MI 9 Michael Richard Daniell Foot, James Maydon Langley, 1980 MI 9, the British Secret Service that Fostered Escape and Evasion 1939-1945, and Its American Counterpart Michael Richard Daniell Foot, James Maydon Langley, 1980 MI 9 Michael R. D. Foot, James M. Langley, 1975 Shot Down and On the Run Graham Pitchfork, 2003-10-01 The stories of many POW escapees are well known but what about those who miraculously evaded capture in the first place and returned to fight another day This compelling book tells some of the epic stories of the thousands of shot down airmen including Canadians from across the country who got out from behind enemy lines in Europe the Far East and Africa during the Second World War Based on special first hand interviews and new research into official debriefing documents held at Britain's National Archives many of these accounts have never been published before This book explores the pivotal role of military intelligence in the training support and organization of escape and evasion it also features rare photographs of the evaders and their helpers Prisoners of War and Forced Labour Marianne Neerland Soleim, 2020-06-01 Early research on the Holocaust was characterized by studies of the extermination of the Jews without other victims of the Nazi policy of extermination being included In the past twenty years there has been a greater focus on such topics as prisoners of war and forced labourers in the Third Reich among scholars This development of a wider perspective in research topics has revealed a need for more primary research Based on this viewpoint it was established that a need existed to expand the historical perspective by connecting the Holocaust with the treatment of prisoners of war This book's main goal is to make a contribution to the strengthening of studies on prisoners of war and forced labour The volume consists of papers first presented at the Falstad symposium Prisoners of War and Forced Labour Histories of War and Occupation held at the Falstad Centre on November 20-21 2008 Topics of the symposium included prisoners of war prisoners in concentration and extermination camps people imprisoned for political or racial reasons and forced labour meaning civilians forced to migrate or forced to work for the Germans The contributions in the book represent a broad perspective including researchers from the USA Poland Austria Israel Russia Finland the UK and Norway The introduction gives a brief overview of how different European countries are dealing with the problem of overcoming the past and the state of research in some of these countries

Flight of Eagles Ray Bowden, 2012-12-08 Of the 1700 American airmen of the 8th and 9th US Army Air Forces who parachuted or crash landed into northwest Europe in December 1943 only 121 evaders made it back to Allied control to continue the fight These are the stories of the successful evasion of capture by those American airmen Based on their interrogation and the detailed handwritten reports submitted within days of their escape by sea or via Spain Andorra and Switzerland These records were classified as secret for many years after the war had ended This account reveals the hardships compassion and occasional humour of their journeys through Nazi controlled Europe Journeys aided by the organised evasion lines MI 9 agents the Maquis the Dutch Underground the Belgian Secret Army but mostly by ordinary

citizens who often made the greatest sacrifices of all in their struggle to aid the Allies and resist the occupation by a ruthless regime that would stop at nothing to crush those who dared to help. These accounts include twists and turns in the deadly game of hide and seek played against the Gestapo and the Abwehr in journeys through the Netherlands, Belgium, France and Spain. Failure could mean brutal interrogation, torture and execution for those that helped the airmen and for the airmen themselves. Death in the City of Light David King, 2011-09-20 The gripping true story of a brutal serial killer who unleashed his own reign of terror in Nazi Occupied Paris. As decapitated heads and dismembered body parts surfaced in the Seine, Commissaire Georges Victor Massu, head of the Brigade Criminelle, was tasked with tracking down the elusive murderer in a twilight world of Gestapo gangsters, resistance fighters, pimps, prostitutes, spies and other shadowy figures of the Parisian underworld. But while trying to solve the many mysteries of the case, Massu would unravel a plot of unspeakable deviousness. The main suspect, Dr Marcel Petiot, was a handsome, charming physician with remarkable charisma. He was the People's Doctor, known for his many acts of kindness and generosity, not least in providing free medical care for the poor. Petiot, however, would soon be charged with twenty-seven murders, though authorities suspected the total was considerably higher, perhaps even as many as 150. Petiot's trial quickly became a circus. Attempting to try all twenty-seven cases at once, the prosecution stumbled in its marathon cross-examinations, and Petiot, enjoying the spotlight, responded with astonishing ease. Soon, despite a team of prosecuting attorneys, dozens of witnesses and over one ton of evidence, Petiot's brilliance and wit threatened to win the day. Drawing extensively on many new sources, including the massive classified French police file on Dr Petiot, *Death in the City of Light* is a brilliant evocation of Nazi Occupied Paris and a harrowing exploration of murder, betrayal and evil of staggering proportions. Mission Yugoslavia Blaž Torkar, 2020-06-17 Focusing on the wartime activities of the U.S. Office of Strategic Services (OSS) in Axis-controlled Yugoslavia during World War II, this book chronicles American policy plans for sending aid and agents and the establishment of the first training bases in North Africa and the Mediterranean. OSS missions and field operations with the Chetniks and Partisans are cataloged and analyzed for the first time, along with OSS views on Yugoslav border claims against Italy and Austria, the OSS position on Slovenia in postwar Yugoslavia, and the role of Yugoslavs cooperating within the OSS. The Liberation Trilogy Box Set Rick Atkinson, 2013-10-22 The definitive chronicle of the Allied triumph in Europe during World War II, Rick Atkinson's *Liberation Trilogy* is now together in one ebook bundle.
