Nursing The Spirit:

Nursing the Spirit Don Grant, 2023-05-23 Illness and death have always raised profound spiritual concerns However today most people experience suffering and treatment in hospitals and other impersonal bureaucratic facilities whose employees are expected to follow scientific rationalized norms of behavior How do professional caregivers the nurses and other workers who tend to patients navigate between science and spirituality Don Grant investigates the subtle ways that nurses at an academic medical center incorporate spirituality into their care work Based on extensive fieldwork and an in depth survey on spirituality this book finds that many nurses see themselves as responsible for not only patients physical health but also their spiritual well being They believe they are able to reconcile science and spirituality through storytelling and claim that they can provide more spiritual care than chaplains However nurses rarely talk about religion among themselves because they are concerned that their colleagues are uncomfortable discussing spirituality Nevertheless by seeking to honor patients ultimate worth as human beings many nurses are able to instantiate spiritual values of care Grant interweaves his experiences as a hospital volunteer chaplain and a living liver transplant donor with empirical analyses of nurses spiritual work Developing a new understanding of the social significance of religion **Nursing the Spirit** recasts the intersection of science and spirituality by centering the perspectives of the people who provide care **Nursing the Spirit** Dorothy L. Wilt, Carol J. Smucker, 2001 Looking at spirituality broadly this book offers practical advice to nurses on how to give spiritual care to patients It is written in inclusive language to help nurses of all faiths address the spiritual needs of patients who may be from different belief systems and cultures Case stories gathered from nurses from all types of practice settings around the country demonstrate the variety of ways of supporting patients spiritually Wilt is a nurse psychotherapist and a licensed marriage and family therapist in private practice Annotation copyrighted by Book News Inc Portland OR

Nursing as a Spiritual Practice Janet A. Macrae, PhD, RN, 2001-04-10 Florence Nightingale is widely regarded as the

founder of modern nursing What is less well known is that she also had well developed ideas about the spiritual aspects of nursing care Her views draw from both Eastern and Western spiritual traditions and have a startling relevance to nursing practice today Janet Macrae both a Nightingale scholar and a nationally recognized expert on therapeutic touch outlines Nightingale s ideas on spirituality in this book and discusses how a variety of techniques can be used to implement a more spiritual and humane form of nursing care The techniques which include yoga meditation and relaxation exercises can be used by both nurses and patients

A Sacred Covenant Mary Elizabeth O'Brien,2008 *A Sacred Covenant* The Spiritual Ministry of Nursing focuses on the nurse s personal spiritual needs Grounded in biblical passages taken from both Old and New Testament scripture it provides a broad spiritual foundation Each chapter begins with a scripturally oriented nursing meditation and ends with a biblically themed nurse s prayer Anecdotes from practicing nurses are woven throughout each chapter to illustrate the spiritual themes

Spiritual Assessment in Healthcare Practice Professor Wilfred McSherry,Dr Linda Ross,2010 There has been a groundswell of interest in and recognition of the importance the spiritual part of a person s life has to play in coping with recovery from illness as well as in the attainment and maintenance of health wellbeing and quality of life Addressing the spiritual part of life is now a key part of the health care professional s job but this raises the question of how this part of life can be assessed and catered for and how health care professionals might be equipped for this task Wilf McSherry and Linda Ross s new edited text tackles this very issue with contributors from different disciplines including nursing medicine theology and chaplaincy and countries UK USA Malta offering their own perspectives on this important part of care Each chapter therefore has its own unique style but is concerned with one outcome to see spiritual assessment and care as an integral part of holistic care whatever the setting Contents include Introduction Linda Ross Wilfred McSherry Why the increasing interest in spirituality within healthcare Linda Ross The meanings of spirituality a multi perspectival approach to the spiritual John Swinton Recognising spiritual needs Aru Narayanasamy Spiritual Assessment definition categorisation and features Wilfred McSherry The spiritual history an essential element of patient centred care Christina Puchalski Indicator based and value clarification tools Donia Baldacchino Assessing and improving the quality of spiritual care Mark Cobb Dilemmas of spiritual assessment Chris Johnson Considerations for the future of Spiritual Assessment Linda Ross and Wilf McSherry

Spirituality in Nursing Mary O'Brien,2010-10-25 This book explores the relationship between spirituality and the practice of nursing providing students and professionals with invaluable insights from a variety of perspectives Although an effort has been made to include examples of patient needs supported by both data and literature relative to other religious affiliations the overall orientation of the work is derived primarily from the Judeo Christian tradition Preface

Nursing as Ministry Kristen L. Mauk,Mary Hobus,2019-10-01 Designed to be a student friendly textbook for faith based schools this first edition text focuses on nursing as ministry not just spiritual care

Nursing The Spirit Introduction

In the digital age, access to information has become easier than ever before. The ability to download Nursing The Spirit has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Nursing The Spirit has opened up a world of possibilities. Downloading Nursing The Spirit provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Nursing The Spirit has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Nursing The Spirit. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Nursing The Spirit. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Nursing The Spirit, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Nursing The Spirit has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
