Mible Strike:

Mobile Strike Forces in Vietnam 1966-70 Gordon L. Rottman, 2013-07-20 US Special Forces in Vietnam created the Civilian Irregular Defence Group CIDG a large paramilitary organization designed to protect the local population from Viet Cong incursions whilst conducting border surveillance raids and combat patrols in the local area Their camps were often overrun and having no spare manpower the US Special Forces created dedicated reaction units which could act in a responsive and flexible manner Mobile Strike MIKE Forces This book examines the MIKE Force units which were formed from the CIDG the parachute and airmobile training they were given and the operations that they undertook from relieving friendly camps to independent offensive operations providing the first organizational history of the MIKE forces in combat

America's Elite Chris McNab, 2013-03-20 The definitive illustrated history of American Special Forces including their training tactics weapons and famous missions America's Elites takes the reader through some of the most dramatic special forces operations in US history from sniping British commanders during the Revolutionary War to Riverine incursions in the Mekong Delta in Vietnam and from demolition missions on D Day to the SEAL assault on Osama bin Laden's compound in 2011 Training and selection procedures are explained in detail and the book also describes some of the technologies that have separated regular soldiers from their Special Forces counterparts Illustrated throughout with striking photography and artworks America's Elites forms the most comprehensive and visually impressive single volume guide to US Special Forces available *U.S. Army Special Forces, 1961-1971* Francis John Kelly, 1973 Proud to Serve My Country Captain Vazquez-Rodriguez, 2011-02 Many Puerto Rican were classified by their superiors as inferior in the 65th Infantry in Korea but they proved themselves in the battlefield as courageous soldiers because of their pride in the United States of America and the Commonwealth of Puerto Rico This book salutes the brave men of the 65th Infantry and the resiliency of the Korean people amid the destruction of their country and the suffering of their people **Records Relating to American**

military historian Shelby L Stanton shows Special Forces activity from the first deployments of Green Berets into battle through their training wartime advisory border surveillance strike force and special operations roles Unprecedented in scope this photographic history features rare and unpublished images providing an exclusive insider view of covert activities such as Project Delta whose Special Forces trained Vietnamese commandos posed as North Vietnamese Army or Viet Cong troops behind communist lines It depicts Special Forces camps before during and after enemy assaults It features an array of lethal weapons used by resourceful Green Berets fighting to preserve their remote outposts as well as allied and enemy documents and propaganda From ordinary camp life to special missions no aspect of Special Forces activities during the Second Indochina War has been overlooked Stanton knows his subject first hand During six years of active duty as an infantry officer in the U S Army he served as a paratrooper platoon leader an airborne ranger advisor to the Royal Thai Army Special Warfare Center and a Special Forces long range reconnaissance team commander in Southeast Asia before being wounded in combat in Nam Yu Laos Reference Information Paper ,1996 **Air University Quarterly Review** ,1959 U.S. Army Special Forces 1961-1971 Francis John Kelly,2012-05-29 In 1957 58 Vietnamese soldiers were given military training by Special Forces troops Ten years later green berets were assisting over 40 000 paramilitary troops along with another 40 000 Regional Forces and Popular Forces soldiers This monograph traces the development and notes the progress problems successes and failures of a unique program undertaken by the U S Army for the first time in its history With the withdrawal of the Special Forces from Vietnam in 1971 the Army could lay unique claim to the employment of a paramilitary force in sustained combat against a determined enemy About the author In 1960 Col Kelly chaired the committee which produced the U S Army s first definitive approach to counterinsurgency The Role of the U S Army in the Cold War For two years he commanded the 1st SFG which provided multiple teams for combat in Vietnam From 6 66 to 6 67 he commanded the 5th SFG in Vietnam He led the Combat Development Command Institute for Strategic and Stability Operations **Vietnam Studies - U.S. Army Special Forces 1961-1971** Colonel Francis John Kelly,2014-08-15 Includes 6 Maps 25 photo illustrations 10 Charts and 8 Tables As long ago as 1957 U S Army Special Forces soldiers were in the Republic of Vietnam going about their business of training advising and assisting members of the Vietnamese Army Despite the old Army witticism about never volunteering for anything the Special Forces soldier is in fact a double volunteer having first volunteered for airborne training and then again for Special Forces training From a very meager beginning but sustained by a strong motivation and confidence in his mission the Special Forces soldier has marched through the Vietnam struggle in superb fashion In 1957 some fifty eight Vietnamese soldiers were given military training by Special Forces troops Ten years later the Special Forces were advising and assisting over 40 000 paramilitary troops along with another 40 000 Regional Forces and Popular Forces soldiers This monograph traces the development and notes the progress problems successes and failures of a unique program undertaken by the U S Army for the first time in its history It is hoped that all the significant lessons learned have

been recorded and the many pitfalls of such a program uncovered With the withdrawal of the Special Forces from Vietnam in 1971 the Army could honestly lay claim to a new dimension in ground warfare the organized employment of a paramilitary force in sustained combat against a determined enemy I know I speak for my predecessors and successors in claiming that the 5th Special Forces Group Airborne was the finest collection of professional soldiers ever assembled by the U S Army anywhere anytime **The Brigade Battle Captain, a Prototype Training Product** Richard L.
