Renaissance Art in Venice Tom Nichols, 2016-08-30 Art and architecture have always been central to Venice but in the Renaissance period between c 1440 and 1600 they reached a kind of apotheosis when many of the city s new buildings sculpture and paintings took on distinctive and original qualities The spread of Renaissance values provided leading artists such as Gentile and Giovanni Bellini Giorgione Palladio Titian and Tintoretto with a licence for artistic invention This inventiveness however also needs to be understood in relation to the artists and artworks that still conformed to the more traditional corporate and public values of Venetianness Venezianit By adopting a chronological approach with each chapter covering a successive twenty five year
