that made the Panama Canal possible Truman is the Pulitzer Prize winning biography of Harry Truman the complex and courageous man who rose from modest origins to make momentous decisions as president from dropping the atomic bomb to going to war in Korea A special bonus is included The Course of Human Events In this Jefferson Lecture in the Humanities David McCullough draws on his personal experience as a historian to acknowledge the crucial importance of writing in history s enduring impact and influence and he affirms the significance of history in teaching us about human nature through the ages

Science in the Twentieth Century John Krige, Dominique Pestre, 2013-11-19 With over forty chapters written by leading scholars this comprehensive volume represents the best work in America Europe and Asia Geographical diversity of the authors is reflected in the different perspectives devoted to the subject and all major disciplinary developments are covered There are also sections concerning the countries that have made the most significant contributions the relationship between science and industry the importance of instrumentation and the cultural influence of scientific modes of thought Students and professionals will come to appreciate how and why science has developed as with any other human activity it is subject to the dynamics of society and politics

History of Modern Design David Raizman, 2003 An exploration of the parallel development of product and graphic design from the 18th century to the 21st The effects of mass production and consumption man made industrial materials and extended lines of communication are also discussed

A History of Leisure Peter Borsay, 2006-02-27 Leisure is a key aspect of modern living How did our ancestors experience recreation in the past and how does this relate to the present To answer these questions Peter Borsay examines the history of leisure in Britain over the past 500 years analysing elements of both continuity and change A History of Leisure Explores a range of pastimes from festive culture and music to tourism and sport Emphasises a conceptual and critical approach rather than a simple narrative history Covers a range of themes including economy state class identities place space and time Treats the constituent parts of the British Isles as a fluid and dynamic amalgam of local and national cultures and politics Authoritative and engaging this text challenges conventional views on the history of leisure and suggests new approaches to the subject Borsay draws upon the insights provided by a variety of disciplines alongside that of history anthropology the arts geography and sociology to offer an essential guide to this fascinating area of study

Twilight of the Habsburgs Alan Palmer, 1997-02-12 Presents a biography of the emperor of Austria as well as a history of Europe during his reign

History Under Debate Lawrence J Mc Crank, Carlos Barros, 2013-05-13 Examine new trends in the writing of new history and what they mean to information science History has been devalued causing a lack of career prospects for historians a decrease in vocations to the history profession and historical discontinuity between generations History Under Debate International Reflection on the Discipline is a recap of the crucial Second International Historia a Debate conference held on July 17 1999 in Santiago de Compostela This book details the comparative critical perspectives on history historians their audiences and the coming trends that will inevitably impact information science The in depth examination provides innovative approaches

to historians as they redefine their discipline in relation to the global society of the new millennium while presenting invaluable insights for librarians social scientists and political scientists *History Under Debate International Reflection on the Discipline* examines how the writing of history in the twenty first century is revitalized by international comparative historiography thanks to new technologies and the multinational integration processes in economy politics culture and academics The first section discusses the *Historia a Debate HaD Forum and Movement* detailing the need for change to restore history as a vital global subject in modern times The remainder of the book consists of reflective and comparative views on the study of history and historiography as well as history in and about Spain and its relation to the rest of the world The book explores new ways for moving the discipline beyond sources and source criticism alone to a different concept of the historical profession as a science with a human subject that discovers the past as people construct it Included in this book is the English translation of the HaD Manifesto proposal designed to unify historians of the twenty first century and ensure a new dawn for history its writings and its teachings *History Under Debate International Reflection on the Discipline* includes vital discussions on Linguistic Turn Postmodernism and Deconstruction gender studies and social history objectivity and subjectivity in historical interpretation multiple views of history from differing times and places history as criticism literature and reconstruction *History Under Debate International Reflection on the Discipline* is an essential resource that teaches historians librarians social scientists and humanists how to use cross border development and new global historiographic networks to bring hope for a future in history

Encyclopedia of Twentieth Century Architecture R. Stephen Sennott, 2004 For more information including the introduction a full list of entries and contributors a generous selection of sample pages and more visit the *Encyclopedia of 20th Century Architecture* website Focusing on architecture from all regions of the world this three volume set profiles the twentieth century's vast chronicle of architectural achievements both within and well beyond the theoretical confines of modernism Unlike existing works this encyclopedia examines the complexities of rapidly changing global conditions that have dispersed modern architectural types movements styles and building practices across traditional geographic and cultural boundaries
