Riders Of The Cosmic Circuit:

Riders of the Cosmic Circuit Tal Brooke, 2015-01-21 The Riders of the Cosmic Circuit are those who emerge from that rare explosion into superconsciousness called enlightenment an exalted state attained by a mere fraction down the ages Family and friends no longer recognize them as they have changed on a fundamental level Claiming Godhood they operate behind an unreadable mask manipulating those around them who believe their claims to deity To onlookers they have an unknowable intelligence If enlightenment is like a black hole in deep space whose event horizon descends into blackness what measuring stick can the normal mind use to judge those who claim to be enlightened and One with God How can anyone judge those who claim to be as above ordinary human consciousness as it is above the awareness level of the ant
RIDERS OF THE COSMIC CIRCUIT explores this deepest of conundrums Something seems to possess the human hosts who have willfully abandoned the controls of their souls wills and minds in this all out quest for Godhood Is there a dark side to this superconsciousness and does it have motives beyond the reach of most people Is it capable of deception and evil and is there a pattern or map we can use to understand this alien terrain A powerful source suggests that superconsciousness in reality is a state of perfect possession a figure ground reversal of all claims to Godhood Some disturbing patterns emerge as the present quest examines some enigmatic and shrouded aspects of three of the most famous and powerful Riders of our era who have been at work in India and beyond magnetizing followers and capturing lives *Riders of the Cosmic Circuit* Tal Brooke, 1986 Rajneeshy is an enigma Despite ridicule in the popular press he has drawn thousands of Westerners into his following What lies at the heart of the magnetic appeal which draws people to the leading gurus Tal Brooke shows that their essence is not a new teaching but a new consciousness Rajneesh Sai Baba Muktananda each has undergone a mind blowing explosion into a new mode of being Just what is this superconsciousness and what does it lead to The author Tal Brooke has held a privileged position in the inner circle of Sai Baba devotees in India This experience also helped him gain the confidence of members of the Rajneesh ashram in India His account of these three leading gurus draws some fascinating conclusions Back cover *Cult Watch* John Ankerberg, John Weldon, 1991-01-01 A compilation of the entire Facts On series Cult Watch gives you facts about the major cults and movements in a format you can use in counseling or witnessing
