Radio Service Bulletin ,1915 *The End Times* Kurt B. Bakley,2016-01-20 In this book we will read the ancient prophecies for the next 1000 years and beyond It quite different then any other works on this subject but I feel this is the correct one I could be wrong We will read the dates and time periods of Daniel and Revelation all the Bible Nostradamus and ancient Egyptian art to see what will happen and when All prophecies in all books will be fulfilled if true during this time span Se read on and see your future Be sure to read my other books entitled Predictions for 2015 Revised Edition The Experiment at Philadelphia Revised Edition End Time Signs II and The End Times Prophecies dont always happen the way we think they will and many times give more than one date event and time Some preachers call this secondary fulfillment For the prophecies of this book to come true the events of September 24 28 and or October 15 17 December 31 29 24 25 14 7 November 10 11 22 2016 or 2017 must come to pass or else another type of future will happen I explain this in this book and

document how other books predicts four or five possible futures and from four or five one will come true as Isaac Newton and a woman in a life after death experience predicted She said when she was dead she saw four or five futures unfold before her She came back to life and forgot about them and one day in her kitchen she notice it was the exact copy of one of her futures she saw long ago when she was dead One comes true out of four or five If the people remain sinning the good prophecy could fail This book was finished on December 14 2015 leave in **Town Journal** ,1926 **Hurricane Camille** ,1969 *Shame* Joseph B. Haggerty,2008-07-15 This is the story of a pimp Shame the women he uses and abuses and how he recruited and maintained them on the street First the street is revealed through Shame s mother Latisa as she works for different pimps including a pimp gambler who uses her to entice customers with live sex shows until they crossed organized crime Shame has many run ins with the law as a juvenile but escapes detention while attending his mother s funeral He falls in love but is rejected when his lover finds out how old he is As an adult he encounters a couple of seasoned prostitutes He convinces them to make him the kind of pimp they want He quickly develops into a pimp like the rest of the vultures on the street In the course of his initiation a gangster pimp forcibly takes one of his women Her wife in law attempts to rescue her Shame moves on recruiting young victims and learning from other pimps the ins and outs of the street He meets a young woman and against the unwritten rules of the street falls in love Fighting against his feelings he cons her into believing he s in trouble to get her into prostitution When she finds out he is a pimp she turns on him She is kidnapped and drugged into submission She tries to escape but is found dead of a drug overdose A policewoman who grew up with the drug victim conducts her own investigation She goes undercover as a prostitute and another of Shame s women dies in a suspicious manner She joins forces with a D C vice detective and they obtain enough evidence to get Shame arrested The very dramatic trial does not turn out the way they expected and the victims of Shame decide to get their own justice *The History of Here* Akum Norder,2017-12-21 How the Pine Hills neighborhood in Albany New York changed and grew as reflected in the history of one house and the lives of its residents When you buy an old house you get much more than a house In all its quirks its alterations in fragments of memory and traces left behind you get a bundle of small mysteries Who used to live here Why did they come here and where did they go Whose name is that written on the attic wall When did that odd little bathroom get shoehorned in there and what did the room look like before If you re lucky one or two of your house s mysteries might unfold into stories Akum Norder was very lucky *The History of Here* follows Albany New York s Pine Hills neighborhood through more than one hundred years of change At its heart is the story of Norder s 1912 house and the people who built and lived in it As Norder traced their histories she came to see the development of her house her street and her neighborhood as a piece of Albany s story In the lives of its residents their struggles and triumphs she saw a reflection of twentieth century America Drawing on interviews city records newspapers out of print books and other sources Norder s narrative makes a case for city neighborhoods their value their preservation and the grassroots involvement that turns a jumble of houses into a community

Funny and thought provoking readable and relevant The History of Here celebrates the sense of place that fuels the new urbanism Akum Norder has contributed to the literature of American life a paean of neighborliness of which Garrison Keillor would be pleased to read and perhaps E B White and even James Agee would take pleasure in this could they look in from the great beyond Rooted in the keenly seen particular this history has implications about the organic growth of American cities in general and what we mean when we talk about the good old days Gregory Maguire Akum Norder writes with an authentic voice and a deep sense of place Her story about her family s house in Albany s Pine Hills neighborhood captures the American urban experience Her prose is clear eyed yet passionate with a measure of Jane Jacobs s advocacy The History of Here is an important addition to the Albany canon Paul Grondahl author of Mayor Corning Albany Icon Albany Enigma

Taking Leave, Taking Liberties Aaron Hiltner, 2020-09-01 American soldiers overseas during World War II were famously said to be overpaid oversexed and over here But the assaults rapes and other brutal acts didn t only happen elsewhere far away from a home front depicted as safe and unscathed by the good war To the contrary millions of American and Allied troops regularly poured into ports like New York and Los Angeles while on leave Euphemistically called friendly invasions these crowds of men then forced civilians to contend with the same kinds of crime and sexual assault unfolding in places like Britain France and Australia With unsettling clarity Aaron Hiltner reveals what American troops really did on the home front While GIs are imagined to have spent much of the war in Europe or the Pacific before the run up to D Day in the spring of 1944 as many as 75% of soldiers were stationed in US port cities including more than three million who moved through New York City In these cities largely uncontrolled soldiers sought and found alcohol and sex and the civilians living there women in particular were not safe from the violence fomented by these de facto occupying armies Troops brought their pocketbooks and demand for dangerous fun to both red light districts and city centers creating a new geography of vice that challenged local police politicians and civilians Military authorities focused above all else on the war effort invoked written and unwritten legal codes to grant troops near immunity to civil policing and prosecution The dangerous reality of life on the home front was well known at the time even if it has subsequently been buried beneath nostalgia for the greatest generation Drawing on previously unseen military archival records Hiltner recovers a mostly forgotten chapter of World War II history demonstrating that the war s ill effects were felt all over including by those supposedly safe back home *MotorBoating*, 1965-12
