**Michael Jackson** Patricia Godes, 1990      **Michael Jackson** Collectif, 1996-08-01      Michael Jackson: The Making of "Thriller" Douglas Kirkland, 2010-11-05 Michael Jackson The Making of Thriller is an illustrated tribute to the King of Pop and his groundbreaking music video with never before seen photos of its creation. The book features over 200 exclusive behind the scenes photographs of the artist on set during the 1983 production of the Grammy award winning video directed by John Landis. Considered to be the most successful project of all time, Thriller is beloved the world over, inspiring imitation and a cult-like following of millions of fans. Documenting the creation of the most popular and iconic music video of all time, this book celebrates the artist and his music at the top of his career. Famed photographer Douglas Kirkland and journalist Nancy Griffin were the only members of the media allowed on the set of the video. The resulting photos capture Jackson both in high performance mode and relaxing on the set, and depict his transformation into the characters in the video, as well as capturing the public and private faces of Michael Jackson. Compelling intimate photos of the artist are accompanied by interviews and quotes from musicians and celebrities including Sir Paul McCartney, Diddy, Beyoncé, Steven Spielberg and many more. With a holographic cover that when tilted transforms the artist into his zombie character, the book is an impressive gift to be treasured by fans and music lovers everywhere.

Neverland features stunning drawings of iconic periods from Michael Jackson's life and career, from his early success at Motown with the Jackson 5 to Thriller, as well as his marriage to Lisa Marie Presley, his Neverland ranch, and his elaborate costumes. **The Destruction and Creation of Michael Jackson** Ellis Cashmore, 2022 However people remember Jackson, no one can deny that in cultural terms Jackson remains a compelling subject. An icon of the late 20th century, he reflects not only the changes in the circumstances of the African American population but changes in white America. Jackson was idolized, perhaps even objectified into an extraordinary being for whom there were no established reference points in white conceptions. This book posits that Jackson was a creation of at first American and later global culture at a time when it seemed desirable, if not necessary, to exalt a Black person on merit. America had become a society in which someone of Jackson's indisputable genius not only can but must rise to the top.
