The Book of Changes, Troubles, Problems, Lightness, and Calm Peter Muller, 2025-11-04 Explains how to use the oracle for divination detailing the 64 hexagrams and the esoteric significance of each changing line Explores key concepts that are culturally embedded in the Chinese understanding of the I Ching to give readers greater confidence in interpreting the oracle s answers Teaches readers the way to secure favorable outcomes by properly aligning with each moment of change For

millennia people have consulted the I Ching to make sense of life's challenges. This new translation of the ancient classic teaches readers how to be fully present in the ever-changing moment. With the wisdom of twenty years of contemplation and study, Peter Muller guides readers through the mechanics of using the Oracle. From phrasing one's questions with intention and integrity to understanding the inner workings of each of the 64 hexagrams, the author reveals his mastery over the secrets of the I Ching. He explores the esoteric significance of each changing line and gives illustrations from daily life to amplify their meanings for our time and for more complete and accurate readings. From his understanding of the unique role of sage wisdom, where knowledge, listening, and contact with the supernatural and heavenly world collide, Muller empowers readers to work through challenges in a constantly fluid state, securing favorable outcomes by properly aligning with each moment of change. This book also explains the concepts that are culturally embedded in the Chinese understanding of this system of guidance, giving readers greater confidence in their interpretation of how the hexagrams respond to their questions. Integrating the I Ching's lessons will elevate your inner guidance so that in time you become capable of sensing the energetic shifts of each moment and can adapt to them effortlessly. When chaos overtakes order, the I Ching serves as a light to illuminate your way.

Numerology Harish Johari, 1990-11-01. For the first time, a Tantric scholar and expert in the Hindu traditions of Ayurveda and astrology presents a system of numerology that combines numerical calculations, astrological data, and an analysis of body type. He illustrates the Vedic Square and the visual patterns that can be derived from it, casting a revealing light on the more esoteric interpretations of numbers and their relationship to one another. Recommendations are given regarding strong and weak periods of day or year, favorable colors, and precious stones to be worn, and meditations and mantras to be practiced for health and prosperity. Explains how to determine the psychic number, name number, and destiny number, how these numbers relate to each of the nine planets, and how they apply to every aspect of life, including personality, temperament, intelligence, talents, sexuality, spirituality, finances, travel, and health.

Numerology for Decoding Behavior Michael Brill, 2011-06-23. Using numerology to reveal behavior patterns in order to work through them. Shows how to find anyone's personal challenges and greatest strengths. Presents simple numeric exercises that use the first vowel and first consonant of a name and the birth month and day. Reveals how this method of numerology can be applied by managers, educators, health professionals, sales people, and parents. Numbers and letters are the blueprints of our lives. By studying the patterns they create, whether it's a name, an address, or a date, we can learn more about ourselves, others, and how to best interact with those around us. Providing simple numeric exercises that use only the first vowel and first consonant of a person's name and their birth month and day, Michael Brill shows how to identify anyone's reactive and proactive behavior patterns along with their underlying causes to prevent and resolve interpersonal issues, as well as recognize and change our own negative personal tendencies. Combining numerology with psychology, he explains the connection between the first name and behavior at work, the middle name and social/emotional patterns in relationships, and the last name and family dynamics.

Illustrating how this information can be applied by managers educators health professionals sales people and parents he reveals how to find anyone s personal challenges and greatest strengths through their Achievement Number as well as how to use this number for a more accurate understanding of an individual s behavior patterns Offering extensive examples interpretations and exercises he reveals how recognizing these facets of our behavior is the first step to working through our negative patterns and effecting personal transformation Numerology for Healing Michael Brill,2008-11-25 A unique approach to using numerology to identify life challenges and karmic lessons to heal emotional and physical problems Provides a clear method for identifying challenges specific to your birthday and name Details 185 health conditions and how to address the causes using numerology from addictions and Alzheimer s disease to thyroid problems heart failure and cancer Offers guidance in understanding universal abandonment issues and how these affect our behavior In *Numerology for Healing* Michael Brill combines numerology with psychology quantum physics and the concepts of gematria and reincarnation to create a unique approach to healing emotional and physical problems based on life challenges and karmic lessons Humans suffer from a profound sense of abandonment when the soul is decanted from the Universal Oneness into the confines of a personality Brill explains how this sense of abandonment manifests itself in two principal types of behavior people work to be loved and appreciated for who they are or they try to control and micromanage their lives and relationships so that nothing goes wrong Both of these behavior patterns are exhausting physically emotionally and mentally and are clear catalysts for illness Brill details 185 physical and mental health conditions and shows how to identify and treat the causes from addictions and Alzheimer s disease to thyroid problems heart failure and cancer For instance he reveals that in general illnesses beginning with the letter A acne and alcoholism have issues of self esteem as one of the basic causes whereas illnesses beginning with letter G gallstones and glaucoma are associated with a need to be in control in relationships or at work By using the numerology of your birth date and name *Numerology for Healing* makes it easy to identify your positive and negative tendencies and characteristics and to use them as the key to achieving a healthier life *Beyond the Battleground* Tom Bisio,2016-05-17 Drawing on ideas from classical military strategy the Yijing Book of Changes and Chinese martial arts theory Tom Bisio presents a fascinating exploration of how insights from these sources can be deployed to manage crisis situations in all aspects of our daily lives Suggesting approaches for cultivating a strategic mindset that can be applied to one s relationships work and personal self fulfillment *Beyond the Battleground* offers methods of adapting to circumstances conserving one s own resources and avoiding or dissolving conflict that will aid any reader navigating the uncertainties of the changing world including the business person military theorist or martial artist Deftly interweaving his background in East Asian philosophy and history and his career in traditional Chinese medicine with his lifelong interest in the martial arts and military science Bisio also presents examples of successful strategies from history s great commanders such as Sunzi Alexander the Great Napoleon and Mao Zedong **The Non-Hierarchical Way from Yijing to Jeongyeok**

Young Woon Ko,2023-01-09 The Non Hierarchical Way from Yijing to Jeongyeok A New Paradigm for East Meeting West examines the paradoxical structure of Yijing known as the Book of Changes a structure that promotes in a non hierarchical way the harmony and transformation of opposites Because the non hierarchical model is not limited to the East Asian tradition it is considered in relation to ideas developed in the West including Carl Jung s archetypal psychology Georg Cantor s Diagonal Theorem Rene Girard s mimetic desire and Alfred North Whitehead s process thought By critically reviewing the numerical and symbolic structures of Yijing Young Woon Ko introduces Kim Ilbu s Jeongyeok the Book of Right Changes and demonstrates that it intensifies the correlation between opposites to overcome any hierarchical system implied by the Yijing Both the Yijing and the Jeongyeok are useful textual sources for kindling a discussion about the Divine which is conceived in Eastern and Western philosophical theological traditions quite differently While the nontheistic aspects of the Ultimate feature prominently in Yijing Jeongyeok extends them to a theistic issue by introducing the notion of Sangjae the Supreme Lord which can lead to a fruitful dialogue for understanding the dipolar characteristics of the divine reality personal and impersonal Ko considers their contrast which has divided Eastern and Western religious belief systems to be transformational and open to a wider perspective of the divine conception in the process of change **The Blue Frontier**
