Management and Leadership for Nurse Managers Russell C. Swansburg, 1996 This edition of the highly acclaimed Management and Leadership for Nurse Managers offers theoretical and practical

perspectives on the major management functions as they are practiced in today's organizations. The author introduces current and future nurse managers to the challenges of planning, organizing, leading, and controlling. The most recent research on management theory is incorporated throughout the book in the context of its practical application. New coverage includes total quality management, pay for performance, the rising temporary workforce, and downsizing. **Introduction to Health Services Management** S. W. Booyens, 2008. Ideal for all students studying first level health services management, this invaluable all in one resource describes the environmental factors that affect health services policy and planning, the organization of services at the macro and micro level, and other issues such as staff absenteeism and management.

Financial Management for Nurse Managers Janne Dunham-Taylor, Joseph Pinczuk, 2009-11-24. Completely revised and updated, the Second Edition addresses a myriad of financial concepts ranging from staffing and budgeting to measuring productivity and forecasting costs. Examples and explanations of terminology will help nurse managers successfully correspond with the financial department to implement change without negatively affecting patient care and outcomes.

The Nurse as Executive Barbara Stevens Barnum, Karlene M. Kerfoot, 1995. This new edition of Aspen's bestselling book, *The Nurse as Executive*, has been thoroughly revised and updated to reflect the significant changes in nursing management. The nurse executive's role as a member of the executive team is examined, as well as the nurse executive's role in health care issues such as quality outcomes, team building, and cost containment. Organizing the book around the new resource-driven management model rather than the goal-driven management model makes this book unique and distinguishes it from other management texts. **Budgeting and Financial Management for Nurse Managers** Russell C. Swansburg, 1997.

Management and Leadership for Nurse Administrators Linda Roussel, Richard J. Swansburg, Russell C. Swansburg, 2006. Designed for the management and development of professional nurses, this text provides management concepts and theories giving professional administrators theoretical and practical knowledge enabling them to maintain morale, motivation, and productivity. Organized around the four management functions of Planning, Organizing, Leadership, and Evaluation, it includes new chapters on total quality management, the theory of human resource development, and collective bargaining. Additionally, content has been added to include recommendations from the work of the Institute of Medicine and the Magnet Appraisal process. *Compendium of HHS Evaluation Studies* HHS Evaluation Documentation Center (U.S.), 1984. *Compendium of HHS Evaluations and Relevant Other Studies*, 1990. *Health Care Financial Management for Nurse Managers* Janne Dunham-Taylor, Joseph Z. Pinczuk, 2006. *Health Care Financial Management for Nurse Managers* Merging the Heart with the Dollar prepares nurse managers for successful interfacing between financial departments and nursing administration. Using a systems approach to analyze the financial impact of health decisions so nurse managers can thoroughly understand financial concepts such as staffing, budgeting, identifying and analyzing variance, measuring productivity, costing, accounting, and forecasting, the text also presents examples, techniques, and financial accounting.
