skills There is exploration through subjective and dictionary definitions of hope before introducing the steps of this indistinct skill In addition we will journey through ways that hope can be stolen and conversely how we can sustain or reinforce our hope through action even during trying times We are more resilient than we give ourselves credit By using Bible verses real life narratives constructive levity and pragmatic ingenuity the goal is to convey to the reader how to identify and utilize the hope steps how to prevent the enemy from stealing your hope why you have to watch your words or words spoken over you what the Bible has to say about hope how to look for the butterfly moments and pursue resilience how antagonistic feelings can affect your hope why hope is the link between faith and wellness where our hope comes from why you are worth it and being kind to yourself During tough times hope is not the easiest to hold on to However it is the best gift you can give yourself Be encouraged and allow God to minister to you Happy reading Behind Closed Doors Jessica L.
