Lockhart,2016-04-08 I m rich and I don t need a thing bragged the early Christians in the big city of Laodicea The Apostle John however saw their affluence and arrogance through a theological lens He declared them to be bankrupt lukewarm Christians whom God would gladly gargle and spit out Today the mainline church in the West finds itself in a dominant culture of Laodicean affluence where even faith is a commodity to be consumed While the gospel spreads and thrives in the global South and East the Western mainline church looks longingly back at Christendom and forward in fear As Christians living in a North American culture that highly prizes the unholy Trinity of individualism consumerism and secularism we require a new kind of missional leadership to pray attention to what God is doing in the world around us This book names the challenges and promises inherent in partnering with the Holy Spirit in order to offer missional leadership in a culture of affluence It is about both living in Laodicea and leaving it behind We are no longer in a Babylonian captivity but a Laodicean one This work helps chart a course for Christians who long to let go of country club religion and instead belong to a community that helps equip missionary disciples resistant to the dominant culture and resplendent in the love of our triune God **The Sunday-school World** ,1901 **St. Paul's Epistles to Colossae and Laodicea** John Rutherford,1908 The Apocryphal Epistle to the Laodiceans Philip L. Tite,2012-07-26 Challenging nearly two centuries of scholarship this book offers a close analysis of Laodiceans Philip Tite offers a detailed study of this Latin letter by exploring the epistolary conventions utilized by the letter writer **Revelation** Craig R. Koester,2014-09-30 In this landmark commentary Craig R Koester offers a comprehensive look at a powerful and controversial early Christian text the book of Revelation The author provides richly textured descriptions of the book s setting and language making extensive use of Greek and Latin inscriptions classical texts and ancient Jewish writings including the Dead Sea Scrolls Rather than viewing Revelation as world negating Koester focuses on its deep engagement with social religious and economic issues while addressing the book s volatile history of interpretation The result is a groundbreaking study that provides bold new insights and sets new directions for the continued appreciation of this text **North-western Christian Advocate** ,1901 *The Greco-Roman World of the New Testament Era* James S. Jeffers,2009-08-20 James S Jeffers provides an informative tour of the various facets of the Roman world class and status family and community work and leisure religion and organization city and country law and government death and taxes and the events of Roman history **Catalogue of Greek Coins in the Hunterian Collection: North western Greece, Central Greece, Southern Greece, and Asia Minor** ,1901 **New Testament Cities in Western Asia Minor** Edwin M. Yamauchi,2003-04-29 Every student of the letters of Paul the Acts of the Apostles and the Book of Revelation will find much of value in New Testament

Cities in Western Asia Minor writes W Ward Gasque The author investigates the status of the archaeological information which we now have about key cities of western Asia Minor during the early Roman Empire Assos Pergamum Thyateira Smyrna Sardis Philadelphia Ephesus Miletus Didyma Laodicea Hierapolis and Colossae **Hostage of the Word** John Schad,2013 Brings together a number of John Schad s very best essays interleaved with a selection of autobiographical poems and a work that brings together both critical and creative modes of writing *Catalogue of Greek Coins in the Hunterian Collection: North western Greece, Central Greece, Southern Greece, and Asia Minor* Hunterian Museum (University of Glasgow),George MacDonald,1901 Catalogue of Greek Coins in the Hunterian Collection, University of Glasgow Hunterian Museum (University of Glasgow),George MacDonald,1905 *Paul, the Passionate Scholar* John D. Rouse MA,2014-11-03 This book is Gods Word prayerfully unfolding glimpses into the clarifying elements of the Greek text augmented by historical images of his times Designed to arouse believers and further deepen their Christian commitment it can change lives and augment Christian growth of lay readers The language of the NT Greek holds many keys for unlocking the riches of Gods palace In a special tour of each chapter one can marvel over stories of valor and tender moments of love lavishly displayed in rich flavors and stirring narratives that invigorate the soul The Northwestern Lutheran ,1981

Reconstructing the Historical Background of Paul's Rhetoric in the Letter to the Colossians Adam Copenhaver,2018-01-25 In approaching the debate surrounding the opponents in Colossians from a methodological standpoint Copenhaver contends that Paul was not actually confronting active opponents when he wrote the letter Rather Copenhaver takes the view that Paul s letter was written to the churches in the Lycus Valley in a desire to develop their identity as a new people in Christ and to appeal to them to live a new kind of life His warnings in Colossians 2 function as oppositional rhetoric contrasting the religious practices of the Lycus Valley with this new belief Paul s warnings are therefore broadly representative of the ancient world while at the same time focused especially on two threads of historical referents Judaism and pagan religions Development of the above argument demonstrates that the challenge of reconstructing a singular opponent arises not only from the limitations of textual and historical evidence but also from the assumptions and methodologies inherent in historical approaches to the text By modifying these assumptions and adjusting the methodology Copenhaver can show how Paul s letter takes on a new relationship to its historical context Northwestern Lancet ,1898
