, the influence of non-elected interest groups has grown, and public trust in almost all institutions, including the Catholic church, is fading. The pressure valve once presented by emigration is also closing. Even so, there are positive signs: the critical media cannot be easily controlled, and small but determined citizen groups notch up significant, if partial, victories for accountability. While Mexico faces complex challenges that can often seem insurmountable, Tuckman concludes the unflagging vitality and imagination of many in Mexico inspire hope for a better future.

**The Public Library Quarterly**, 1902 **Mexico on Film** Armida de la Garza, 2006-12-18. Given its features as a modern mass medium and thus closely related to the nation cinema, has rightly been regarded as a privileged site for putting forward and contesting representations of national identity, or in short, as a main arena in which narratives of national identity are negotiated. What do films such as *Amores Perros* or *Traffic* say about Mexican identity? In what way could *Bread and Roses* or *The Crime of Padre Amaro* be part of its transformation? This book looks at representations of Mexican identity in Mexican cinema and also in Hollywood throughout the twentieth century and beyond, arguing that the international context plays at least as important a role as ethnicity, religion, and language in the construction of images of the national self, although it is seldom taken into account in theories of national identity. The Mexican film may reveal much about Mexican society, e.g. *Traffic* and the prevalence of drug trafficking, *Bread and Roses* and the problems of migration, *Amores Perros* in relation to metaphors of the nation as an extended family, *The Crime of Padre Amaro* in discussing the changing position of the Catholic

Church and Herod's Law a scathing critique to the political system that dominated Mexico for the best part of the 20th century Throughout the book emphasises the contingent nature of hegemonic representations and our ongoing need to tell and to listen to or indeed view stories that weave together a variety of strands to convincingly tell us who we are The Kansas City Public Library Quarterly Kansas City Public Library (Kansas City, Mo.),1904 Cultural Representations of Femicidio at the US-Mexico Border Nuala Finnegan,2018-07-18 Since the early 1990s the repeated murders of women from Ciudad Juarez Mexico have become something of a global cause Cultural Representations of Femicidio at the US Mexico Border examines creative responses to these acts of violence It reveals how theatre art film fiction and other popular cultural forms seek to remember and mourn the female victims of violent death in the city at the same time as they interrogate the political legal and societal structures that produce the crimes Different chapters examine the varying art forms to engage with Ciudad Juarez's femicidal wave Finnegan discusses *lex Rigola's* theatrical adaptation of Roberto Bolaño's novel *2666* by Teatre Lliure in Barcelona as well as painting about the victims of femicidio by Irish painter Brian Maguire There is analysis of documentary film about Ciudad Juarez including Lourdes Portillo's acclaimed *Se orita Extraviada* 2001 The final chapter turns its attention to writing about femicide and examines testimonial and crime fiction narratives like the mystery novel *Desert Blood The Juarez Murders* by Alicia Gaspar de Alba among other examples By drawing on a range of artistic responses to the murders in Ciudad Juarez Cultural Representations of Femicidio at the US Mexico Border shows how art film theatre and fiction can unsettle official narratives about the crimes and undo the static paradigms that are frequently used to interpret them Dancing Alone in Mexico Ron Butler,2000 Ron Butler never dreamed Mexico would capture his heart and his soul However after crisscrossing the country he was seduced by its charms rhythms and melodies He goes off the beaten path in Acapulco and Cancun and walks in the footsteps of movie stars who have been enamored of this land south of the border Informative and helpful *Dancing Alone in Mexico* will help even seasoned travelers get the most out of their trips to Mexico *What's Missing?* Rena Pederson,2004-02-03 In *What's Next Inspiration for Women Seeking Faith and Joy in Their Lives* Rena Pederson helped thousands of women discover their own next step by looking to the lives of successful women famous and not so famous who redefined themselves in midlife Now in *What's Missing* she engages another group of women in a conversation on the nature of faith from various traditions to help you rediscover its importance in your own life From First Lady Laura Bush to singer Patti LaBelle and journalist Diane Sawyer the women interviewed have a spiritual foundation that has given them the strength to overcome obstacles and achieve success in their lives These women along with others from around the nation reveal how faith in its many forms helped them withstand life's pitfalls and emerge happier healthier and stronger *What's Missing* will help you examine what's missing from your life and how faith can give you direction Inside you'll find inspiring wisdom on how to pray the importance of listening to others and to God how doubting and questioning can strengthen your faith how to turn your faith into action and how faith can help reassure you in
