On The Lions Side:

Foul Play Mike Rowbottom, 2013-07-18 Foul Play dissects the age old subject of cheating in all its absurdity From plain old doping to claiming a marathon victory despite having driven the middle section of the race from match fixing to diving for a penalty cheating in sport is as old as sport itself There are plenty of well known cases of cheats being found out in sport Ben Johnson for example was stripped of his 100m Olympic medal after a positive drugs test South African cricketer Hansie Cronje was banned from all cricket for life after admitting involvement in match rigging rugby union recently found itself having to deal with the bloodgate scandal However there are myriad other examples of bending the rules more subtly pressuring the referee demoralising an opponent with mind games or shirt pulling But what constitutes cheating and where do we draw the line Are some sports cleaner than others Is cheating in one sport the same as cheating in another or does each sport s distinctive culture set different standards Is there such a thing as a sport without sin Or indeed a sporting competitor This book is not a catalogue of past sporting misdemeanours so much as an investigation into the lengths to which some sports people have gone and will go to get the better of others And also the lengths to which they will not go

John Hartson's Celtic Dream Team Iain King, John Hartson, 2012-10-22. He's got no hair but we don't care walking in a Hartson wonderland. That famous song was belted out 110 times around Celtic Park as big bad John became one of a select band of players to score a century of goals in the Hoops. Now in his typical no holds barred style, the former Arsenal and Wales striker tackles the mission of naming his best ever Celtic eleven. Along with new anecdotes from his time at Celtic Park under Martin O'Neill and alongside legendary team mates such as Henrik Larsson and Chris Sutton, John Hartson's Celtic Dream Team discusses the best Celtic has on offer from the illustrious greats of the past right through to the modern era. They all have a chance of being in Hartson's starting eleven but who will earn the right to play? This is his list of legends chosen by a player who fought back from the brink of death and won his battle with cancer and a place in the hearts of millions. Full of humour, stories and football wisdom, this is a book no Celtic fan should miss. And find out what Celtic manager Neil Lennon thinks of his former team mate's choices.
