The Martyrs of Columbine J. Watson, 2003-05-02 On April 20 1999 Eric Harris and Dylan Klebold killed twelve fellow students and one teacher at Columbine High School in Littleton Colorado Two of the victims of the Columbine massacre Cassie Bernall and Rachel Scott reportedly were asked by the gunmen if they believed in God Both supposedly answered Yes and were killed Within days of their death Cassie and Rachel were being hailed as modern day martyrs and are seen by many American evangelicals as the sparks of a religious revival among teenagers Cassie and Rachel as innocents martyred for faith also became useful symbols for those seeking to advance a conservative political agenda and to lay the blame for Columbine at the feet of their liberal opponents According to police investigators however Cassie and Rachel may never have been asked by their killers about God They may have been simply victims of a senseless crime rather than martyrs to a cause The Martyrs of Columbine provides a careful examination of the available evidence and attempts to discover what really occurred Despite these questions the martyr stories continued to be told and the religious and political use of Cassie and Rachel continues The popular significance of the martyrs of Columbine persists and may even be growing How and why is this happening The Martyrs of Columbine is a groundbreaking investigation of what this tragedy has come and will come to mean in American religion politics and culture

Against Tad DeLay, 2019-08-06 What does the white evangelical want In our moment of crisis and rage this question is everywhere Scholars ask from where its desires emerged pundits divine its political future and the public asks how we lapsed into social chaos For their part white evangelicals feel misunderstood while failing to see the direction of their ambitions We must interrogate its aims not only through its past or current trends but also through the various fantasies by which it rejects and enlivens reality Against traces five zones of opposition future knowledge sexuality reality and society If climate change is the greatest threat civilization has ever faced then a faith aiding collapse must face analysis If it swims in assured forgiveness it feels no shame for its sins against humanity If it wants a king it threatens democracy If it veils xenophobia it shall be ever more cruel In a critical and accessible history of odd ideas DeLay chronicles the past and sketches its troubling future It might die but what's certain is that a faith built on nostalgia and supremacy won't moderate We live in dangerous times so let us consider its justifications turmoil appetite and catastrophe

Martyrdom and Memory Elizabeth Castelli,2004-10-15 Martyrs are produced Elizabeth Castelli suggests not by the lived experience of particular historical individuals but by the stories that are later told about them And the formulaic character of stories about past suffering paradoxically serves specific theological cultural or political ends in the present Martyrdom and Memory explores the central role of persecution in the early development of Christian ideas institutions and cultural forms and shows how the legacy of Christian martyrdom plays out in today s world In the pre Constantinian imperial period the conflict between Roman imperial powers and the subject Christian population hinged on competing interpretations of power submission resistance and victory This book highlights how both Roman and Christian notions of law and piety deployed the same forms of censure and critique each accusing the other of deviations from governing conventions of gender reason and religion Using Maurice Halbwachs s theoretical framework of collective memory and a wide range of Christian sources autobiographical writings martyrologies and saints lives sermons art objects pilgrimage souvenirs and polemics about spectacle Castelli shows that the writings of early Christians aimed to create public and ideologically potent accounts of martyrdom The martyr s story becomes a usable past and a living tradition for Christian communities and an especially effective vehicle for transmitting ideas about gender power and sanctity An unlikely legacy of early Christian martyrdom is the emergence of modern martyr cults in the wake of the 1999 shootings at Columbine High School Focusing specifically on

the martyr cult associated with one of the victims Martyrdom and Memory argues that the Columbine story dramatically expresses the ongoing power of collective memory constructed around a process of rendering tragic suffering redemptive and meaningful In the wake of Columbine and other contemporary legacies of martyrdom s ethical ambivalence the global impact of Christian culture making in the early twenty first century cannot be ignored For as the last century s secularist hypothesis sits in the wings religion returns to center stage with one of this drama s most contentious yet riveting stars the martyr

Jesusland Joelle Kidd,2025-08-12 An empathetic funny and sharply critical collection of essays exploring the Christian pop culture of the 2000s and its influence on today s politically powerful evangelicalism Braiding relentless curiosity sharp argument and wry comedy Kidd offers a lucid critique of evangelicalism that is always attentive to and respectful of the mysteries of faith This is cultural criticism at its finest I ll read anything Kidd writes Tajja Isen author of *Some of My Best Friends* In 1999 after three years of secular living in Eastern Europe Joelle Kidd moved back to Canada and was enrolled in the strange world of an evangelical Christian school Immediately she found herself in a strange world of upbeat Christian pop music purity education and desperately trendy Bible redesigns trying to make sense of this unfamiliar preteen cultural landscape In *Jesusland* Joelle writes about the Christian pop culture that she was suddenly immersed in from perky girl bands to modest styling tips and draws connections between this evangelical subculture and the mainstream a tense yet reciprocal relationship that both disavows the secular while employing its media markers But none of this was just about catchy songs every abstinence quiz in a teen magazine was laying the foundation for what would become a conservative Christian movement that threatens women s healthcare attacks queer and trans rights and drives present day political division Through nine incisive honest and emotional essays *Jesusland* exposes the pop cultural machinations of evangelicalism while giving voice to aughts era Christian children and teens who are now adults looking back at their time measuring the length of their skirts and asking each other if their celebrity crush was Christian enough With care and generosity *Jesusland* shows us how the conservative evangelical movement became the global power it is today by exploring the pop culture that both reflected and shaped an entire generation of young people *Sure-Fire Preaching* Jeff Dickson,2015-09-02 Every Sunday morning ministers have a choice to make They can give a motivational speech that is ankle deep and laced with all kinds of inconsequential anecdotes or they can preach *Sure Fire Preaching* is intended for those who choose the latter A practical guide to biblical exposition that any preacher can use in their preaching ministry *Sure Fire Preaching* presents a tried and true method of presenting Scripture the way God intended for it to be communicated In this resource author Jeff Dickson presents the ideas of Dr Paul Fink whose career in preaching and teaching spanned fifty years at Grace Theological Seminary and Liberty University Dickson covers the three most significant areas of sermonizing the science of preaching the art of sermonizing and the miracle of voicing *Sure Fire Preaching* summarizes everything that is necessary for accurately creatively and effectively presenting Scripture and answering the call of 2 Timothy 4:2 to preach the
