Volume 4. the Mormon Missionary Lessons - A Conspiracy to Deceive.](#) Jim Whitefield, 2012-10-01 The fourth in The Mormon Delusion series tracks the Mormon Missionary Lesson Manual as taught to investigators and lesson by lesson exposes and explains the truth behind the false teachings At every stage unsuspecting investigators are taught a fictional account of Mormon history and teachings by faithful missionaries who themselves have no idea they are teaching provable fiction This book exposes the underlying truth behind Joseph Smith's original fraudulent claims and modern day fictional Mormon teachings Evidence from within Mormon Church history and Mormon so called scripture proves conclusively that the Mormon Church continues in a conspiracy to deceive its own members missionaries and their investigators alike At the end of a journey through this book there will be nothing left for an investigator to take to the Lord in prayer in order to obtain an answer as to whether what the Mormon Church teaches is true Common sense and reason alone will be enough to determine the truth of the matter *Cassidy et al.: Women and Empire, 1750-1939, Vol. IV* Cheryl Cassidy, 2021-12-24 First published in 2008 Women and Empire 1750 1939 functions to extend significantly the range of the History of Feminism series co published by Routledge and Edition Synapse bringing together the histories of British and American women's emancipation represented in earlier sets into juxtaposition with histories produced by different kinds of imperial and colonial governments The alignment of writings from a range of Anglo imperial contexts reveals the overlapping histories and problems while foregrounding cultural specificities and contextual inflections of imperialism The volumes focus on countries regions or continents formerly colonized in part by Britain Volume I Australia Volume II New Zealand Volume III Africa Volume IV India Volume V Canada Perhaps the most novel aspect of this collection is its capacity to highlight the common aspects of the functions of empire in their impact on women and their production of gender and conversely to demonstrate the actual specificity of particular regional manifestations Concerning questions of power gender class and race this new Routledge Edition Synapse Major Work will be of particular interest to scholars and students of imperialism
