Riding On The Roar Of The Crowd:

Chloe Jerry Leppart,2019-01-14 I am 21 years of age and I have discovered that I am the first and only human clone Questions Who am I What am I Do I have a soul Do I share a soul Am I a real person or just a copy a shadow of a donor I visited with Dr Ahmann who performed the cloning twenty two years ago He told me that there are no others to guide me but I could probably have a normal life if I did not stress myself There was no way I could stay here I had to get away away from everything familiar I left Minnesota and took off for the mountains In Montana I picked up a hitchhiker Billy Two Bears who stayed with me for awhile He told me of the Native American values and the true meaning of life After a night of intimacy he was gone But he left me with words that I will never forget I continued to the Canadian Rockies to Banff Lake Louise and Emerald Lake Lodge I had been having some mini seizures so it was time to head home On my way back to the States I picked up two female hitchhikers who taught me not to be afraid of the choices that I make In Wyoming I stood before Devils Tower monument at dusk as fireflies twirled around me illuminating the way as if they were spirits rising from the ground At home I visited Dr Ahmann again and I found that I am pregnant My choices I can have a full life or I can have a baby but I probably can t have both So now I need to decide what I should do Should I give life and by doing so end life Or should I end life and by doing so give life And all I have left are Billy s words to show me the way
