Harper, PhD, LPC-S, ACS, ACN, 2021-03-23 Is your body an asshole Does it keep you up at night crave nonstop French fries and ice cream and try to convince you that exercise is evil Does it develop weird illnesses and pains for no apparent reason and run out of energy just when you need it the most Does having a body at all fill you with uncomfortable emotions Enter Dr Faith G Harper therapist nutritionist and bestselling author of *Unfuck Your Brain* She explains the emerging science of the gut brain connection and the vagus nerve so that everyone can understand what's going on in your body and how to make friends with it again especially if you've experienced trauma or chronic stress Filled with straight talk and practical exercises so you can reconnect with your physical needs and reactions work through body shame manage illness and disability and implement small changes that make a huge difference in how you feel every day You are a whole person and it's time to reconnect with yourself **National Food Review**, 1981 **Diet Diagnosis** David Nico, 2015-11-17 Many diet plans are promoted as one size fits all But each person is unique and has specific needs and preferences *Diet Diagnosis* Navigating the Maze of Diet and Nutrition Plans will show you how to choose the program that is best for you while providing practical tools and effective principles that you can implement step by step Maybe you've had your ups and downs as you've tried to maintain good eating habits producing a vicious cycle of lifelong weight problems and risk of disease Or maybe you feel confused by the conflicting opinions expressed in the media about the best foods to eat or the best diet so you are stuck at the grocery store wondering what to buy for optimal health and nutrition No matter what your current health status David Nico aka Dr Healthnut will help you to reach your highest level of wellness possible including a healthy weight By changing what why and how you eat you can experience optimum health Dr Healthnut says Healthnuts are not really crazy they're just everyday people who want to make healthier lifestyle choices *US History in 15 Foods* Anna Zeide, 2023-01-12 From whiskey in the American Revolution to Spam in WWII food reveals a great deal about the society in which it exists Selecting 15 foods that represent key moments in the history of the United States this book takes readers from before European colonization to the present narrating major turning points along the way with food as a guide *US History in 15 Foods* takes everyday items like wheat bread peanuts and chicken nuggets and shows the part they played in the making
